On 24th February 2022, Russian forces that had massed along the border with Ukraine launched a full-scale invasion, marking the biggest attack on a European country since the Second World War.

The invasion, justified by Vladimir Putin, ~~{insert} "on a false premise"{end}~~, as an attempt to "de-Nazify" Ukraine, has seen millions displaced and hundreds of thousands injured or killed – either in combat or through the devastating air strikes on civilian areas.

As innocent Ukrainian people were forced to flee their homes, Wales and RCT (along with ~~may {insert} many {end}~~ other countries) welcomed those seeking refuge with open arms and supported them as they tried to adjust to their new lives.

Now, with the War in Ukraine marking its second anniversary and the conflict still raging as Ukraine fights to retain its sovereignty, this Council therefore:

- Condemns the continued aggression of the Russian invaders.
- Reaffirms its unwavering support for Ukraine and its people.
- Commends the efforts of those residents of RCT who welcomed those fleeing the conflict into their homes and also to those who provided support to others who have sought sanctuary.

The motion amended will read:
