Agenda Item : 3

SUBJECT: COUNCIL CORPORATE AND SERVICE SELF ASSESSMENTS

1. DECISION MADE:

Agreed –

1. That the corporate self-assessment is an accurate and robust reflection of the position of the Council and its services.
2. That the Chief Executive present the report to the Finance & Performance Scrutiny Committee for their review at the next possible meeting.
3. That the areas for improvement identified in the corporate and service self assessments are incorporated into the Council's Corporate Performance Report for 2018, which is audited by the Wales Audit Office.

2. REASON FOR THE DECISION BEING MADE:

The need for Members to consider the corporate and service self-assessments of the Council for 2018.

To continue to improve the Council's corporate and service planning processes that result in better, more efficient and effective public services

3. LINKS TO CORPORATE PRIORITIES/FUTURE GENERATIONS - SUSTAINABLE DEVELOPMENT:

The report seeks to identify how well the Council is performing and what needs to improve in accordance with the requirements and aspirations of the Council's Corporate Plan and to establish its progress in meeting the requirements of the Well-being of Future Generations Act to improve the Economic, Social, Environmental and Cultural Well-being of the people and communities of RCT.

4. CONSULTATION UNDERTAKEN PRIOR TO DECISION BEING MADE:

As outlined in section 8 of the report one of the key areas of challenge in the corporate and service self-assessment has been to seek residents/customers/service users views on the services provided. During 2018 the Council and its services have sought residents/customers/service users' feedback on the services we provide, through various means. This information is being used by individual services to inform how they plan and deliver services. This continues to be an area for improvement and will be developed further in 2019.
