Agreed –

To note the content of the report.

2. REASON FOR THE DECISION BEING MADE:

As a major music concert is planned to take place in the Park in August this year and it is considered important that Members are appraised of the implications this event will have on the operation of the Park.

3. LINKS TO CORPORATE PRIORITIES/FUTURE GENERATIONS - SUSTAINABLE DEVELOPMENT:

As outlined within Section 10 of the report, the delivery of the strategy will contribute to the Council's corporate priorities in respect of Economy – building a strong economy and Place – creating neighbourhoods where people are proud to live and work.

Bringing major events to the towns raises its profile and increases spend in the shops and services around the area which in turn boosts the local economy. Seeing well-run, successful events in the towns of RCTCBS will also help increase civic pride, promoting our towns as places where people are proud to live and work. Similarly, events like this will make a contribution to the seven national well-being goals, in particular a prosperous Wales, a Wales of cohesive communities and a more equal Wales.

4. CONSULTATION UNDERTAKEN PRIOR TO DECISION BEING MADE:

Consultation is taking place with the Council's Events Safety Advisory Group with planned meetings involving Police, Fire and other Emergency Services, as well as other key stakeholders such as transport representatives. Discussions will also be necessary with other users of the Park, such as the various sports clubs, Lido Ponty visitors and personnel that use the grounds for leisurely purposes (i.e. Park Run attendees).
