Agenda Item : 3

**SUBJECT: 21st Century Schools Programme - Proposals to improve Education
provision in the greater Pontypridd area**

1. DECISION MADE:

Agreed –

1. To note the information contained within the Objection Report in Appendix A of the report, which includes a summary of the 435 objections received during the statutory notice period, and the comments provided in response to the objections and Appendices B-D being the Community, Equality and Welsh Language Impact Assessments.
2. To implement the proposals as published in three of the Statutory Notices which would:
 - Close Pontypridd High School and Cilfynydd Primary School and create a new 3 – 16 ‘all through’ school on the site of the current Pontypridd High School by September 2022. There will be no sixth form provision at this school;
 - Close Hawthorn High School and Hawthorn Primary School and create a new 3 – 16 ‘all through’ school on the site of the current Hawthorn High and Hawthorn Primary Schools by September 2022, with the Local Authority designated ALN specialist class located in Hawthorn High School, as well as the current pupils receiving education through the medium of English at Heol y Celyn Primary School, transferring to the new school. There will be no sixth form provision at this school;
 - Close Ysgol Gynradd Gymraeg Pont Sion Norton and Heol y Celyn Primary School and open a new Welsh medium primary school on the site of the current Heol y Celyn Primary School by September 2022.
3. The associated catchment changes detailed in the explanatory notes to the Statutory Notices - such catchment changes becoming effective from 1st September 2022. This excludes the proposed change to the catchment area of Bryncelynnog Comprehensive School as agreed by Cabinet on 21st March 2019 which was not included within the Statutory Notices.
4. To note that as previously reported, the School Organisation Code makes provision for local authorities to determine their own statutory proposals, with the exception of the proposal relating to Cardinal Newman RC Comprehensive School. The Cardinal Newman RC Comprehensive School proposal relates only to the removal of the sixth form, the implementation (or non-implementation) of which will not prevent or undermine the effective implementation of the other proposals. In accordance with the School Organisation Code this has been referred to Welsh Ministers for determination.
5. To note that a separate report on funding arrangements would be presented to Council in due course which would also be subject to approval by Welsh Government.

6. To note that following the decision to proceed with the proposal to construct a new Welsh medium primary, a separate report to establish a new ALN learning support class at the new Welsh medium school would be presented in due course.

N.B. With the agreement of the Chair, the following County Borough Councillors and Members of the public spoke on this item:

County Borough Councillors: H Fychan, S Belzak, M Powell & L Hooper.
