Agenda Item : 9

SUBJECT: Online Active Travel Consultation: Outcome of Exercise

1. DECISION MADE:

Agreed –

1. To note the comments received during the period the online active travel consultation exercise was live.
2. To note the response of the Council to the comments received.
3. To note the next stage to be undertaken as part of the ongoing active travel consultation process.

2. REASON FOR THE DECISION BEING MADE:

The need for Members to consider the outcome of an online active travel consultation exercise that the Council undertook a few months ago, in collaboration with the Welsh Government and to note the outcome of this exercise, the Council's response to the comments received and the next stage of the active travel consultation process.

3. LINKS TO CORPORATE PRIORITIES/FUTURE GENERATIONS - SUSTAINABLE DEVELOPMENT:

It can be seen that the comments from local residents detailed in Appendix B are varied, covering the highway, active travel routes, footways and bridleways. If actioned, many of these comments are aimed at facilitating greater use of sustainable transport options such as walking, cycling or horse riding, with the corresponding health, financial and environmental benefits that accrue. These options also support the aims and objectives covering health and prosperity set out in the Council's Single Integrated Plan and emerging Corporate Plan.

Furthermore, many of the responses in Appendix B will also meet a number of the goals set out in the Well-being of Future Generations (Wales) Act 2015. For example, a more equal Wales, a healthier Wales and a Wales of cohesive communities.

4. CONSULTATION UNDERTAKEN PRIOR TO DECISION BEING MADE:

The report relates to a significant online consultation exercise drawing responses from 695 stakeholders as a pre-consultation event to inform a formal statutory consultation exercise later in the year. Actions in response to consultee proposals set out in Appendix B will in themselves require further public and stakeholder consultation to enable implementation.
