**35 APPLICATION FOR DISPENSATION - COUNTY BOROUGH
COUNCILLOR M.POWELL**

The Monitoring Officer referred Members to his report, which sought the Committee's endorsement to grant dispensation to County Borough Councillor M. Powell to speak and vote on all matters relating to the Children's Services department (within the Community and Children's Services Group) save for any specific matters that directly affect his wife who is employed by the Council in the Children's Services department as a Contact Worker, with such dispensation being reviewed on an annual basis by the Standards Committee.

The grounds for granting a dispensation under which Councillor Powell has applied for his dispensation are as follows:

- (c) "in the case of a county or county borough council, the inability of the member to participate would upset the political balance of the relevant authority or of the committee of the authority by which the business is to be considered to such an extent that the outcome would be likely to be affected;
- (d) the nature of the member's interest is such that the member's participation in the business to which the interest relates would not damage public confidence in the conduct of the relevant authority's business;
- (e) the interest is common to the member and a significant proportion of the general public;
- (f) the participation of the member in the business to which the interest relates is justified by the member's particular role or expertise;
- (j) it appears to the committee to be otherwise appropriate to grant a dispensation. "

Following consideration of the report, it was **RESOLVED:-**

1. To grant County Borough Councillor M. Powell a dispensation to speak and vote on all matters relating to the Children's Services department, save for any specific matters that directly affect his wife, who is employed by the Council in the Children's Services department as a Contact Worker; and,
2. That such dispensation is reviewed on an annual basis on the ground that the participation of the Member in the business to which the interest relates is justified by the Member's particular role or expertise as Leader of the Alliance Political Group.

Members were asked to consider the draft Standards Committee annual report for the Municipal Year 2018-19.

The Chair praised the report and reminded the Committee that photos of the Committee's Members will be included in the final version. He asked Members to send over headshots of themselves to the Council Business Unit.

37 Members' attendance at Meetings - An update

The Monitoring Officer provided Members of the Committee with an update in respect to the current position regarding the recording of Members' attendance at meetings.

Committee Members were informed that the recording of Members' attendance is now available on the Council Website and Members will now be able to provide reasons for non-attendance at Committee meetings using several categories, if they so wish. T

The Chair informed Members that he recently met with the Chair of the Democratic Services Committee to discuss the changes and that the system is now far more transparent. He praised the work of the Standards Committee and the role that it has played in achieving this outcome.

Discussions ensued and a number of Members raised concerns in respect of Elected Members who leave a meeting early but are still being recorded as being in attendance. The Monitoring Officer assured Members that this has never been a problem in RCT Council. A Member queried whether this could be recorded, however, the it was stressed that this information would be too difficult to capture given the nature of Committee meetings. The Chair emphasised that if Elected Members are persistently leaving meetings early then it is incumbent upon the Chair and other Elected Members to report it to the Monitoring Officer.

Following discussion, it was **RESOLVED:-**

1. To acknowledge the update in respect of Members' attendance at meetings.

38 UNREASONABLY PERSISTENT CUSTOMER POLICY - UPDATE AND ANNUAL REVIEW 2018 - 2019

Discussions ensued and whilst Members praised the policy, they emphasised that the Elected Member must apply a certain amount of latitude. The Chair queried whether customer complaints are being recorded and the Monitoring Officer advised that it is usually the case that a resolution is reached the complainant. Committee Members were reminded that officers explore all ways to resolve a complaint or issue a customer may have before having to resort to using the Unreasonably Persistent Customer policy. The Committee was informed that the Director of Legal and Democratic Services acts as the central point of referral for Unreasonably Persistent Customers and maintains a repository of all Unreasonably Persistent Customer cases.

Following discussion, it was **RESOLVED:-**

1. To note that the Director of Legal and Democratic Services acts as the central point of referral for Unreasonably Persistent Customers and maintains a repository of all Unreasonably Persistent Customer cases; and,

39 Local Government Ethical Standards

Committee Members were asked to undertake a review on Standards in public life.

The Monitoring Officer advised Members that In England there is no legal requirement for a Local Authority to have a Standards Committee and each Authority adopts its own Code of Conduct. However, it is now recommended that Local Authority adopt a model Code of Conduct. Recent reviews received evidence relevant to the maintenance of Standards in local government.

Discussions ensued and the Chair praised the policy undertaken by RCT in relation to Standards in public life. The Chair noted that the report

assures Members of the Standards Committee in RCT that they have adopted the correct approach. It was emphasised that Leadership is important and that the role of a Chair is to address any issues that arise.

Discussions turned to the use of Social Media by Elected Members and it was noted that any correspondence that it submitted via Social Media outlets has to be factually correct. The Chair emphasised that Elected Members need to be careful when using Social Media as a tool of communication.

Following discussion, Members **RESOLVED** to acknowledge the review undertaken by the Committee on Standards in public life.
