The Service Director Public Protection highlighted that Members would recall the Draft Strategy was subject to scrutiny by the Health and Wellbeing Scrutiny Committee on the 6<sup>th</sup> December 2018.

Members were reminded that the objectives of the Strategy, are:

- **Objective 1.** Preventing homelessness and repeat homelessness from occurring, whenever possible, therefore reducing homelessness.
- **Objective 2.** Ensuring that appropriate support and accommodation including temporary and emergency accommodation is available to meet the needs of homeless and potentially homeless people.
- **Objective 3.** Ensuring people with housing support needs have these fully assessed and have access to services to maintain independent living.

The Officers explained that the Homeless Strategy has a 4 year delivery plan and Members were updated on where we are against the targets.

The Service Director concluded her report by explaining that the homeless review found that our existing services and prevention activity have helped deliver effective results in the face of increasing demands on the services. It is anticipated there will be further increasing demands on Housing Advice, Homelessness and Supporting people going forward.

With regards to the strategic objectives officers explained that the objectives will allow the Council to meet its statutory duties to homeless people and to prevent homelessness in accordance with Housing (Wales) Act 2014 and build on the good work already in progress.

The Chair thanked the Service Director Public Protection for a very comprehensive report and opened up the meeting for Members questions and observations.

The Director of Adults Services also explained that with the extra care facilities have temporary beds that accommodated housing rest bite.

They were also concerned about any rent arrears being taken into account by the Council allocating social housing.

The Officer explained that when doing the eligibility check debt is not an automatic reason for refusal and understanding the individual circumstances enabling the service to put the right support in place.

Members discussed the report further and **RESOLVED:**

- To monitor the action plan going forward.

Members were presented with the principles of the Housing First philosophy, which is to provide a stable independent home, and intensive personalised support and case management to homeless people with multiple and complex needs. These were explained in detail within the report.

The Supporting People and Housing Option Manager highlighted to Members that in Rhondda Cynon Taf the Wisdom Project was set up in 2018 and was the first project in RCT to be developed based on the principles of Housing First. The need for the project was identified through recognition of high-risk individual leaving prison, who would otherwise have been faced with homelessness.

- 3.2 To support the committee's considerations of the Council's response, from an Adult Services perspective, and to consider the current plans that are in place to help and support the vulnerable Adult and families of Rhondda Cynon Taf.

#### **4. BACKGROUND**

- 4.1 On the 23<sup>rd</sup> March 2020, and in response to measures implemented by the UK and Welsh Governments as a result of the COVID-19 pandemic, the Council's committee meetings were temporarily suspended.
- 4.2 Council decisions have continued to be made during this period in accordance with the Council's constitution. However, the Council's Scrutiny Committees have been unable to undertake their role as part of the Council's decision making processes during this time, until the necessary regulations were presented by the Welsh Government.
- 4.3 With the introduction of [the Local Authorities \(Coronavirus\) \(Meetings\) \(Wales\) Regulations 2020 in May](#) all local authorities in Wales have been provided with the opportunity to resume their committee processes.
- 4.4 The Overview & Scrutiny Committee met for the first time under these arrangements on 26<sup>th</sup> June 2020.
- 4.5 Taking an over-arching response to scrutiny in the immediate period, the Overview & Scrutiny Committee, determined areas for scrutiny over the extended municipal year up to the Council's Annual General Meeting on 16<sup>th</sup> September 2020.

Reports emanating from the recommendations agreed at this meeting, were considered by Cabinet on [Thursday 25<sup>th</sup> June](#). The Chief Executive also provided a detailed summary to members at the first virtual meeting of Council, held on [1<sup>st</sup> July 2020](#).

It is not proposed, at this initial meeting, to facilitate detailed discussions around specific areas.**

- 5.6 **It is important to acknowledge, in the current circumstances, that facilitating the opportunity for Senior Officers to provide up-to-date information directly at the committee meeting provides the most effective way for Scrutiny to be engaged in these matters.** In doing so, the opportunity will continue to be afforded for Scrutiny to be updated with the latest developments as they unfold, providing greater scope to engage in these matters and request information and additional reporting as deemed appropriate by Committee Members.
- 5.7 This Scrutiny committee will receive the latest information and evidence from Director of Adult Services at this meeting.
- 5.8 As part of the review of these matters, it is proposed to receive information and evidence from the Cabinet Members where appropriate.
