## 6 Review of the Licensing Act 2003 & Gambling Act 2005

The Service Director, Public Protection provided the Committee with the report on relevant issues with regard to the Licensing Act 2003 and the Gambling Act 2005, together with ancillary matters arising from the responsibilities charged to the Committee.

It was reported that there had been a decrease in number of Temporary Events Notices (TEN's), which could be attributed to the Covid-19 pandemic, resulting in the closure of licensed premises and the inability of the community to partake in the events that would usually occur during those months. Following the lifting of restrictions, a number of TEN's were received to allow premises to trade outdoors during the challenging time.

The Service Director reported that since the last Committee report, there were two pending contested applications, one of which was an Application for Variation of a Premises Licence; and the other was for a Variation of Designated Premises Supervisor.

The Service Director referred Members to section 4.3 of the report where the premises inspections and infringements were outlined. Members learned that 90.5% of premises inspected were broadly compliant, which was the same as the previous period due to a lack of inspections because of the coronavirus, and resultant safety measures placed on council staff.

The Service Director spoke of the virtual training session run by Mr D Lucas from the Institute of Licensing, which had been well attended by Licensing Committee. The session was described as a valuable learning opportunity to advance or refresh the knowledge, understanding and practical expertise of Elected Members in relation to the role of the licensing authority, its Councillors and the conduct of licensing hearings.

The Service Director described the situation for Trade during the Covid-19 pandemic, explaining that it had been severely impacted and incredibly challenging. Members were informed that the ever-changing circumstances and Government advice had caused stress for both officers and the Trade, but were pleased to learn that officers had taken a proactive approach and contacted individual premises to guide them through. The Service Director continued and spoke of the number of complaints received in respect of licenced premises operating indoors at the beginning of the lockdown period and advised that officers had successfully worked with South Wales Police to further investigate these. The Service Director advised that following the reopening of premises on 3<sup>rd</sup> August 2020, the Licensing team had begun undertaking visits to premises, which, to date, had resulted in three premises receiving closure notices and a number of premises issued with improvement notices. The Service Director praised the team, explaining that despite the increase in workload, they had gone above and beyond. Speaking of the premises, the Service Director stated that it was evident that the majority were trying to do the right thing and assured

Members that those who were not were being appropriately dealt with.

Members took the opportunity to thank the Licensing Team for their continuous work, acknowledging the ever-changing environment.

One Member queried whether refunds could be provided for submitted TEN's, which had been cancelled as a result of Covid-19 and the local restrictions. The Service Director informed the Councillor that the funds could either be carried over until a later date or a refund could be provided by contacting the Licensing department.

It was **RESOLVED:-**

- a) To note the contents of the report in respect of the **Licensing Act 2003** and;
- b) To note the contents of the report in respect of the **Gambling Act 2005**.

**7 To consider passing the under-mentioned Resolution:**

It was **RESOLVED** that the press and public be excluded from the meeting under Section 100A(4) of the Local Government Act 1972 (as amended) for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined in Paragraph 13 of Part 4 of Schedule 12A of the Act.

**8 Licences and Registrations issued under the provision of Delegated Powers for the period: 10.02.20 - 27.09.20**

The Service Director, Public Protection provided the Committee with details of licences and registrations issued during the period 10<sup>th</sup> February 2020 to 27<sup>th</sup> September 2020.

Following discussions, it was **RESOLVED** to note the content of the report.

**This meeting closed at 4.45 pm**

## RHONDDACYNONTAF COUNTY BOROUGH COUNCIL

### LICENSING COMMITTEE

2<sup>ND</sup> FEBRUARY 2021

#### REVIEW OF THE LICENSING ACT 2003 & GAMBLING ACT 2005

#### REPORT OF THE DIRECTOR PUBLIC HEALTH, PROTECTION AND COMMUNITY SERVICES

#### 1. PURPOSE OF THE REPORT

The purpose of the report is to update Members on relevant issues, with regard to

- the Licensing Act 2003
- the Gambling Act 2005

#### 2. RECOMMENDATION

Members are requested to: -

- (i) note the contents of the report in respect of the **Licensing Act 2003** which has been provided for information;
- (ii) note the contents of the report in respect of the **Gambling Act 2005**, which has been provided for information.

#### 3. BACKGROUND

Members will be aware that a quarterly meeting is convened to review and discuss the implementation and progress of the Licensing Act 2003, together with any ancillary matters arising from responsibilities with which this particular Committee is charged.

Such ancillary matters include the Gambling Act 2005. (There may also be ancillary matters arising from the impact of the Smoke-Free Premises Regulations, which have the potential to affect all licensed premises).

#### 4. LICENSING ACT 2003

##### 4.1 Application Process

Applications received since the last update (**28<sup>th</sup> September, 2020 to 2<sup>nd</sup> February, 2021**) are as follows:-

<i>Application Type</i>	<i>Number received</i>
Personal Licence	21
Premises Licence	4
Transfer (Premises Licence)	19
Vary (Premises Licence)	0
Club Premises Certificate	0
Vary (Club Premises Certificate)	0
Temporary Event Notice (TEN)	18
Application to Review	4
Interim Authority Notice	0
Change of DPS	71
Minor Variation	4
Disapply provision of DPS (Community Premises)	0
Notification of Interest in Premises	0
Performance of Hypnotism	0
<b>Total Number Applications</b>	<b>141</b>

The number of Temporary Event Notices (TEN's) notifications have decreased considerably during this period, with only 18 being submitted. It needs to be noted that for 16 days Wales had a 'firebreak' lockdown, soon to be followed by another complete lockdown. These Covid restrictions have curtailed the notifications that we would usually expect to receive at this time of the year for events in the community and extended hours and/or other licensable activities on licensed premises and Private Members Clubs.

The number of transfers and changes of DPS is still considerable, given the uncertain nature of the pub/club trade this has been expected. With many DPS moving onto new positions. The usual change of DPS with superstores remains consistent.

Analysis of the TEN's applications indicate, 14 for existing premises licences, 4 for permitted community events and none received from Private Members Clubs  
A summary of TEN's, is reproduced for Members information as **Appendix 1A**.

In accordance with the advice received in respect of data protection matters, the summaries of Personal Licences and Premises Licences issued under delegated authority are now reproduced for information as a Part II restricted item.

#### 4.2 Contested Applications

Since the last summary report, there are two contested applications that have been determined :-

<b>Application Type</b>	<b>Name of Applicant</b>	<b>Name of Premises</b>	<b>Date of Hearing</b>	<b>Outcome</b>

#### Reviews

--------------------	--	-------------------	---------------------------------------	---

Two reviews are now pending:-

<b>Name of Applicant requesting Review</b>	<b>Name of Premises</b>	<b>Premises Licence Holder</b>	<b>Date of Hearing</b>	<b>Outcome</b>
South Wales Police	The Red Lounge 71 Wood Road Treforest CF37 1RJ	Mohammed Miah	23 <sup>rd</sup> February 2021	<b>Pending</b>
South Wales Police	The White Lion Hotel 59, Gadlys Road Aberdare CF44 8AD	Kevin Moses	19 <sup>th</sup> February 2021	<b>Pending</b>

### **Appeals**

No Appeals have been determined since the last report

### **4.3 Premises Inspection & Infringements**

The relevant Performance indicator for the Licensing Team is "*the premises licences found to be broadly compliant following inspection by Licensing Officers*". Officers will consider confidence in management, compliance with licence conditions and business competency when determining the risk rating of the premises when considering whether they are broadly compliant.

There has been minimal inspections of licenced conditions during this period due to officers conducting coronavirus inspections, therefore the current performance level for inspected premises has remained at 90.5%

#### **4.4 Complaints, Advice and Guidance**

This has been an extremely busy period for officers due to the Welsh Government implementing coronavirus restrictions. The hospitality sector has been impacted considerably due to this, whether it being complete lockdown for pubs, clubs etc or stringent restrictions being imposed.

Officers have been tirelessly conducting covid compliance visits to premises ensuring that appropriate measures are in place within each and every premises in order to minimise the risk of exposure to coronavirus.

The licensing trade has been broadly compliant and have been trying to input the necessary measures. It has been difficult for them especially due to the ever changing Government guidelines. This has also been true for officers who have had to keep abreast of the guidelines in order to provide appropriate advice and enforce the correct procedures.

The licensing section is providing much advice on a daily basis, this not only includes licenced premises but also requests such as singing in parks and streets, choir practices and a Santa parade.

There have been 359 recorded visits during this period not including those that South Wales Police have undertaken. During this period there have been premises that have failed to adhere to the standards, some of which have been served closure notices due to severity of breaches or because of ignorance to regulations after having adequate advice provided.

Some of the premises to be closed are:

- Legion, Gilfach Goch
- Tynte, Mountain Ash
- Red Lounge, Treforest
- Rock Inn, Aberdare
- White Dragon, Treorchy
- Prince of Wales, Treorchy
- Gelli Comrades Club, Gelli

There have also been 12 Improvement Notices issued to premises, this allows the premises time to rectify the issues identified. A follow up visit would be conducted and if officers deemed the new measures appropriate the Notice would be lifted with no further sanctions.

Following the service of one Improvement Notice, a complaint was made of Institutional Racism. The complainant has since been spoken to and an officer accompanied with a police officer attended to conduct the required checks.

Officers dealt with a serious assault at one premises, this resulted in South Wales Police applying for a Review of the premises licence. A Committee Hearing was held and a decision made to suspend for 2 weeks in order for the staff to make improvements at the premises to enable promotion of the licensing objectives.

There have been various complaints against one premises concerning lack of Covid measures as well as the use of drugs within the place. Officers have visited the premises however management have refused to allow access to CCTV footage. South Wales Police have since applied for a Review of the premises licence. The Review Hearing is pending.

Pre-opening advice has been provided to numerous pubs/clubs one such premises closed due to an outbreak of Covid amongst customers and the death of the chairman.

Officers have also assisted training of new Public Protection Enforcement Officers by allowing shadowing on visits. These enforcement officers now assist the licensing department in conducting Covid compliance visits.

Since the current Tier 4 restrictions prior to the festive period enforcement visits have been minimal due to police and other enforcement section monitoring.

Since the turn of 2021 we are delighted to say complaints have been less frequent. Hopefully this will continue during this coming period.

#### **4.5 Recovery of Annual Fees**

<b>Total Income Received; As at 31/12/20</b>	<b>Outstanding Invoices; As at 31/12/20</b>
£103,660	£13,990

The licensing department previously took a decision not to chase immediate payment of the fees during the current period due to the economic hardship placed on premises due to the Covid pandemic.

Legislation species payment must be received annually therefore officers have had to now chase payment.

During this reporting period officers have been proactively contacting Licence holders to obtain payment, those who are not providing payment following request are to have their licence suspended. This is ongoing and at the moment appears to be positive in retrieving payments.

You may note that income received has increased from £19,540 at the time of the last committee report to £103,660 at this time. This has been exceptional work from the work in contacting licence holders both by phone and through formal letters.

There are still some who have failed to make payment and have had their licence suspended.

## 5. **GAMBLING ACT 2005**

### 5.1 Trade profile – Premises Licences

Permission Type	Number at Transition (1/9/07)	Number at 25/11/20
Bingo Premises Licences	4	2
Betting Premises	46	23
Adult Gaming Centre	10	6
Licensed Family Entertainment Centre	1	4
Lotteries/ Registered Societies	N/A	169

### 5.2 Trade profile – Gaming Permits

Complimentary to Premises Licences are a wide range of Gambling Permits that allow lower level gaming in primarily alcohol licensed premises. A summary of existing permissions is as follows:-

Premises Type	Number of Permits			
	Licensed Gaming Notification Machines	Premises Machine (2)	Licensed Gaming Permit (>2 Machines)	Premises Machine
Public Houses (Premises License with Retail Alcohol 'On Sales')	187		9	

Premises Type	Number of Permits	
	Club machine Permit (3 Machines)	Club Gaming Permit
Qualifying Member Clubs (Club Premises Certificate)	57	8

### **5.3 Recovery of Annual Fees**

Because of the static nature of the trade, there is little change to the position, where 100% recovery of annual fees is the standard, primarily due to the robust provisions contained within the legislation which allow for withdrawal of the licence/permit for non-payment of appropriate fees.
