DISCUSSION PAPER FOR LLWYDCOED CREMATORIUM JOINT COMMITTEE

16th MARCH 2021

REPORT OF DIRECTOR PUBLIC HEALTH, PROTECTION & COMMUNITY SERVICES

CREMATION & SUPPLEMENTARY FEES AND CHARGES 2021/22

Author: Louise Davies, Director, Public Health, Protection & Community Services (Tel. No. 01443 744286)

1. PURPOSE OF REPORT

- 1.1 To set the fees & charges for 2021/22 effective from 1st April 2021.

2. RECOMMENDATIONS

- 2.1 It is recommended that this be effective from 1st April 2021:

- Consider and approve the levels for cremation and all supplementary fees and charges detailed at section 4.

3. BACKGROUND

- 3.1 The Rhondda Cynon Taf County Borough Council Cabinet meeting on 25th February 2021 agreed revised levels of fees and charges for the forthcoming financial year and for these to be built into the 2021/22 Revenue Budget Strategy to be recommended to full Council on 10th March 2021. The revisions to fees and charges included a freeze on all cremation and supplementary fees.
- 3.2 The Joint Committee will be aware that there is currently a consistent schedule of fees and charges across Llwydcoed and Glyntaff Crematoria, this being in place from 1st April 2014.
- 3.3 The Joint Committee will also be aware that the consistent schedule was introduced on the basis that the operational management arrangements and services provided at both facilities are the same and as such it would be inequitable to have different fees & charges.

4. **PROPOSED FEES & CHARGES FOR 2021/22**

- 4.1 It is proposed that to maintain consistency across both facilities, a freeze on all fees and charges be applied. The effect of this freeze on the principal fees & charges is presented at Table I below.

Table I – Principal Fees & Charges

Service	Existing Fee	Increase	Proposed Fee
Cremation	£721	£0	£721
Purchase of cremated remains plot	£276	£0	£276
Interment in a cremated remains plot	£276	£0	£276

- 4.2 To inform the Committee's decision a comparison has been undertaken of existing fees and charges (where available) applied at other Crematoria. Table II presents a comparison of existing fees and charges.

Table II – Existing Cremation Fees 2020/21

Crematorium	Current cremation fee	Current purchase of plot fee	Current interment in plot fee
Bridgend	£697.70	£418.97	£127.23
Cardiff	£700.00	£370.00	£320.00
Margam	£617.00	(included in cremation fee)	£62.00
Gwent	£828.00	(included in cremation fee)	£90.00 cremation plot £1463.00 in vault
Glyntaff/Llwydcoed	£721.00	£276.00	£276.00

- 4.3 At the time of writing, it was not possible to ascertain what fee increases for 2021-22 are proposed by other local authorities across Wales.
- 4.4 In addition to the above, during the past year a pilot has been in place to apply a reduced cremation fee of £568 for funeral directors offering a direct cremation¹. Rhondda Cynon Taf CBC are currently finalising a review of the pilot and level of charge for the forthcoming financial year, and will update the Joint Committee to enable this to be implemented at Llwydcoed Crematorium in line with the arrangements for Rhondda Cynon Taf.

¹ Direct Cremation – A “direct”, “simplicity” cremation or “cremation without ceremony” is where a funeral director arranges a service with no mourners and brings the deceased directly to the crematorium with no religious service or attendees. The fees and charges to the family of the deceased are significantly reduced making the service more affordable, particularly for those on low incomes.

- 4.5 With regard to supplementary fees and charges, the proposed levels for the 2021/22 financial year are set out at Table III.

Table III – Supplementary Fees

Item	Existing Fee	Proposed Fee
Dedication of rosebush and plaque for 10 year period	£194	£194
Exhumation of cremated remains	£256	£256
Additional Chapel slot	£123	£123
Book of Rem. 2 line	£78	£78
Book of Rem. 5 line	£116	£116
Book of Rem. 8 line	£154	£154
Floral emblem and crest	£123	£123

- 4.6 Lastly, Welsh Government has confirmed that for the next 3 financial years, starting from 1st April 2021, additional funding will continue to be provided to enable Burial authorities in Wales to waive any fees in relation to the standard burial or cremation of a child, defined for these purposes as a person under the age of 18. For Joint Committee's information, arrangements are being put in place to apply these arrangements at Llwydcoed Crematorium from 1st April 2021.

5. CONCLUSION

- 5.1 The harmonisation of operational and management practices across Llwydcoed Crematorium and the Council's Bereavement Services has established a consistent schedule of fees and charges, this being in place from 2014/15..
- 5.2 To maintain this position it is proposed that a freeze be applied to fees and charges at Llwydcoed Crematorium that is consistent with the freeze to Bereavement Services fees and charges as set out in Rhondda Cynon Taf CBC's 2021/22 Revenue Budget Strategy to be recommended to the 10th March 2021 full Council meeting.

- 3.2 **Expenditure for 2020/21 is projected to be £1,104,198 against a budget of £975,080 – a projected overspend of £129,118.**

- 3.3 The main expenditure variances are as follows: -

- Premises - £109,441 projected overspend due to the inclusion within the projection of proposed planned works plus increased costs due to the impact of COVID-19.

- 3.5 The reason for the surplus of income is as a result of the impact of COVID-19. Projections for cremation fees have been made based on actuals to date and an estimated number of cremations for March.

5.0 SUMMARY

5.1 The Budget Monitoring position will be dependent upon the final 2020/21 position and any further capital expenditure to be incurred to the year-end 31st March 2021.

5.2 The Draft Revenue Estimates 2021/22 propose an operating surplus of £519,890. With anticipated investment income of £3,500.

- 5.3 It was agreed at the Joint Committee meeting of 10th December 2019 that there would be an £350,000 Annual Redistribution of the General Reserve to the respective Authorities.
- 5.4 The net contribution to reserves in 2021/22 is estimated at £173,390.
- 5.5 Based on the 2020/21 Budget Monitoring Report and the Draft Revenue Estimates 2021/22 the estimated General Reserve Balance at the end of 2021/22 would be **£1,455,567**. Although at this stage this does not take into account any capital works that may be identified to be undertaken during 2021/22.
- 5.6 The General Reserves are required to fund further capital expenditure as part of the ongoing delivery of the service and the projected position is considered to be at a prudent level as at 31st March 2021.
- 5.7 The level of General Reserve will be monitored closely as part of the ongoing Budget Monitoring process and reported to the Joint Committee at appropriate intervals.

REPORT OF THE BEREAVEMENT SERVICES MANAGER

1. Agency Administration staff member

- 1.1. Members will recall that during the pandemic, a member of Agency staff was recruited to assist with the increased work load during this very difficult period. Thankfully there is currently a downward trend in cremation numbers, however, there is no surety in this respect that this may continue.
- 1.2. Members are asked to consider if they wish to continue with the Agency staff member as a precaution against a further increase in numbers and workload. This staff member will be able to assist with other duties.
- 1.3. If felt appropriate and members decide to continue with this post, then the continuation of this position can be reviewed once again, at the next meeting of the Joint Committee.

RECOMMENDED: That members decide whether to continue with the current Agency administration staff member. If decided to retain this role, that the continuation of this role be reviewed at the next Joint Committee meeting.

3. General facility update

Grounds

- 3.1. Members are asked to consider the general update in respect of the Crematorium moving forward.
- Work is continuing (weather permitting) with sanding the plots to improve the ground conditions. This will hopefully be undertaken twice yearly.
 - Ornate bollards are to be placed along the main drive to ensure there is no parking on the drive and to improve the appearance of the entrance.
 - The free replacement of all broken plaques on Cedar Lawn will be ongoing through the summer months.
 - The task of tree planting on the site will be investigated later in the year.

Buildings

- Decoration of the upper external elevations and the stack are to take place later this year.
- The interior of the building will be scheduled for decoration next year.
- The chapel pews and lecterns at both chapels will require refurbishing if/when we come to a period where disinfecting the chapel between services ceases. There is some discolouration due to the product used. A site wide deep clean will also be organised at the same time if/when we are able to re-introduce more seating and soft furnishings.
- We are awaiting a price for the damaged window in the chapel of remembrance. The corporate estates team are looking into this. The window has been made safe and secure.

Broadband

- There have been a number of broadband issues with the live streaming of services on site in recent weeks. Dialogue has been ongoing with IT and Communications to look into the possibility of changing provider and possibly extending the fibre optic from the office down to the main building. We are in discussion with all parties to try and speedily resolve this issue.

- 3.2. Members are asked to note the report.

RECOMMENDED: That the report be noted.
