Craig Yr Hesk Quarry, Berw Road, Pontypridd**

Members were asked to consider the report in light of the recent advice received by a planning consultancy engaged by the Council to support the Local Planning Authority's refusal of the two applications at appeal and to determine whether the Planning and Development Committee shared the views of the planning consultancy. Members were also asked to clarify certain matters which have been raised by the Appellants as part of the appeals process.

Members gave consideration to the report of the Director, Prosperity and Development and confirmed:

- With regard to the western extension (15/0666), whilst clear encroachment on to sensitive properties was at the forefront of their thinking, Members were also mindful of the wider health and well-being issues and indeed this is reflected in the reports they based their decision on;
- that their concerns in relation to the western extension application (15/0666) were not limited to the new extension area but applied to the site overall;
- that the imposition of a condition to preclude extraction or processing within 200m of sensitive development would not address their concerns; and
- that they endorsed the views of the planning consultancy as set out in the Statement of Case in respect of applications 15/0666 and 21/0720 as summarised in the report.

(**Note:** Having earlier declared a personal and prejudicial interest in the above-mentioned application (Minute No.189), County Borough Councillor D. Williams left the meeting for this item).
