# 2019 Audit Plan

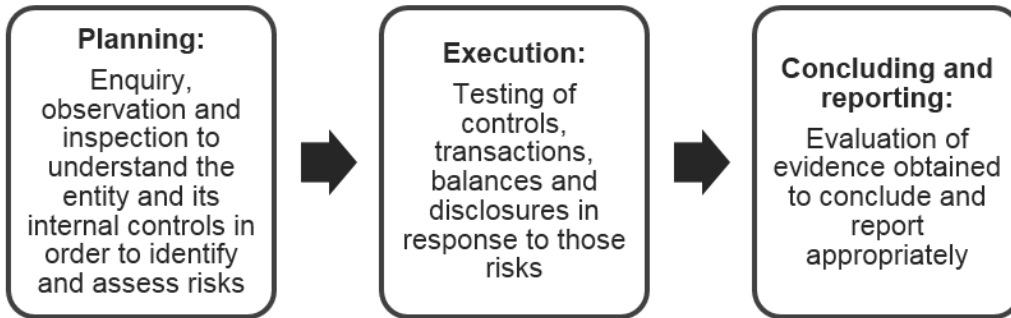

## Summary

- 1 As your external auditor, my objective is to carry out an audit which discharges my statutory duties as Auditor General and fulfils my obligations under the Public Audit (Wales) Act 2004, the Local Government (Wales) Measure 2009 (the Measure), Wellbeing of Future Generations (Wales) Act 2015, the Local Government Act 1999, and the Code of Audit Practice, namely to:
  - examine and certify whether your financial statements are 'true and fair';
  - assess whether you have made proper arrangements for securing economy, efficiency and effectiveness in the use of resources;
  - audit and assess whether you have discharged the duties and met requirements of the Measure; and
  - undertake studies to enable me to make recommendations for improving economy, efficiency and effectiveness or for improving financial or other management arrangements.
- 2 The purpose of this plan is to set out my proposed work, when it will be undertaken, how much it will cost and who will undertake it.
- 3 There have been no limitations imposed on me in planning the scope of this audit.
- 4 My responsibilities, along with those of management and those charged with governance, are set out in [Appendix 1](#).

## Audit of accounts

- 5 It is my responsibility to issue a certificate and report on the financial statements which includes an opinion on their 'truth and fairness'. This provides assurance that the accounts:
  - are free from material misstatement, whether caused by fraud or error;
  - comply with statutory and other applicable requirements; and
  - comply with all relevant requirements for accounting presentation and disclosure.
- 6 I also consider whether Rhondda Cynon Taf County Borough Council (the Council) has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources and report by exception if the Annual Governance Statement does not comply with requirements.
- 7 [Appendix 1](#) sets out my responsibilities in full.
- 8 The audit work I undertake to fulfil my responsibilities responds to my assessment of risks. This understanding allows me to develop an audit approach which focuses on addressing specific risks whilst providing assurance for the financial statements as a whole. My audit approach consists of three phases as set out in [Exhibit 1](#).

Exhibit 1: my audit approach

9 The risks of material misstatement are set out in [Exhibit 2](#) along with the work I intend to undertake to address them. Also, included are other key areas of audit attention my team will be focusing on.

Exhibit 2: financial audit risks

Financial audit risk	Proposed audit response
The risk of management override of controls is present in all entities. Due to the unpredictable way in which such override could occur, it is viewed as a significant risk [ISA 240.31-33].	My audit team will: <ul style="list-style-type: none"> <li>• test the appropriateness of journal entries and other adjustments made in preparing the financial statements;</li> <li>• review accounting estimates for biases; and</li> <li>• evaluate the rationale for any significant transactions outside the normal course of business.</li> </ul>
Last year we identified an error (that was corrected in the 2017-18 financial statements, prior to audit opinion being issued). This was due to the fixed asset register not always being updated correctly following reports from the Valuer. The impact of this was that the Cost of Service and Revaluation Reserve were both overstated by £7.5 million in 2017-18. There was also an historic impact which required a transfer between two capital reserves of £13 million, from the Revaluation Reserve to the Capital Adjustment Account. Both these adjustments are technical accounting entries and had no impact upon the reported surplus or deficit for the year or in any Usable Reserves of the Council.	My audit team will review the work carried out by the Council to ensure that this issue is not repeated. We will carry out the appropriate audit procedures to confirm that these arrangements are working effectively for 2018-19.

Financial audit risk	Proposed audit response
<p>During 2016/17 the Authority withdrew from a Private Finance Initiative scheme. We have been informed that the parties are moving toward agreeing a settlement, and appropriate financial disclosures and accounting treatment needs to be included within the 2018-19 financial statements. There is a risk that these costs are not correctly accounted for in line with the requirements of the Local Authority Code of Practice.</p>	<p>My audit team will:</p> <ul style="list-style-type: none"> <li>• review the evidence provided to support the amounts included within the financial statements to confirm that they are not materially misstated and classified correctly; and</li> <li>• review the disclosures made to confirm they meet the requirements of the Local Authority Code of Practice.</li> </ul>

- 10 I do not seek to obtain absolute assurance on the truth and fairness of the financial statements and related notes but adopt a concept of materiality. My aim is to identify material misstatements, that is, those that might result in a reader of the accounts being misled. The levels at which I judge such misstatements to be material will be reported to the Council prior to completion of the audit.
- 11 For reporting purposes, I will treat any misstatements below a 'trivial' level (the lower of 5% of materiality or £100,000) as not requiring consideration by those charged with governance and therefore I will not report them.
- 12 My fees and planned timescales for completion of the audit are based on the following assumptions:
- the financial statements are provided in accordance with the agreed timescales, to the quality expected and have been subject to a robust quality assurance review;
  - information provided to support the financial statements is in accordance with the agreed audit deliverables document<sup>1</sup>;
  - appropriate accommodation and facilities are provided to enable my audit team to deliver the audit in an efficient manner;
  - all appropriate officials will be available during the audit; and
  - you have all the necessary controls and checks in place to enable the Responsible Financial Officer to provide all the assurances that I require in the Letter of Representation addressed to me.
- 13 In addition to my responsibilities in respect of the audit of the Council's statutory financial statements set out above, I am also required to certify a return to the Welsh Government which provides information about the Council to support preparation of Whole of Government Accounts.
- 14 I am also responsible for the audit of Rhondda Cynon Taf Pension Fund accounts. A separate audit plan has been prepared for the audit of the pension fund.

<sup>1</sup> The agreed audit deliverables document sets out the expected working paper requirements to support the financial statements and include timescales and responsibilities.

- 15 In addition to the audit of the accounts, I have statutory responsibilities to receive questions and objections to the accounts from local electors. These responsibilities are set out in the Public Audit (Wales) Act 2004:
- Section 30 Inspection of documents and questions at audit; and
  - Section 31 Right to make objections at audit.
- 16 Audit fees will be chargeable for work undertaken in dealing with electors' questions and objections. Because audit work will depend upon the number and nature of any questions and objections, it is not possible to estimate an audit fee for this work.
- 17 If I do receive questions or objections, I will discuss potential audit fees at the time.

## Other financial audit work

- 18 I am also responsible for the audit of Central South Consortium Joint Education Service Joint Committee, and the Limited Assurance report for Llwydcoed Crematorium Joint Committee.
- 19 In addition to my responsibilities in respect of the audit of the statutory financial statements set out above, I am also responsible for the audit of Welsh Church Act Fund within the areas of Rhondda Cynon Taf, Bridgend and Merthyr Tydfil County Borough Councils. My team will undertake the audit of these accounts on my behalf in accordance with the timescales agreed with the Council and the Charity Commission.
- 20 In addition to the risk of management override, (as explained in the financial audit risks for the Council in Exhibit 2) I would bring the following specific risk to your attention in relation to Central South Consortium Joint Education Service Joint Committee:
- During the financial year 2018-19, there have been several changes to the senior leadership team. My audit team will design appropriate audit procedures to obtain the required assurance that disclosures are stated correctly and have been made in accordance with the appropriate policies and procedures.
- 21 My audit fee for this work is set out in [Exhibit 4](#).

## Performance audit

- 22 I need to balance my existing, new and proposed statutory duties with the need to continue to undertake meaningful, risk-based and proportionate audits and assessments. In discharging my responsibilities, I will continue to seek to strike the most appropriate balance and add value by:
- providing assurance on the governance and stewardship of public money and assets;
  - offering insight on the extent to which resources are used wisely in meeting people's needs; and

- identifying and promoting ways by which the provision of public services may be improved.
- 23 As it is likely that the anticipated Local Government Wales Bill will propose that the Local Government (Wales) Measure 2009 no longer applies to councils, I will continue to minimise work that focuses on the process of improvement planning.
- 24 In my audit plan for 2018 I explained that in previous years I had placed reliance on my work under the Measure to help discharge my duty under the Public Audit (Wales) Act 2004 to satisfy myself that councils have made proper arrangements to secure economy, efficiency and effectiveness (value for money) in the use of resources. Given that in the future it is likely that I will be unable to rely on my work under the Measure, in 2019-20, and subsequent years, the focus of my local performance audit programmes will continue to be more clearly aligned to discharging my Public Audit (Wales) Act 2004 duty.
- 25 In 2018-19 I undertook an examination of the extent to which you are acting in accordance with the sustainable development principle in taking steps to meet your well-being objectives. During 2019-20 I will undertake a further examination to assess the extent to which you are applying the sustainable development principle when taking steps towards meeting your well-being objectives. This will be the final piece of work I will undertake to discharge my duties under the Wellbeing of Future Generations Act at the Council prior to laying my first cyclical report with the National Assembly in 2020. During 2019-20 I will also be considering how to discharge my duties under the Act over the period 2020 to 2024 and I will seek to engage with local authorities as well as other stakeholders in developing my approach.
- 26 The Wales Audit Office also undertakes a programme of local government studies. This work is included within the Wales Audit Office estimates for funding from the Welsh Consolidated Fund and not local fees. These studies primarily lead to a national report augmented by good practice and shared learning outputs rather than by local reports. Local findings, where relevant, will be captured in improvement assessment work and reported in annual improvement reports depending on the timing and the focus of conclusions.
- 27 Taking all these factors into consideration, my 2019-20 programme of work will comprise:

Exhibit 3: performance audit programme

Performance audit programme	Brief description
Improvement audit and assessment work including improvement planning and reporting audit	Audit of discharge of duty to publish an improvement plan, and to publish an assessment of performance.
Well-being of Future Generations Act (Wales) 2015 (WFG Act) examinations	Examination of the extent to which the Council has acted in accordance with the sustainable development principle when taking steps to meet its wellbeing objectives.
Assurance and Risk Assessment	Project to identify the level of audit assurance and/or where further audit work may be required in future years in relation to risks to the Council putting in place proper arrangements to secure value for money in the use of resources.
Financial Sustainability	A project common to all local councils that will assess financial sustainability in light of current and anticipated future challenges
Local Performance Audit Project	Data Strategy / Use of Data / Performance Management Arrangements – a project to be scoped with Council officers to: <ul style="list-style-type: none"> <li>a) help shape the initiatives and actions deriving from the Council’s new Data Strategy; and</li> <li>b) consider and evaluate the effectiveness with which data is utilised in managing the performance of Council services.</li> </ul>
<b>2019-20 Local Government Studies</b>	(Funded by the Welsh Consolidated Fund) The Auditor General has recently completed his consultation on his forward work programme and new local government studies to commence in 2019-20 will be confirmed shortly.

28 The performance audit projects included in last year’s Audit Plan, which are either still underway or which have been substituted for alternative projects in agreement with you, are set out in [Appendix 2](#).

## Certification of grant claims and returns

- 29 I have been requested to undertake certification work on Rhondda Cynon Taf County Borough Council's grant claims and returns.
- 30 As was the case last year, the Welsh Government will not require me to provide any report of factual findings related to any activity levels or outcomes.
- 31 My audit fee for this work is set out in [Exhibit 4](#).

## Fee, audit team and timetable

### Fee

- 32 Your estimated fee for 2019 is set out in [Exhibit 4](#). There have been some small changes to my fees rates for 2019 however my audit teams will continue to drive efficiency in their audits to ensure any resulting increases will not be passed to you.

## Respective responsibilities

### Audit of accounts

As amended by the Public Audit (Wales) Act 2013, the Public Audit (Wales) Act 2004 sets out my powers and duties to undertake your financial audit. It is my responsibility to issue a certificate and report on the financial statements which includes an opinion on:

- their 'truth and fairness', providing assurance that they:
  - are free from material misstatement, whether caused by fraud or error;
  - comply with the statutory and other applicable requirements; and
  - comply with all relevant requirements for accounting presentation and disclosure.
- the consistency of information in the Annual Report with the financial statements.

I must also state by exception if the Annual Governance Statement does not comply with requirements, if proper accounting records have not been kept, if disclosures required for remuneration and other transactions have not been made or if I have not received all the information and explanations I require.

The Public Audit (Wales) Act 2004 requires me to assess whether Rhondda Cynon Taf County Borough Council has made proper arrangements for securing economy, efficiency and effectiveness in the use of resources. To achieve this, I consider:

- the results of the audit work undertaken on the financial statements;
- Rhondda Cynon Taf County Borough Council's system of internal control, as reported in the Annual Governance Statement and my report thereon;
- the results of other work carried out including work carried out under the Local Government (Wales) Measure 2009 (the Measure), certification of claims and returns, and data-matching exercises;
- the results of the work of other external review bodies where relevant to my responsibilities; and
- any other work that addresses matters not covered by the above, and which I consider necessary to discharge my responsibilities.

The Public Audit (Wales) Act 2004 sets out the rights of the public and electors to inspect Rhondda Cynon Taf County Borough Council's financial statements and related documents, to ask me, as the Appointed Auditor questions about the accounts and, where appropriate, to challenge items in the accounts. I must also consider whether in the public interest, I should make a report on any matter which comes to my notice in the course of the audit.

My audit work does not relieve management and those charged with governance of their responsibilities which include:

- the preparation of the financial statements and Annual Report in accordance with applicable accounting standards and guidance;

- the keeping of proper accounting records;
- ensuring the regularity of financial transactions; and
- securing value for money in the use of resources.

Management agrees to provide me with:

- access to all information of which management is aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
- additional information that I may request from management for the purpose of the audit; and
- unrestricted access to persons within Rhondda Cynon Taf County Borough Council from whom I determine it necessary to obtain audit evidence.

Management will need to provide me with written representations to confirm:

- that it has fulfilled its responsibilities for the preparation of the financial statements;
- that all transactions have been recorded and are reflected in the financial statements;
- the completeness of the information provided to me for the purposes of the audit; and
- to support other audit evidence relevant to the financial statements or specific assertions in the financial statements if I deem it necessary or if required by ISAs.

## Performance audit

The Public Audit (Wales) Act 2004 requires me, by examination of the accounts or otherwise, to satisfy myself that the body has made proper arrangements for:

- securing economy, efficiency and effectiveness in its use of resources; and
- that the body, if required to publish information in pursuance of a direction under section 47 (performance information) has made such arrangements for collecting and recording the information and for publishing it as are required for the performance of its duties under that section.

The Measure places a general duty on improvement authorities to 'make arrangements to secure continuous improvement in the exercise of [their] functions'. It also places specific requirements on authorities to set improvement objectives, and to publish annual improvement plans and assessments of performance. Improvement authorities are defined as county and county borough councils, national park authorities, and fire and rescue authorities.

The Measure also requires me to carry out an improvement assessment for each improvement authority every year, to determine whether the authority is likely to comply with its general duty and requirements of the Measure. I must also carry out an audit of whether the authority has discharged its improvement planning and reporting duties.

The Auditor General may also in some circumstances carry out special inspections (under section 21), in respect of which he will provide a report to the relevant authorities

and Ministers, and which he may publish (under section 22). The Auditor General will summarise audit and assessment reports in his published Annual Improvement Report (under section 24). This will also summarise any reports of special inspections.

Section 15 of the Well-being of Future Generations Act (Wales) 2015 requires me to carry out examinations of public bodies for the purposes of assessing the extent to which it has acted in accordance with the sustainable development principle when:

- a) setting well-being objectives; and
- b) taking steps to meet those objectives.

I must carry out such an examination of each public body at least once during a five-year period. Before the end of the period I must report on the results of those examinations to the National Assembly.

## Other future developments

### A. Forthcoming key IFRS changes

Exhibit 8: changes to IFRS standards

Standard	Effective date	Further details
IFRS 16 leases	Expected in 2020-21	IFRS 16 will replace the current leases standard IAS 17. The key change is that it largely removes the distinction between operating and finance leases for lessees by introducing a single lessee accounting model that requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. It will lead to all leases being recognised on balance sheet as an asset based on a right of use principle with a corresponding liability for future rentals. This is a significant change in lessee accounting.

### B. Good Practice Exchange

The Wales Audit Office's GPX helps public services improve by sharing knowledge and practices that work. Events are held where knowledge can be exchanged face to face and resources shared on line. The main areas of work are regarding financial management, public-sector staff and governance.

[Further information, including details of forthcoming GPX events and outputs from past seminars.](#)

### C. Brexit: preparations for the United Kingdom's departure from membership of the European Union

In accordance with Article 50 of the Treaty of Rome, the United Kingdom will cease to be a member of the European Union. Negotiations are continuing.

The Auditor General has commenced a programme of work looking at the arrangements that the devolved public sector in Wales, including all NHS bodies, is putting in place to prepare for, and respond to, Britain's exit from the European Union. This will take the form of a high-level overview to establish what is being put in place across the Welsh public sector, and what the key issues are from the perspectives of different parts of the Welsh public service.

The Auditor General intends to carry out this initial work in two tranches. In autumn 2018, he issued a call for evidence to compile a baseline summary of arrangements being put in place. This will be followed up by further audit fieldwork in spring 2019.

The aim is to produce a report in summer 2019. The report's key messages and recommendations will be framed in the context of the UK moving to a new relationship with the European Union by the end of the planned transition period.
