RHONDDA CYNON TAF COUNTY BOROUGH COUNCIL

LOCAL CODE OF CORPORATE GOVERNANCE

1. Introduction

- 1.1 Rhondda Cynon Taf County Borough Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.
- 1.2 In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements for the governance of its affairs and facilitating the effective exercise of its functions, which includes the arrangements for the management of risk.
- 1.3 The Council, in compiling its Local Code of Corporate Governance, has adopted the principles contained within the *Delivering Good Governance in Local Government: framework (2016)* developed by the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives and Senior Managers (SOLACE).

2. The Governance Framework

- 2.1 The diagram below, taken from the International Framework: Good Governance in the Public Sector (CIPFA/IFAC, 2014) (the 'International Framework'), illustrates the various principles of good governance in the public sector and how they relate to each other.

- 2.2 The Framework comprises two Core Principles (A & B) and five Supporting Principles (C to G).

- 2.3 The core principles permeate the implementation of the supporting principles with the need for the whole Council to be committed to improving governance on a continual basis through a process of evaluation and review.
- 2.4 The governance framework in place within Rhondda Cynon Taf County Borough Council comprises the systems, processes and cultural values by which the Council is directed and controlled, and the activities through which it accounts to, engages with and leads the community. This framework enables the Council to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost-effective services.

3. Defining Governance

- 3.1 The International Framework defines governance as follows:

Governance comprises the arrangements put in place to ensure that the intended outcomes for stakeholders are defined and achieved.

- 3.2 The International Framework also states that:

To deliver good governance in the public sector, both governing bodies¹ and individuals working for public sector entities must try to achieve their entity's objectives while acting in the public interest at all times.

Acting in the public interest implies primary consideration of the benefits for society, which should result in positive outcomes for service users and other stakeholders.

- 3.3 The Council's commitment to good governance is centred on the requirement to meet statutory obligations and deliver its Corporate Plan Priorities, and is based on the seven principles of *Delivering Good Governance in Local Government: framework (2016)*.

For Rhondda Cynon Taf County Borough Council, governance is about ensuring that the Council does the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.

¹ In local government, the governing body is the Full Council.
