**2. RECOMMENDATIONS**

It is recommended that Members of the Overview and Scrutiny Committee:

- 2.1 Consider the progress to date in delivering upon the actions agreed in response to the Wales Audit Office Report 'Fit for the future'.
- 2.2 Endorse the proposed amendments to scrutiny structures, namely to:

  - B) Endorse the recommended proposals numbered 1-4 outlined in section 7 of the report.
  - C) Recommend to the Corporate Governance & Constitution Committee that the Terms of reference of each of the scrutiny Committees be reviewed and refined and agreed by the Overview & Scrutiny Committee at its first meeting, following the Council AGM.

D) That subject to agreement to the above, authority is provided to the Proper Officer to update the Council Constitution accordingly to reflect the changes to the Committees Terms of Reference.

2.3 Note the progress to date in respect of the proposals for improvement identified by the Wales Audit Office – Fit for the Future.

2.4 Note the responses set out in section 10 of the report i.e. the national discussion paper '[six themes to help make scrutiny fit for future](#)', issued by the Wales Audit Office in February 2019.

### **3 BACKGROUND INFORMATION**

3.1 Members will be aware that the Council's Scrutiny arrangements have been subject to a number of reports by the WAO since 2014:

- In July 2015 the Council implemented new arrangements for Overview and Scrutiny which took account of the national report issued in May 2014, '[Good Scrutiny? Good Question!](#)'
- In November 2015, the Overview and Scrutiny Committee agreed an Action Plan and a detailed update arising from the publication of '[Good Scrutiny? Good Question!](#)'
- On the 9<sup>th</sup> March 2017 Cabinet and subsequently Audit Committee on 20<sup>th</sup> March, received a report in respect of '[Good Governance when determining significant service change](#)'.

3.2 Since these reports have been issued, there have been significant changes in the Scrutiny function which are strengthening the Council's overall governance arrangements. Changes include:

- Increasing use of pre scrutiny,
- More focused work that leads to tangible outcomes for the residents of Rhondda Cynon Taf through Scrutiny Working Groups
- Changes to the management arrangements
- Strengthening resourcing of the Scrutiny function.

We are also continuing to implement a number of other planned changes.

3.3 In October 2018 the WAO published its report into the Council's scrutiny arrangements '[Fit for the Future](#)'. The report followed a review conducted between December 2017 and January 2018. Although the report did not reflect the changes already put in place to strengthen the scrutiny arrangements, it was generally positive, reflecting the progress that has been made in the Council's scrutiny arrangements since the previous WAO reports in 2015. However, it also set out the need for strengthened support for scrutiny, including scrutiny capacity and Member training. This report and a subsequent implementation plan was presented to the Overview & Scrutiny Committee on the 22<sup>nd</sup> October, 2018. Following Members consideration of the report the then Director of Communications & interim Head of Democratic Services was tasked with undertaking a review of the Council's scrutiny structure.

- 3.4 The WAO subsequently published a national 'Discussion paper 'Six themes to help make scrutiny 'Fit for the Future'. The six themes identified within this report were:
- i. Clarifying roles and responsibilities is still necessary in some councils and is a pre-requisite to successful scrutiny
  - ii. Many councils continue to recognise a need to improve public engagement in scrutiny but in many councils this will require a step change in scrutiny practice
  - iii. Councils should reflect on the rigour with which they must prioritise and then plan scrutiny activity to improve impact
  - iv. Responding to current and future challenges may need a different approach to supporting scrutiny committee members
  - v. Evaluating the effectiveness of scrutiny
  - vi. Welsh government and councils should consider the implications of the above themes for councils' and partnership governance arrangements.

These themes have also been utilised when undertaking the review.

#### **4 REVIEW OF SCRUTINY WORKING ARRANGEMENTS**

- 4.1 Positive changes continue to be progressed in respect of the Council's scrutiny arrangements. Work has already taken place to strengthen scrutiny's ownership of their work programmes. New ways of considering how to best focus committees time will be utilised from the start of the next Municipal Year, looking at a more outcome based approach.
- 4.2 An important change has seen the implementation of more formal arrangements for Chairs and Vice-Chairs of scrutiny committees to consider work programme matters and the development of business in a more formal and co-ordinated way.
- 4.3 The now established engagement between Cabinet and Scrutiny Members is providing more opportunities than ever before for Scrutiny to play an influential role in the significant policy decisions of the Council at an early stage. It would be fair to say that when scrutiny first began performing a pre-scrutiny role, there was limited opportunity for scrutiny to change the direction already set by the Council's Cabinet. With recent improvements in associated processes and communications for pre-scrutiny, the arrangements have matured and developed. This has resulted in the opportunity for early and more regular involvement of scrutiny in key Council decisions, a notable example of this being the involvement of scrutiny at regular stages in the potential plans to modernise the delivery of residential care in the County Borough. Another notable example, has been, the engagement of scrutiny in the Council's 21<sup>st</sup> Century Schools proposals for the first time. Both these examples have been achieved through the 121 dialogue established as a result of the regular formal meetings between Scrutiny Chairs and the respective Cabinet Members & Director.
- 4.4 The visibility of scrutiny has increased in the last year, both in terms of public profile and the impact its work is having upon decisions. The establishment of a dedicated web site, alongside specific resource within the Council

Communication Team and the introduction of scrutiny blogs are making a positive difference to the public profile of scrutiny. Consideration needs to be given however to further opportunities to increase the profile of scrutiny, particularly in line of the potential offered by digital media, and whether facilitating meetings at non-council venues is adding the value it was intended to deliver. Further work will need to be undertaken to assess the impact this increased media profile is having on the residents of the County Borough, to ensure we are using the correct platforms for communication.

## **5 WHAT IS WORKING?**

- 5.1 The Council's scrutiny arrangements have continued to mature following the establishment of revised arrangements in 2015.
- 5.2 Opportunities for non-executive members to engage in pre scrutiny have progressed further, since the review undertaken by the Wales Audit Office. Pre-scrutiny has been facilitated as part of a number of significant decisions taken forward. In addition to this, there is now the ability for scrutiny to contribute as part of any statutory or non-statutory consultation processes and scrutiny engagement is now embedded into the proposed approach for individual decisions. The ability for all members to add-value through this approach is recognised by both the Senior Leadership Team and Cabinet.
- 5.3 Much of the positive progress has stemmed from better engagement and information sharing. This has been fostered through regular meetings, which are now well established, between Scrutiny Chairs & Vice-Chairs and their respective Cabinet Member and Senior Leadership Team Officer. This dialogue is creating more opportunity for scrutiny to have a wider field of vision in terms of future business and priorities to be considered in the short, medium and longer term. The strengthened voice of Democratic Services within the Senior Leadership Team, as a result of recent management structural changes, has also supported this approach.
- 5.4 Ensuring meetings between Committee Chairs and Vice-chairs is placed on a more formal footing, has achieved another important improvement step. However, the schedule of the committee calendar has impacted on the opportunity for this to happen more frequently. The formal reporting and updates in respect of work programme delivery have ensured Scrutiny Chairs are better informed about the wider decision-making work programme and has supported better co-ordination of work flows.

## **6 WHAT AREAS NEED CONSIDERATION?**

- 6.1 While important improvements are supporting a better governance model within the Council, there are still opportunities to support improvement. The Fit for the Future review identified a number of areas of improvements, which the Council has already considered and agreed actions to respond (see appendix 2). In addition the wider national review of scrutiny arrangements undertaken by the Wales Audit Office, has already identified a number of key areas for

improvements, in respect of scrutiny as a whole, proposing a number of key themes and examples of good practice. Having considered these recommendations, good practice which is supported in other local authorities and the feedback received from Scrutiny Chairs & Vice-Chairs, there are a number of improvements which could further strengthen the impact and outcomes of scrutiny.

- 6.2 When the new model '[thematic scrutiny](#)' was introduced in 2015, it supported a cross cutting approach to scrutiny outside of the traditional group structures. Since this time however, a number of senior management reviews have taken place, which has reduced the number of service groups. From a scrutiny perspective this has complicated the understanding of the remit of specific committees and the management of Officer and Cabinet Member representation when necessary. It is therefore felt appropriate and timely to give consideration to remit and terms of reference of the current scrutiny structure.
- 6.3 Consistent with the national findings of the Wales Audit Office, it is evident that there is an over reliance on standard information reports. In some circumstances the number of agenda items being considered at each meeting is hindering the ability of Members to undertake meaningful scrutiny and effective challenge. Also the positive impact of scrutiny often relates to specific work on policy development, relating to one specific service matter, considered often on a task and finish basis. This is also evident when scrutiny this year has worked through this mechanism to consider the Well-being of Future Generations Act.
- 6.4 A heavy scrutiny workload can sometimes hinder the ability for scrutiny to operate as a 'critical friend' to the executive, in the way our current overview and scrutiny arrangements were intended to when introduced back in 2002.
- 6.5 It should be noted in respect of policy development that scrutiny is now playing a lead role in progressing decisions of council agreed through notices of motions from all 75 members. Important policy proposals have resulted from this newly introduced decision- making work flow and therefore further consideration should be given to a framework to progress these decisions.
- 6.6 The positive work recently undertaken on-line, through the development of web and social media content has achieved positive reach and engagement. Compared to the low level of public engagement received by taking scrutiny into the community, further consideration should be given to this approach, as an effective one to enhance public participation.

## **7 POTENTIAL OPPORTUNITIES FOR IMPROVEMENT**

- 7.1 Based on these areas it is proposed to consider amendments to the following aspects of scrutiny arrangements:

### **7.2 PROPOSAL 1 -TERMS OF REFERENCE OF EACH COMMITTEE**

- 7.2.1 Review the Terms of Reference of each of the scrutiny Committees to ensure they are 'Fit for Purpose'. The current Terms of Reference for the Committee are outlined in Appendix 1 to the report.
- 7.2.2 The Corporate Plan theme 'Economy' to sit under the committee currently called 'Finance & Performance Scrutiny Committee' and for corporate governance issues to be taken forward by Overview & Scrutiny.
- 7.2.3 Before developing its work programme for the forth coming Municipal Year, it is proposed that the **Overview & Scrutiny Committee** agree the terms of reference for each of the other scrutiny Committees going forward.
- 7.2.4 Allocated specific themes from the Corporate Plan to the respective scrutiny committee, to better relate the work of scrutiny to these ambitions and strengthen accountability for its delivery. Again these themes will be allocated by the Overview & Scrutiny Committee at the start of each Municipal Year.

### **7.3 PROPOSAL 2 - STREAMLINE WORK PROGRAMMES AND AGENDAS**

- 7.3.1 It is also proposed that based on its strategic role in directing scrutiny, the Overview & Scrutiny Committee, be given the ability to direct work flow across the Municipal Year, based not just upon terms of reference, but linkage to the corporate priorities, and the demands of business and work programmes. This model would provide the benefits of models utilised in other local authorities, recognised as adopting good practice, while also continuing to provide a connection for those committees within an associated service area.
- 7.3.2 To develop streamlined and focused Committee Work Programmes to ensure a more outcome based approach is taken forward.
- 7.3.3 Following the scrutiny pilot currently being undertaken to use the 'Good Practice' scrutiny toolkit as appropriate.
- 7.3.4 Develop of a work programme template incorporating an outcome based approach and acknowledging the Well-being of Future Generations goals.
- 7.3.5 Work towards a more 'select committee approach' in terms of accountability operating style.

### **7.4 PROPOSAL 3 - A FORMAL PROCESS FOR SCRUTINY TO FACILITATE COUNCIL MOTIONS**

- 7.4.1 Development of a formal process when taking forward Notices of Motion when referred from Council.
- 7.4.2 To summons the Mover and Seconder of a Notice of Motion to a scrutiny meeting when a referred Notice of Motion is to be discussed and scrutinised.

7.4.3 This should include the Proposer and Secunder participating in the work for the matter to progress.

## **7.5 PROPOSAL 4 - PUBLIC ENGAGEMENT AND INVOLVEMENT**

7.5.1 To enhance the public engagement section of the website further with up to date / relevant information on the work and to actively encourage residents to get involved.

7.5.2 Keeping Scrutiny meetings within Council facilities, but utilising social media wherever possible to better highlight the work of the committee and to engage with the public.

7.5.3 Formally instruct Officers to implement arrangements for web-casting of meetings (alongside wider chamber and facility enhancements already identified by the Democratic Services Committee.)

## **8 SCRUTINY GOING FORWARD.**

8.1 The proposed proposals to be taken forward are intended as interim improvements. Building upon approaches taken by other local authorities, recognised as good practice, it is proposed further detailed evaluation is undertaken, with Member engagement in this process. Such an evaluation will facilitate in the development of the Council's future Scrutiny Structures going forward, between now and the next Local Government elections, with the aim of further supporting the priorities of the corporate plan and the wellbeing of future generation's goals.

8.2 In the interim the proposals outlined above are proposed to be taken forward, the reasons identified below:

### **Why consider Terms of Reference?**

8.3 It is acknowledged that since the implementation of the current thematic scrutiny structure there have been incidences where some matters do not fit neatly under the current structure. In addition to this, the work load of some of the committees can seem unbalanced.

8.9 To address these anomalies, it is proposed that a review of the Terms of Reference be taken forward to ensure that the matters relating to each Committee are best placed. It is anticipated that this may require some minor changes to be taken forward, although the main themes of the Committees going unchanged.

8.10 To balance the workload of the Finance & Performance Scrutiny Committee it is proposed that the Corporate plan theme 'economy' be taken forward by this Committee, instead of the Public Service Delivery Committee. This theme is

continually developing and would therefore benefit from such scrutiny arrangements.

- 8.11 It has been brought to Officers attention that a number of corporate governance issues are not always scrutinised during the Municipal year. It is therefore suggested that any such issues be considered through the Overview & Scrutiny Committee through its overarching theme.
- 8.12 Agreement of the revised terms of reference for each of the Committees, (as advised above) would be undertaken by the Overview & Scrutiny Committee and instructions will need to be given to the proper officer to update the Council constitution to reflect these changes accordingly.

### **Why consider Work Programmes amendments?**

- 8.13 Work programmes are an important tool which help to manage a committee's work and assists in making it more effective. As each committee is allocated responsibility for scrutinising a selected number of services in line with their terms of reference, it is necessary for members of the committees to prioritise which areas of a service they wish to scrutinise. Formularisation of a scrutiny work programme also assists with the undertaking of pre-scrutiny and promotes the work of the committee to the public.
- 8.14 The Council should strengthen ownership of forward work programmes and committee agendas. Steps include:
- Overview and Scrutiny Committee's (O&S) consideration of the quarterly Cabinet work programme. This enables O&S to refer matters to other Scrutiny Committees to help them plan their work programmes
  - Regular meetings between Scrutiny Chairs with associated Cabinet Members and Group Directors. These meetings address the cabinet work programme, policy developments and scrutiny priorities and have strengthened Members' overall understanding of the Council's business.
- 8.15 A further proposal to strengthen the Committees work programme is through the utilisation of a new Scrutiny work programme template which would allow the Committee to develop a more outcome and focused based approach to their programme. Often Committee members are asked to consider four of five reports at a Committee meeting, therefore not allowing Members to undertake any worthwhile scrutiny exercise on the information provided. This either results in Members 'noting' reports or taking forward a working group to better scrutinise the subject area. While notwithstanding the important and proven good work of the Committees scrutiny working groups, it is evident that with ever increasing workloads and demands on Members time, sometimes Members are not able to commit to undertaking such additional work. Therefore allowing the Committee itself to undertake the same work of a working group during a Committee meeting setting would allow the Committee itself to bring forward focused outcomes. Achieving such a way of working would be through Member ownership and a focussed work programme, with Members acknowledging that key themes only to be scrutinised and the reality

that some areas under a Committees Terms of Reference not being scrutinised within the Municipal Year.

- 8.16 Creation of a template using other Authorities examples of best practice and also incorporating aspects of the Future Generations 5 ways of working would assist in the development of focussed work programmes going forward.

#### **Why progress the Scrutiny Toolkit?**

- 8.17 In July 2019, the Overview & Scrutiny Committee considered the proposal to pilot the Future Generations Scrutiny Toolkit. Since that time the toolkit has been published and is available for all Authorities to utilise. In respect of RCT it was agreed that a working group be formed to consider the Notice of Motion in respect of Low Carbon vehicle and to utilise the framework when conducting this work. It was proposed that the Members of the group act as 'Champions' in their respective Committees in taking forward the new approach to scrutiny through the lens of the well-being and future generations Act.
- 8.18 It is proposed that following the working group review an evaluation of the work and of the scrutiny toolkit be undertaken to see if the toolkit could be applied through all the scrutiny committees.

#### **Why consider amending the process for Notice of Motion (NOM)?**

- 8.19 Under the Council Procedure Rules each group of the Council have an allocated number of NOMs that they can take forward to Council over a Municipal Year. Often the outcome of the NOMs is a referral to the relevant scrutiny committee for further consideration.
- 8.20 An excellent example of this can be seen through the work of the Children & young People Scrutiny Committee and the NOM in relation to period poverty. (Through the work of the working group, the Council have taken forward an approach in respect of the provision of sanitary products at schools, which has now been emanated across many Authorities in Wales and England). Also in recent months the NOM in respect of voluntary Snow Wardens was taken forward by a scrutiny working group resulting in the Know your neighbour campaign.
- 8.21 There have been however occasions where items have been referred to scrutiny and the true intentions of the NOM have been lost or are unclear to Members. In such circumstances it would assist scrutiny committees if the Proposer and Secunder of the NOM be summoned to attend a meeting on the subject to provide clarity on its intentions and proposed outcomes.

#### **Why consider amendments to Public Engagement and involvement processes?**

- 8.22 The Scrutiny public engagement protocol was agreed at the Overview & Scrutiny Committee in December and is available on the Council website. The protocol has been utilised at the recent Call In meeting of the Overview and

Scrutiny Committee when 3 members of the public addressed the committee on the C21st School proposal in relation to Pontypridd.

- 8.23 We are conscious that further needs to be done to promote the work of scrutiny and the previous process of taking scrutiny out into the Community has seen no beneficial impact in respect of public engagement. It is therefore proposed that the Committees continue to hold meeting in appropriate Council based location, depending on their subject matter. It may be beneficial for some committees to undertake meetings at Leisure Centres or the Lido if there is a relevant agenda item to be discussed on the location.
- 8.24 Going forward to promote further public engagement, further use is made of social media to promote the work of the Committee. It is proposed that the development of web-casting in advance of any statutory obligations pending should be progressed.

### **The future role of non-allocated members**

- 8.25 Since the local elections the number of non-allocated members have increased. When allocated committee membership, non-allocated members are not recognised for the purposes of political balance.
- 8.26 It is proposed that greater opportunity should be given for non-allocated members to formally participate in scrutiny, and engaged in the wider democratic arrangements
- 8.27 Chairs and Vice-Chairs together with the Director of Democratic Services should seek, on a more formal footing, to consider how non-allocated Independent members may be engaged in the work of scrutiny. This could be achieved through an expressions of interest from non-allocated members to participate in specific matters of business identified within work programmes.

## **9 WALES AUDIT OFFICE REPORT - 'FIT FOR THE FUTURE' PROGRESS UPDATE**

- 9.1 In October 2018, the Overview and Scrutiny Committee received the report of the WAO – 'Fit for the Future'. The report concluded that the Council:
- i. has increased the role of overview and scrutiny in its improvement and governance arrangements, but could strengthen support for the scrutiny function;
  - ii. has improved overview and scrutiny practice, but activity is not always well-planned; and
  - iii. is beginning to evaluate the effectiveness of its overview and scrutiny function, but needs to do further work to demonstrate the impact of scrutiny.

- 9.2 The report also set out five Proposals for Improvement and for the benefit of Members a proposed action plan to address these proposals was provided to Members at the October Overview & Scrutiny Committee meeting.
- 9.3 To illustrate the actions taken forward in respect of the proposals, the action plan presented has been further updated to illustrate the work undertaken and areas where further work needs to be addressed. The Action Plan is attached as Appendix 2 to the report.
- 9.4 It is anticipated that the opportunities outlined within this report in respect of the proposed amendments will further strengthen the Council's response to the WAO proposals.

## **10 WAO 'DISCUSSION PAPER: SIX THEMES TO HELP MAKE SCRUTINY 'FIT FOR THE FUTURE'.**

- 10.1 Since the production of the WAO Fit For the Future report, a further discussion paper has been published by the WAO 'Discussion Paper: Six themes to help make scrutiny 'Fit for the Future'.
- 10.2 This discussion paper looked at the key themes arising from the WAO work and has presented a checklist that councils can use to consider the efficiency and effectiveness of their arrangements.
- 10.3 Below details of the six themes with a corresponding response in respect of the Councils position is provided:

### **1. Clarifying roles and responsibilities is still necessary on some council and is a pre-requisite to successful scrutiny**

Since the decision taken by Overview & Scrutiny Committee on the 22<sup>nd</sup> January, 2018. Cabinet Members have attended Scrutiny Committee meetings to provide a report and update on their portfolios. In addition to this Cabinet Members are also invited to scrutiny Committees as and when appropriate to provide an update on specific agenda items to assist in the scrutiny challenge. This approach is to be further built upon over the Municipal Year with specific guidance relating to Cabinet Member attendance at scrutiny being addressed within the Council constitution. At the Members induction following the Local Government Elections, Members were provided with comprehensive training in respect of the various roles of the Council including Cabinet and Scrutiny Members roles.

### **2. Many Councils continue to recognise a need to improve public engagement in scrutiny but in many councils this will require a step change in scrutiny practice**

The development of the 'Public Speaking at a scrutiny committee' meeting protocol has already been successful, with the guidance note being available on the scrutiny pages of the Council website for the public to utilise. This protocol has been utilised at a recent Call In meeting, with 3 public speakers addressing the Committee on the agenda item. The scrutiny pages on the Council website have also been further promoted with a banner on the Council front page, to allow further easier access to the Scrutiny web content for the benefit of Members and the general public. The scrutiny pages contain detailed information about the role of Scrutiny, projects that have been introduced as a result of Scrutiny intervention and a 'Scrutiny Chairs' Blog' which currently contains contributions from three Scrutiny Chairs. Implementation of additional pages '**Engage with the Council**' which provide options by which residents can engage in the Council's decision making processes, are imminent. Although the Committees have trialled undertaking meetings out in the community this has not provided any further engagement with the public. It is therefore proposed that further is done to engage with residents through social media and the Council website in addition to the provision of webcasting facilities being made available.

**3. Councils should reflect on the rigour with which they prioritise and then plan scrutiny activity to improve its impact**

The proposals identified within this report will look to address this theme, by reviewing the Terms of Reference of each of the Committees and ensuring a fit for purpose Work Programme template is taking forward. Following other local authorities, who have been identified as 'good practice' templates, taking forward a more streamlined and outcome based approach to the Committees work programme will satisfy the requirements of this theme.

**4. Responding to current and future challenges may need a different approach to supporting scrutiny committee members**

Members of the Democratic Services Committee endorsed the opinion of the Interim Head of Democratic Services in respect of the provision of support in the newly formed Council Business Unit, which supports all members in undertaking their roles. The successful appointment of the Graduate Scrutiny research officer to the unit also provides further support to Members, to undertake independent research on behalf of Members. Members and officers are proactive with training requirements and as and when necessary training has been provided – i.e financial training for members of the F&P Committee and training on the Well-being of future generations Act to the Scrutiny Toolkit Members. The provision of e-learning is being developed by the Democratic Services Committee through a Members portal as outlined in Appendix 2.

**5. Evaluating the effectiveness of scrutiny**

The Scrutiny Annual Report has taken forward an outcomes appraisal of the work covered in the Municipal Year, demonstrating the impact that scrutiny has had on the residents of the County Borough. This approach will further be strengthened upon going forward in future Annual Reports.

Further work on the evaluation of the impact of scrutiny still needs to be strengthened by the Council and the proposals identified in this report to address Committee work programmes and scrutiny reviews during Committee meetings will assist in taking this forward.

## **11 EQUALITY AND DIVERSITY IMPLICATIONS**

- 11.1 There are no Equality and Diversity implications arising from this report and no Equality Impact Assessment is deemed necessary for the purposes of this report.

## **12 CONSULTATION**

- 12.1 The considerations and comments of Scrutiny Chairs and Vice-Chairs have been sought in respect of the report and will be orally reported at the Overview & Scrutiny meeting. It is proposed that following consideration by the Overview & Scrutiny Committee the report be presented to the Corporate Governance & Constitution committee to support any necessary amendments before being presented to the Council's AGM.

## **13 FINANCIAL IMPLICATIONS**

- 13.1 There are no financial implications as a result of the recommendations set out in the report.

## **14 LEGAL IMPLICATIONS OR LEGISLATION CONSIDERED**

- 14.1 There are no legal implications as a result of the recommendations set out in the report, although amendments to the Councils constitution will need to be taken forward as appropriate.

## **15 LINKS TO CORPORATE AND NATIONAL PRIORITIES AND THE WELL-BEING OF FUTURE GENERATIONS ACT**

- 15.1 The proposals to address the WAO report proposals includes arrangements to strengthen the Council's consideration and scrutiny of its work, through 'the lens of the requirements of the Well-being of Future Generations Act'. These arrangements will be embedded into the business of the Council as set out in the Policy Statement agreed by Cabinet on 2 November 2016.

15.2 The proposals outlined within the report will work to ensure a sustainable and robust scrutiny structure is in place which will effectively challenge policy decisions taken forward.

## **16 CONCLUSION**

16.1 The Council is continuing its work to strengthen its scrutiny arrangements and these enhancement support the council in responding to the findings arising from the recent WAO report and will further strengthen governance and accountability arrangements.
