APPENDIX II

Mr Paul Mee
Director, Public Health, Protection & Community Services
Ty Elai
Dinas Isaf Industrial Estate
Williamstown
Tonypandy
CF40 1NY

Dear Mr Mee,

Re: Closure of Gilfach Goch Day Centre

I would like my comments to be included in the Council's consultation process as follows:-

The Day Centre is well used by the community of Gilfach Goch and is the focal point for community activities. If the Day Centre was to close it would rip the heart out of my community.

The Day Centre is used by the Council during the Elections as a Polling Station. It is not only used by the local community but by residents from surrounding areas for many different programmes, clubs and activities. It has disabled facilities and disabled access.

I fear the closure of the Day Centre in Gilfach Goch will have a detrimental impact on the residents of Gilfach Goch,

Yours sincerely

County Borough Councillor A. Roberts
