The Director, Education and Inclusion Services provided the Cabinet with the decision of the Central South Consortium Joint Committee to consider shared education advisory services in partnership with the other four councils in the region for at least the next three years.

The Director spoke of the independent review of the Consortium, which had been commissioned by the ISOS Partnership and drew Members' attention to the appendices of the report, where the review and implementation plan, which had since been approved by the Joint Committee, was outlined. Members were pleased to note that the report evidenced that the educational performance of the Central South Region had significantly exceeded that of the other three Regions.

The Cabinet were informed that the report had also been presented to the Council's Children and Young People Scrutiny Committee on the 12th February 2020 where Members welcomed the review by ISOS but emphasised that the opportunity for local authority scrutiny functions to challenge the performance of the Consortium needed to be improved.

The Director informed Members that should the Council wish to withdraw from the Agreement, the earliest they could do so is 31st March 2022.

The Cabinet Member for Education and Inclusion Services spoke positive of the outcome of the review, commenting on the importance of identifying areas for improvement. The Cabinet Member stated that the report would provide stability in a period of significant change to the educational sector in Wales.

The Cabinet **RESOLVED**:

1. To note the contents of this report; and
2. To support the decision of the Central South Consortium Joint Committee to continue to deliver shared educational advisory services in partnership with the other four councils in the region for at least the next three years.

117 The Council's 2020/21 Revenue Budget

The Director, Finance and Digital Services provided the Cabinet with the results of the second phase of the Budget consultation in order for Members to consider and amend as necessary the draft budget strategy, which they would wish to recommend to Council at the meeting on 4th March 2020.

The Director advised that although the financial climate remained a challenge, the Council to date had delivered year on year balanced budgets alongside a robust investment programme, which supports key priorities.

Having regard to the repercussions of Storm Dennis and the devastation caused within RCT as a result of the floods, Members were asked to authorise the Director of Finance and Digital Services to amend the budget strategy report to reflect the impact of the allocation of £1M from General Reserves in response to Storm Dennis.

The Deputy Leader took the opportunity to thank the robust financial team, who she considered to be an asset to RCT and the staff who had continued to deliver. The Deputy Leader noted that the proposed Council Tax increase for 2020/21 of 2.85%, was stable considering the continuing financial pressures and was low in comparison to those proposed in neighbouring local authorities.

The Deputy Leader took the opportunity to speak of the atrocities caused by Storm Dennis in the local communities and praised residents for the support they have given one another. The deputy Leader was happy to support the additional recommendation, commenting that the payment would help residents and businesses at such a difficult time.

The Cabinet Member for Corporate Services was also happy to support the additional recommendation and stated that although Wales Audit Office recommend that the General Reserves remain above the minimum level of £10M, they are to be spent at a time of emergency, which it evidently was.

The Cabinet **RESOLVED:**

2. To authorise the Director of Finance and Digital Services to amend the level of contribution from the Medium Term Financial Planning and Service Transformation Reserve as a consequence of any change to the Council's resource levels announced in the Final Local Government Settlement; and

- Additional and reallocated earmarked reserves of £1.658M and additional prudential borrowing of £7.500M to fund the investment priorities, alongside the one of Welsh Government capital funding of £2.692M.

In respect of the £1.658M of earmarked reserves, which in addition to the prudential borrowing make a total of £11.850M, the Director spoke of the numerous investment opportunities for the infrastructure, which would support the new Corporate Plan priorities.

Members spoke positive of the report, commenting on the previous significant investment undertaken by RCT and the ambition to further invest.
