

CENTRAL SOUTH CONSORTIUM
REPORT FOR JOINT COMMITTEE

15TH JUNE 2020

JOINT EDUCATION SERVICE

**REPORT OF THE TREASURER – DRAFT STATEMENT OF ACCOUNTS
2019/20 (INCORPORATING THE 2019/20 ANNUAL GOVERNANCE
STATEMENT) AND 2019/20 YEAR-END POSITION**

**Author: Paul Griffiths, Service Director – Finance and Improvement
Services (Tel. No. 01443 680609)**

1. PURPOSE OF REPORT

- 1.1 To provide Members with the Central South Consortium draft Statement of Accounts for 2019/20 (that incorporates the 2019/20 Annual Governance Statement) along with the draft outturn position for the year.
- 1.2 To seek Joint Committee's approval of the 2019/20 Annual Governance Statement for the Central South Consortium.

2. RECOMMENDATIONS

It is recommended that Members:

- 2.1 Approve the earmark reserve request set out at paragraph 3.4.
- 2.2 Consider and agree the approach to utilise the resource available to contribute to school improvement activities (paragraph 3.5).
- 2.3 Note the draft Statement of Accounts for the Central South Consortium for the year-ending 31st March 2020 (Appendix 1) and the draft outturn position for the year (Section 4 – Table 2 of the report).
- 2.4 Approve the 2019/20 Annual Governance Statement (as incorporated within the draft 2019/20 Statement of Accounts).

3. EARMARKED RESERVES

- 3.1 At the Joint Committee meeting on the 19th March 2019, Members approved an earmark reserve amounting to £89k to be carried forward into the 2019/20 financial year to support remodelling of the service over the medium term. During the year, planning work was progressed to consider remodelling options, as recommended by the ISOS review¹, but there was no requirement for expenditure to be incurred in this period.
- 3.2 The Joint Committee will be aware that the Revenue Budget Monitoring Reports presented during the year have forecasted underspend positions as at March 2020, and the January and March 2020 reports set out that should a revenue budget underspend materialise at year-end:
- This is retained within the Consortium to further support medium term planning and resourcing and will provide the Consortium with some flexibility in meeting the agreed Medium Term Financial Plan which requires a 1% budget reduction in addition to pay and non-pay pressures being managed within existing resources (i.e. a forecasted cumulative budget gap of £269k through to 2022/23); and
 - Subject to the level of final underspend at year-end, an amount could also be set aside to support specific and agreed school improvement activities, with the level of earmarked reserve based on a recommendation of the Treasurer after taking into account, firstly, the key requirement to maintain the Consortium's financial stability and secondly, the estimated costs of the specific school improvement activities to be undertaken.
- 3.3. As part of finalising the year-end position, account has also been taken of the immediate implications of the COVID 19 pandemic that resulted in the postponement of a number of events scheduled to be completed by the end of the Spring Term and, as such, meant a reduction in expenditure being incurred by March 2020.
- 3.4 Having considered the above information and recognising the significant operational and financial uncertainty the Consortium will face as a result of the pandemic, I recommend that an earmark reserve of £200k is set up within the Consortium to support on-going re-modelling and medium term planning and resourcing (an earmark reserve of £89k being in place during 2019/20).
- 3.5 In addition, the year-end position provides the opportunity to support further school improvement activities, amounting to £332k, and this is set aside in an earmarked reserve for this purpose in the draft accounts. The Consortium will work closely with all Councils to set out and agree a plan of prioritised activity aligned to School recovery plans. If this work is not

¹ ISOS Review - a review commissioned by the Joint Committee in October 2018 to undertake an independent review of the Consortium. The context to the review was the national changes to the education system and the financial pressures facing schools and Local Authorities.

required at this stage then the amount can be redistributed to individual councils, subject to the Audit of the draft accounts.

- 3.6 As Members will be aware, Schedule 5 (7) of the School Improvement Service Legal Agreement makes provision for the Joint Committee to determine the treatment of balances following completion of the audit of the annual accounts. Therefore, should the audit of the Statement of Accounts result in the need to revise year-end balances, this will be reported to the Joint Committee alongside the final audited Statement of Accounts.
- 3.7 For Members information, the total earmark reserves included within the Central South Consortium's draft Statement of Accounts for 2019/20 amount to £532k.

4. DRAFT STATEMENT OF ACCOUNTS 2019/20

- 4.1 The draft 2019/20 Statement of Accounts for the Central South Consortium is attached at Appendix 1 and requires certification by the Chairperson of the Joint Committee and the Host Authority's Section 151 Officer (i.e. Rhondda Cynon Taf County Borough Council's Director of Finance and Digital Services).
- 4.2 In making arrangements to meet this requirement, there is a laid down statutory timeframe for the certification process as well as for the approval of the audited Statement of Accounts. These are as follows for the 2019/20 financial year:
- The draft Statement of Accounts to be certified by 15th June following financial year-end; and
 - The audited Statement of Accounts to be approved by Joint Committee by 15th September following financial year-end.
- 4.3 For Members information, up dated legislation became effective as from 31st March 2018 in the form of the Accounts and Audit (Wales) Regulations 2014 (as amended) that require local authorities in Wales to produce and publish Statements of Accounts earlier from financial year 2018/19. The revised timescales are set out in Table 1.

Table 1 – revised timescales for the production and publication of Welsh local authority Statement of Accounts

Financial Year	Draft Statement of Accounts certification	Audited Statement of Accounts publication
2018/19 ²	15 th June	15 th September
2019/20	15 th June	15 th September
2020/21 (and on-going)	31 st May	31 st July

- 4.4 In line with the information included in Table 1, I can confirm that arrangements are in place for the draft 2019/20 Statement of Accounts to be certified by myself on the 15th June 2020, subject to the Joint Committee approving the 2019/20 Annual Governance Statement. As part of ensuring on-going compliance with the above mentioned legislation, I would request that the Joint Committee, in agreeing a schedule of meetings for the year ahead, incorporate a meeting date on or before the 15th September 2020 to enable the Statements of Accounts to be approved (subject to completion of the external audit by Audit Wales). Looking ahead, I consider the Consortium to be well placed to continue to meet the earlier timescales for the production and publication of Statement of Accounts in future years.
- 4.5 The draft Statement of Accounts, at Appendix 1, also incorporates the draft 2019/20 Annual Governance Statement. This document has been compiled in accordance with ‘Delivering Good Governance in Local Government: Framework 2016’ and been subject to review and challenge by the Consortium’s Senior Management Team.
- 4.6 Based on the review process undertaken, it is considered that the Central South Consortium’s governance arrangements were fit for purpose and publicly demonstrated how they contributed to the delivery of improved school performance outcomes overall as set out in the Business Plan. This conclusion was supported by:
- An open approach to engaging with stakeholders, planning and delivering services, and reporting and scrutiny of the Consortium’s performance;
 - Clear arrangements for decision making that were supported by robust service management and financial management arrangements;
 - The reporting of understandable priorities and ambition, as set out in the Consortium’s Business Plan, with progress reports demonstrating an overall direction of travel of improvement in outcomes and performance at the same time as maintaining financial stability;

² 2018/19 – the draft Statement of Accounts were certified by the S 151 Officer on 21st May 2019 and the audited Statement of Accounts were approved by the Joint Committee on 15th July 2019, both in advance of the statutory deadline dates.

- Sound arrangements to support elected Councillors and Officers in the effective discharge of their responsibilities and also in maintaining high standards of conduct when undertaking business on behalf of the Consortium; and
 - A medium term approach to financial planning that helped inform strategic decision making and prioritisation of resources.
- 4.7 With the above information in mind, the Joint Committee is requested to review and if deemed appropriate approve the draft 2019/20 Annual Governance Statement.
- 4.8 In addition to the draft Statement of Accounts, the draft 2019/20 outturn position for the Consortium is a £1k underspend that is proposed to be allocated to the General Fund balance (taking the General Fund balance from £137k as at 1st April 2019 to £138k as at 31st March 2020). A summary of the draft 2019/20 outturn position is set out in Table 2.

Narrative Report

1. Introduction

The Central South Consortium Joint Education Service was established on 1st September 2012 to provide a range of school improvement services operating on behalf of five local authorities: Bridgend, Cardiff, Merthyr Tydfil, Rhondda Cynon Taf and the Vale of Glamorgan.

This region is the most populous in Wales. It includes 381 schools and serves 148,683¹ learners – nearly one third of the country's school-age children. The region is home to the highest number and the largest proportion of children living in poverty; it is also home to the capital city and the economic, financial and creative industries of Wales.

The Consortium is managed and administered by the Central South Consortium Joint Committee, under powers conferred by the Local Government (Wales) Act 1994. The Joint Committee is made up of five Members, one from each local authority. Rhondda Cynon Taf CBC became the Host Authority upon formation of the Joint Committee.

The accounts for 2019/20 have been prepared in accordance with:

- The Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 based on International Financial Reporting Standards (IFRS); and
- The Accounts and Audit (Wales) Regulations 2014 (as amended).

The accounts set out on pages 12 to 40 comply with the above.

2. Business Plan 2017-2020

The Consortium's role is to challenge and support schools in their work to improve educational outcomes.

The local authorities (through a Joint Committee attended by the Cabinet Member for Education in each authority) agree the business plan and budget for the region and hold the Consortium to account for the impact of its work.

The Consortium receives its core funding from the five local authorities and also receives funding from the Welsh Government to support specific activities in line with national priorities / initiatives.

¹ Pupil Level Annual School Census (PLASC) – January 2019

The performance of the schools in the Central South Consortium region are key to the future educational and economic success of Wales.

How well children and young people, particularly the most vulnerable, achieve in this region significantly influences how the country and its education system are perceived within our borders and beyond.

The Consortium's business plan aims to:

- Improve outcomes for vulnerable learners;
- Develop school-to-school working to deliver curriculum reform;
- Develop leadership, governance and workforce reform;
- Deliver rapid and sustainable intervention; and
- Develop effectiveness and efficiency in Central South Consortium.

Operational plans underpin each improvement objective.

The Consortium's Business Plan has been compiled in the context of reducing resources, this being consistent with the challenging economic climate facing all public sector organisations in Wales. In line with this, the 2019/20 revenue contributions received by the Consortium from the five member local authorities reduced by 5% and it is anticipated that the position of the Consortium requiring to operate in an environment of challenging funding levels will continue into the medium term.

Due to changes in terms of published performance measures and target setting requirements and guidance, trends and targeted performance is not included in this report for Foundation Phase, Key Stage 2 or Key Stage 3 performance. At Key Stage 4, new interim performance measures were introduced for reporting for Summer 2019 examinations. Therefore, no trend information is included in this report for Key Stage 4 performance measures either.

For Foundation Phase, Key Stage 2 and Key Stage 3 the regional performance exceeds the national average for nearly every performance indicator at both the expected and above expected levels. However, this performance is set against a backdrop of falling performance both nationally and regionally. For Key Stage 4 performance of the region exceeds the national average or is within 0.2 points of the national average for all five interim performance measures reported in Summer 2019. For Key Stage 5, improvements have been made for Level 3 Threshold and whilst performance of the other measures has fallen the regional performance exceeds the national performance for all measures for Key Stage 5 in Summer 2019.

Welsh Government no longer publish information at local authority or regional level for the eFSM and nFSM performance for FP-KS3, therefore no trend

information will be included in this report. For Key Stage 4 performance the gap between eFSM and non e-FSM pupils in the region is smaller regionally for Capped 9 Points Score and Welsh Baccalaureate Skills Challenge Certificate than the national gap but is wider for the remaining three measures.

3. Revenue Income and Expenditure 2019/20

The Comprehensive Income and Expenditure Statement provides an analysis of the Consortium's gross revenue expenditure and income in accordance with IFRS.

The Consortium's 2019/20 revenue budget strategy underpinned the following broad objectives:

- Support the delivery of key strategic priorities particularly around the need to build teams of challenge advisors to work with all schools in the region (with more time allocated to the schools most in need);
- Provide timely data analysis to support schools' self-evaluation and improvement planning (including school categorisation judgements);
- Support and fund school-to-school improvement partnerships and broker support between schools;
- Allocate grant funding to schools in the region along with guidance and advice on how grant funding can be used to drive improvement; and
- Work with the Welsh Government to deliver its priorities in the region.

The table shows the budgeted controllable income and expenditure against the actual controllable income and expenditure for the period 1st April 2019 to 31st March 2020:

	Budget £'000	Actual £'000	Variance £'000
Expenditure			
Employees	3,117	2,821	(296)
Premises	235	202	(33)
Transport	35	23	(12)
Supplies & Services	228	761	533
Support Services	120	114	(6)
	3,735	3,921	186
Income			
Local Authority Contributions	(3,711)	(3,840)	(129)
Grants & Other Income	(24)	(82)	(58)
	(3,735)	(3,922)	(187)
Net Expenditure / (Income)	0	(1)	(1)

The reasons for the variances between budgeted and actual expenditure and income were:

- Employees – savings attributable to the transfer of eligible core staff costs to the Regional Consortia School Improvement Grant to optimise the use of external funding and an interim staffing structure across the organisation as part of undertaking the planning work for the implementation of the ISOS review;
- Premises – the position includes costs incurred being lower than budget as a result of reduced use of office space at the Valleys Innovation Centre;
- Transport - expenditure relates to staff travel expenses and, as a result of changes in working practices, costs have been lower than budgeted;
- Supplies & Services – includes one off investment costs for school improvement activities and additional contributions being made against historic redundancy costs. The additional contributions made by member local authorities (Cardiff and Merthyr Tydfil, due to the agreed repayment period being over 3 years: 2018/19, 2019/20 and 2020/21) are reported against Local Authority Contributions;
- Support Services – Service level agreement costs with the lead authority being lower than budget; and
- Income – unbudgeted additional contributions made by member local authorities (Cardiff and Merthyr Tydfil, due to the agreed repayment period being over 3 years: 2018/19, 2019/20 and 2020/21) used to offset historic redundancy costs outlined above.

In addition, the following categories of income and expenditure relating to specific grants were processed through the Central South Consortium's accounts during 2019/20:

	Actual £'000
Expenditure	
Employees	3,285
Premises	3
Transport	32
Supplies & Services	69,852
Third Party Payments	1,074
	74,246
Income	
Grants & Other Income	74,246
Net Expenditure	0

As at 31st March 2020, the Central South Consortium held General Reserves of £138k. Movements on reserves are detailed within the Movement in Reserves Statement.

4. Capital Expenditure 2019/20

There has been no capital expenditure this financial year.

5. Summary of Future Revenue Plans

Our ambition is, by 2020 that:

- learners sustain the best educational outcomes in Wales, rivalling other parts of the UK;
- the poverty related attainment gap is reduced faster here than anywhere else in Wales; and
- the region is known and recognised for its high quality school-led professional learning and the impact it has on outcomes.

The Consortium's Business Plan 2020/2021 was approved by Joint Committee on 19th March 2020 and sets out the vision, purpose and priorities it aims to deliver within an environment of reducing resources. The 2020/21 Business Plan focuses on the following overarching priorities:

1. Develop a high quality education profession;
2. Develop inspirational leaders to facilitate working collaboratively to raise standards;
3. Develop strong and inclusive schools committed to wellbeing, equity and excellence;
4. Develop robust assessment, evaluation and accountability arrangements supporting self-improving systems; and
5. Improve the effectiveness and efficiency of Central South Consortium.

The success of our delivery plan is measured through our targets. These are based on schools' own targets incorporating benchmark measures and informed by additional challenge from the region's challenge adviser workforce.

The priorities included within the Central South Consortium's Business Plan need to be underpinned by robust financial management in ensuring they are affordable, provide value for money and that their impact can be assessed.

The revenue budget is approved annually by the Joint Committee and is included within the Business Plan. Welsh Government also issue annual settlements on grant awards of funding.

A summary of the latest (i.e. 2020/21) revenue budget is as follows (as approved by the Joint Committee on 21st January 2020):

Type of Expenditure	Budget 2020/21 £'000
Expenditure	
Employees	3,065
Premises	155
Transport	28
Supplies & Services	233
Commissioning	28
Support Services	115
Total Expenditure	3,624
Income	
Local Authority Contributions	3,600
Grants & Other Income	24
Total Income	3,624
Net Expenditure	0

6. Pensions Assets and Liabilities

As a result of International Accounting Standard (IAS) 19 “Employee Benefits”, local authorities are required to account for pensions liabilities in respect of the cost of decisions made up to the Balance Sheet date. Please refer to note 16.0 to the Core Financial Statements for further details.

The effect of IAS 19 upon the reserves of the Joint Committee is as follows:

	£'000
Net Assets/(Liabilities) excluding Pensions Reserve	844
Net Assets/(Liabilities) as per Balance Sheet	(674)

7. Introduction to Accounting Statements

Statement of Responsibilities for the Statement of Accounts

This sets out the responsibilities of the Council as the administering authority and the Director of Finance and Digital Services for the preparation of the Statement of Accounts. The Statement has to be signed and dated by the presiding Member at the Joint Committee meeting at which the Accounts are approved.

Certificate of the Director of Finance and Digital Services

This is the certificate of the true and fair presentation of the Accounts by the Director of Finance and Digital Services.

Movement in Reserves Statement

This statement shows the movement in the year on the different reserves held by the Joint Committee, analysed into 'usable reserves' (i.e. those that the Joint Committee may use to provide services, subject to the need to maintain a prudent level of reserves and any statutory limitations on their use) and 'unusable reserves'.

Comprehensive Income and Expenditure Statement

This statement is prepared to record income and expenditure on an accruals basis. It includes items such as salaries and wages, running costs of the service and income received. The statement is based upon IFRS.

Balance Sheet

The Balance Sheet shows the value as at the Balance Sheet date of the assets and liabilities recognised by the Joint Committee. The net assets of the Joint Committee (assets less liabilities) are matched by the reserves held by the Joint Committee.

Cash Flow Statement

The Cash Flow Statement shows the changes in cash and cash equivalents of the Joint Committee during the reporting period. The statement shows how the Joint Committee generates and uses cash and cash equivalents by classifying cash flows into operating and investing activities. The amount of net cash flows arising from operating activities is a key indicator of the extent to which the operations of the Joint Committee are funded from the recipients of services provided.

Expenditure and Funding Analysis

The Expenditure and Funding Analysis demonstrates how the funding available to the Joint Committee for the year has been used in providing services in comparison with those resources consumed or earned in accordance with generally accepted accounting practices.

Statement of Accounting Policies

The purpose of this statement is to explain the basis of the figures in the accounts. It outlines the accounting policies adopted.

Annual Governance Statement

The Annual Governance Statement sets out the framework for governance and internal control for the Joint Committee to carry out its functions and reviews its effectiveness. It outlines the main components of the framework, including the arrangements for Internal Audit and how the Consortium has complied with the various elements of the framework.

8. Service Restructure

No service restructuring costs were incurred during 2019/20 (£250k incurred in 2018/19).

9. COVID-19

On the 18th March 2020 Kirsty Williams, Education Minister announced the decision to bring forward the Easter break for schools in Wales. School buildings across Wales then closed for statutory provision for education from 20th March 2020. This resulted in a change of service delivery for the Consortium and a need to cancel or postpone many events which were scheduled to run at the end of the Spring Term. The impact of the COVID-19 virus on the Consortium has been managed and reported in the risk register to reflect the new and emerging challenges on the delivery of school improvement services.

³ CI&ES – Comprehensive Income and Expenditure Statement

Notes to the Core Financial Statements

1.0 Significant Accounting Policies

1.1 Accruals of Expenditure and Income

The accounts of the Joint Committee have been prepared on an accrual of income and expenditure basis in accordance with the Code of Practice on Local Authority Accounting. This ensures activity is accounted for in the year that it takes place not when cash payments are made or received.

Revenue from the sale of goods or services is recognised when the Joint Committee transfers the significant risks and rewards of goods, or provides the services to the purchaser, and it is probable that economic benefits or service potential associated with the transaction will flow to the Joint Committee.

Supplies are recorded as expenditure when they are used or consumed.

Expenses in relation to services received (including services provided by employees) are recorded as expenditure when the services are received rather than when payments are made.

Interest receivable on investments and payable on borrowings is accounted for respectively as income and expenditure in the Comprehensive Income and Expenditure Statement on the basis of the effective interest rate for the relevant financial instrument rather than the cash flows determined by the contract. Statutory adjustments relating to interest are reflected in the Movement in Reserves Statement.

1.2 Cash and Cash Equivalents

All cash transactions are administered by Rhondda Cynon Taf CBC as the Central South Consortium does not operate its own bank account.

1.3 Contingent Liabilities

A contingent liability is a possible item of expenditure that arises from past events and whose existence will be confirmed only by the occurrence of one or more uncertain future events not wholly within the organisation's control.

Such contingent liabilities are not reflected in Provisions in the Balance Sheet as it may not be probable that an outflow of resources will be required or the amount of the obligation cannot be measured reliably.

1.4 **Reserves**

The Joint Committee sets aside specific amounts as reserves for future policy purposes or to cover contingencies. These are deemed Earmarked Reserves. Earmarked Reserves are created by appropriating amounts from the General Reserves in the Movement in Reserves Statement. When expenditure to be financed from a reserve is incurred, it is charged to the appropriate service in that year. To ensure this is not a charge against General Reserves, the expenditure is funded via an adjustment in the Movement in Reserves Statement.

Certain reserves are kept to manage the accounting processes for retirement and employee benefits and do not represent usable resources for the Joint Committee.

1.5 **Employee Benefits**

All costs relating to employee benefits are accounted for on an accruals basis.

Pensions

The Joint Committee participates in two separate pension schemes.

Staff on Teachers Terms & Conditions - This is an unfunded scheme administered by the Teachers' Pension Agency. The Agency sets contribution rates on the basis of a notional fund. Whilst this is a defined benefit scheme, the Teachers Pensions Agency is unable to identify the Joint Committee's share of the underlying assets and liabilities and accordingly, the Joint Committee has accounted for its contributions to the scheme as if it were a defined contribution scheme.

Other employees - Rhondda Cynon Taf CBC administer a fund on behalf of employees under the Local Government Pension Scheme Regulations 1997 (as amended), under which contribution rates are set by the Fund's actuary based on triennial actuarial valuations. Under the regulations, contribution rates are set in order to lead to full funding of the overall liability of the Fund over time. The Local Government Pension Scheme is accounted for as a Defined Benefit Scheme.

- The liabilities of the Rhondda Cynon Taf Pension Fund attributable to the Joint Committee are included in the Balance Sheet on an actuarial basis rolling forward the results from the last full valuation and adjusted to allow for the later calculation date and making allowance for changes due to accrual of new benefits and discharge of liabilities, financial and demographic assumptions, impact of known experience and the impact of events which result in a change in liability.

- Liabilities are discounted to their value at current prices, using a discount rate of 2.3% (2.4% in 2018/19).
- The Rhondda Cynon Taf Pension Fund is a multi-employer scheme. The assets of the Fund are not formally allocated to any employer within the Fund and are not the legal property of any employer within the Fund. For the purpose of completing the calculations for each triennial valuation of the Fund, the actuary calculates a notional allocation of assets for each employer. The assets of the Pension Fund notionally attributed to the Joint Committee are included in the Balance Sheet at their fair value:

Quoted Securities	–	Current Bid Price
Unitised Securities	–	Current Bid Price
Property	–	Market Value
- The change in the net pensions asset / liability is analysed into the following components:
 - Current Service Cost – the increase in liabilities as a result of years of service earned this year allocated in the Comprehensive Income and Expenditure Statement to the services for which the employees worked plus administration expenses.
 - Past Service Cost – the increase in liabilities arising from current year decisions whose effect relates to years of service earned in earlier years debited to the (Surplus) or Deficit on the Provision of Services in the Comprehensive Income and Expenditure Statement.
 - Interest Cost – the expected increase in the present value of liabilities during the year as they move one year closer to being paid – credited to the Comprehensive Income and Expenditure Statement.
 - Expected Return On Assets – the annual investment return on the fund assets attributable to the Council based on an average of the expected long-term return – credited to the Financing and Investment Income and Expenditure section of the Comprehensive Income and Expenditure Statement.
 - Actuarial Gains and Losses – changes in the net pensions liability that arise because events have not coincided with assumptions made at the last actuarial valuation or because the actuaries have updated their financial, demographic or experience assumptions – debited or credited to the Pensions Reserve.
 - Contributions Paid to the Pension Fund – cash paid as employer's contributions to the Pension Fund in settlement of liabilities; not accounted for as an expense in the Comprehensive Income and Expenditure Statement.

In relation to retirement benefits, statutory provisions require the Joint Committee General Reserves to be charged with the amount payable by the Joint Committee to the Pension Fund or directly to pensioners in the year, not

the amount calculated according to the relevant accounting standards. In the Movement in Reserves Statement, this means that there are appropriations to and from the Pensions Reserve to remove the notional debits and credits for retirement benefits and replace them with the cash paid to the Pension Fund and pensioners and any such amounts payable but unpaid at the year-end. The balance that arises on the Pensions Reserve thereby measures the impact to the General Reserves of being required to account for retirement benefits on the basis of cash flows rather than as benefits are earned by employees.

Discretionary Benefits

The Joint Committee is able to make discretionary awards of retirement benefits in the event of early retirements. Any such liabilities arising are accrued in the year of decision to make the award in line with the Local Government Pension Scheme rules.

Accumulated Absences

The Joint Committee accrues for staff holidays earned but not taken at each year-end. The Welsh Government has issued regulations to mitigate the impact of this charge. This Joint Committee has taken advantage of the regulations and charged the additional costs to the Short-Term Accumulating Compensated Absences Account in Unusable Reserves.

1.6 Government Grants and Other Contributions

Grants and other contributions relating to capital and revenue expenditure shall be accounted for on an accruals basis and recognised in the Comprehensive Income and Expenditure Statement when there is reasonable assurance that:

- the conditions for their receipt have been/will be complied with; and
- the grant or contribution will be received.

Monies advanced, where there is no reasonable assurance of the above two criteria, are held as creditors in the Balance Sheet.

Where a revenue grant has been recognised in the Comprehensive Income and Expenditure Statement but not yet used to fund expenditure, it is set aside as an Earmarked Reserve.

Where a claim has yet to be signed off by the Wales Audit Office, Balance Sheet values in relation to grants are included on an unaudited draft claim basis.

1.7 **Leases**

Whether a lease is a finance or operating lease depends upon the substance of the transaction rather than the legal form. Leases are reviewed at inception and classed as finance or operating by reviewing arrangements such as:

- Transfer of ownership at the end of lease contract.
- Option to purchase asset at a price lower than fair value.
- Lease term is for major part of economic life of asset.
- Present value of minimum lease payments amounts to at least substantially all of the fair value of leased asset.
- Leased assets are specialist and only the lessee can use them without major modifications.

Finance Leases

A finance lease is one which transfers substantially all the risks and rewards incidental to ownership of an asset.

Where the Joint Committee is lessee, an asset and liability is recognised at lease inception. The asset is subsequently depreciated and revalued as though it were the legal property of the Joint Committee. The liability reduces as lease payments are made.

Operating Leases

An operating lease is deemed to be any lease other than a Finance Lease.

Where the Joint Committee is lessee, lease payments are recognised as an expense in the Comprehensive Income and Expenditure Statement on a straight-line basis unless another systematic basis is more representative of the benefits received.

1.8 **Events after the Reporting Period**

Events after the reporting period are those both favourable and unfavourable that occur between the end of the reporting period and the date when the financial statements are authorised for issue.

The financial statements are authorised for issue in accordance with the Accounts and Audit (Wales) (Amendment) Regulations 2014 (as amended). The Regulations state that the Statement of Accounts shall be authorised for issue when certified by the Responsible Finance Officer. Certification of unaudited accounts takes place by 15th June following financial year-end.

Regulations require the audited Statement of Accounts to be published by 15th September. The published Statement of Accounts shall reflect events after

the reporting period up to the date the accounts were authorised for issue. This is the date the Responsible Finance Officer re-certifies the accounts.

Two types of events can be identified:

- a) those that provide evidence of conditions existing at the end of the reporting period (adjusting events that shall be recognised in the financial statements); and
- b) those that are indicative of conditions that arose after the reporting period (non-adjusting events that are not reflected in accounting statements but where material, disclosure is made in the Notes to the Core Financial Statements).

2.0 Accounting Standards Issued, Not Adopted

The Code of Practice on Local Authority Accounting in the United Kingdom (the Code) requires the disclosure of information relating to the expected impact of an accounting change that will be required by a new standard that has been issued but not yet adopted.

The standards that may be relevant for additional disclosures that will be required in the 2019/20 and 2020/21 financial statements in respect of accounting changes that are introduced in the 2020/21 Code are:

- Amendments to IAS 28 Investments in Associates and Joint Ventures: Long-term Interests in Associates and Joint Ventures
- Annual Improvements to IFRS Standards 2015–2017 Cycle
- Amendments to IAS 19 Employee Benefits: Plan Amendment, Curtailment or Settlement.

Appendix C of the 2020/21 Code only includes standards adopted in the Code and therefore for 2019/20 local authorities are not required to include IFRS 16 in their consideration of accounting standards that have been issued but not yet adopted, although this is subject to approval of the 2020/21 Code.

It is not anticipated that the above amendments will have a material impact on the Consortium's Statement of Accounts.

3.0 Critical Judgements in Applying Accounting Policies

In applying the Accounting Policies set out in note 1.0, the Joint Committee has had to make certain judgements about complex transactions and those involving uncertainty about future events. The critical judgements made in the Statement of Accounts are:

3.1 Grants and Contribution Conditions

Judgements are made in terms of conditions attached to revenue grants. Grants are recognised as income when received/receivable. Unless there are assumptions that conditions of the grant are breached, a return obligation is not recognised. As a result, any revenue grants received with no expected return obligation that are to be used to fund future years' expenditure are reflected in Earmarked Reserves in the Balance Sheet.

4.0 Assumptions Made About the Future and Other Major Sources of Estimation Uncertainty

This Statement of Accounts contains estimated figures that are based on assumptions made by the Joint Committee about the future or that are otherwise uncertain. Estimates are made taking into account historical experience, current trends and other relevant factors. However, because assets and liabilities cannot always be determined with certainty, actual results could be materially different from the assumptions and estimates. The items in the Joint Committee's Balance Sheet at 31st March 2020 for which there is a significant risk of material adjustment in the forthcoming financial year are as follows:

4.1 Pensions Asset/Liability

Estimation of the net asset/liability to pay pensions depends on a number of complex judgements relating to the discount rate used, the rate at which salaries are projected to increase, changes in retirement ages, mortality rates and expected returns on pension fund assets. AON is engaged to provide the Joint Committee with advice about the assumptions to be applied.

The effects on the net pensions asset/liability of changes in individual assumptions can be measured, however, the assumptions interact in complex ways.

The disclosures allow for the following:

- a) Full pension increases to be paid on Guaranteed Minimum Pension (GMP) for those reaching State Pension Age after 6th April 2016.
- b) McCloud judgement

Legislation requires HM Treasury and the Scheme Advisory Board (SAB) to undertake periodic valuations to monitor the cost of the LGPS to ensure it remains sustainable and affordable. This is referred to as the "Cost Management Process". This process has been paused until the outcome of the McCloud appeal is known as it could result in changes to the underlying cost of the scheme.

8.0 Related Party Transactions

In accordance with IAS 24, the Joint Committee has a duty to disclose any material transactions with a "related party". This is to ensure that financial statements contain disclosures necessary to draw attention to the possibility that the reported financial position and results may have been affected by the existence of related parties and by material transactions with them.

The Joint Committee transacts with the local authorities and its schools within the Consortium, distributes funding, and provides advisory and inspection

services for which it receives income. During the year, material transactions with these related parties arose as follows:

2018/19		Local Authority	2019/20	
Exp. £'000	Inc. £'000		Exp. £'000	Inc. £'000
28,423	(1,559)	Cardiff Council	26,997	(1,454)

4,880	(266)	Merthyr Tydfil CBC	4,634	(254)

Welsh Government exerts significant influence through legislation and grant funding. The main grants received are shown in Note 7.1.

All cash transactions are administered by the host authority, Rhondda Cynon Taf CBC, as the Consortium does not operate its own bank account. At 31st March 2020, RCT CBC owed the Consortium £1,422k relating to these cash transactions (RCT CBC owed the Consortium £21,224k as at 31st March 2019). During 2019/20, Central South Consortium was charged £114k by Rhondda Cynon Taf CBC in respect of Central Establishment Charges (included in the table above, £123k in 2018/19).

Pension contributions are made to both the Rhondda Cynon Taf Pension Fund and the Teachers' Pension Agency, in respect of Joint Committee employees. See notes 16.0 and 17.0 for further information.

Interests of elected Members of the Joint Committee are maintained in a register held by their own Local Authority. Records of interests of Senior Officers are maintained by the Consortium. The following transactions occurred with related parties (by virtue of elected Member interest in them) with whom the Joint Committee has had dealings:

2018/19		Organisation	2019/20	
Exp. £'000	Inc. £'000		Exp. £'000	Inc. £'000

The table above does not include payments to/from the Local Authorities or schools within the Consortium, as they are included elsewhere within the notes.

10.0 Leases

A long term lease arrangement totalling £181k in 2019/20 (annualised cost of £160k effective from September 2019) exists between the Joint Committee and Rhondda Cynon Taf CBC in relation to office accommodation at the Valleys Innovation Centre. No termination is contained within the lease agreement and occupation is assumed for as long as the service is required.

The Joint Committee holds no assets on Finance Leases.

11.0 Long Term Debtors

There are no long term debtors at 31st March 2020.

12.0 Short Term Debtors

An analysis of Short Term Debtors in the Balance Sheet is as follows:

15.1 Pension Reserve

The Pension Reserve is the balancing account to offset the inclusion of Pension Liability in the Balance Sheet as required by IAS 19 "Employee Benefits". See note 16.0 for further information.

15.2 Short-Term Accumulating Compensated Absences Account

The Short-Term Accumulating Compensated Absences Account absorbs the differences that would otherwise arise on the Consortium's Reserves from accruing for compensated absences earned but not taken in the year e.g. annual leave entitlement carried forward at 31st March 2020.

16.0 Retirement Benefits – Defined Benefit Schemes

16.1 Participation in Pension Schemes

As part of their terms and conditions, the employees of Central South Consortium are offered retirement benefits by the Joint Committee. Although these benefits will not be payable until retirement, the Joint Committee has a commitment to make these payments. The liability for these payments needs to be accounted for at the time future entitlement is earned.

The Joint Committee participates in two pension schemes:

- Teachers – Please refer to note 17.0.
- Other employees – The Local Government Pension Scheme administered by Rhondda Cynon Taf CBC. This is a funded defined benefit salary scheme, meaning that the Joint Committee and participants pay contributions into the Fund calculated at a level intended to balance

the pensions liabilities with investment assets. The pension costs that are charged to the Joint Committee's accounts are defined by IAS 19 "Employee Benefits".

16.2 Transactions Relating to Post-Employment Benefits

The cost of retirement benefits is recognised in the Comprehensive Income and Expenditure Account when earned by employees, rather than when benefits are actually paid as pensions. However, the charge required to be made to the General Reserves is based on the cash payable in the year. The difference is reversed out in the Movement in Reserves Statement. The following transactions have been posted in the year:

Comprehensive Income and Expenditure Account	2018/19 £'000	2019/20 £'000

--	-----	-----

The total remeasurement of the Net Defined Benefit Liability recognised in Other Comprehensive Income and Expenditure to the 31st March 2020 is a loss of £985k (£1,208k gain in 2018/19).

The cumulative amount of actuarial gains and losses recognised in the Comprehensive Income and Expenditure statement to the year ending 31st March 2020 is a loss of £655k (£1,538k gain in 2018/19).

The figures above do not include allowance for any membership (or associated assets) relating to members who have joined the employer but have not yet exercised their option to link their past service rights to their current employment.

16.3 Reconciliation of Present Value of the Scheme Liabilities

	2018/19 £'000	2019/20 £'000
Opening balance at 1 st April	23,840	25,553
Current Service Cost	924	1,039
Interest Cost on Defined Obligation	614	599
Contributions by Scheme Participants	268	237
<i>Remeasurement Gains and (Losses):</i>		
Actuarial Gains and (Losses) Arising on Liabilities – Demographic Assumptions	(978)	(352)

16.4 Reconciliation of Fair Value of the Scheme Assets

	2018/19 £'000	2019/20 £'000
Opening balance at as at 1 st April	23,494	25,854
Interest Income	611	610
<i>Remeasurement Gains and (Losses)</i>		
The Return on Plan Assets, Excluding the Amount Included in the Net Interest Expense	1,726	(839)
Employer Contributions	461	293
Contributions by Scheme Participants	268	237
Benefits paid	(706)	(1,419)

Net increase in assets from disposals/acquisitions	0	0
Carried Forward as at 31st March	25,854	24,736

The expected return on scheme assets is determined by considering the expected returns available on the assets underlying the current investment policy. Expected yields on fixed interest investments are based on gross redemption yields as at the Balance Sheet date.

Expected returns on equity investments reflect long-term real rates of return experienced in the respective markets. The actual return on scheme assets in the year was a loss of £229k (£2,337k gain in 2018/19).

16.5 Scheme History

	2018/19 £'000	2019/20 £'000
Present Value of Defined Obligation	(25,553)	(26,254)
Fair Value of Plan Assets	25,854	24,736
Surplus / (Deficit)	301	(1,518)

The liabilities show the underlying commitments that the Joint Committee has in the long run to pay retirement benefits. The total liability of £1,518k has a substantial impact on the net worth of the Joint Committee as recorded in the Balance Sheet.

However, statutory arrangements for funding the deficit mean that the financial position of the Joint Committee remains healthy. The deficit on the local government scheme will be made good by increased contributions over the remaining working life of employees, as assessed by the scheme actuary.

16.6 Local Government Pension Scheme Assets

Local Government Pension Scheme Assets investments as at 31st December 2019 (full scheme not Central South Consortium element) are comprised as follows:

	Fair Value of Scheme Assets	
	2018/19 £'000	2019/20 £'000
UK Equities	345,524	347,778
Overseas Equities	1,726,196	2,228,117
UK Fixed Interest Gilts	407,756	391,863

Overseas Government Bonds	25,109	39,785
Overseas Corporate Bonds	36,166	52,598

Cash and net current assets	113,635	44,042
Total	3,211,773	3,783,579

16.7 Basis for Estimating Assets & Liabilities

Roll-forward of Assets

The valuation results from the last full valuation of the Fund (or results at the previous accounting date as appropriate) are adjusted to the accounting year-end allowing for:

- Investment returns, and
- Cash-flows including investment returns on those cashflows.

The asset value at the start of the accounting period is accumulated with the Fund investment return over the accounting period. Net cashflows are assumed to be paid half way through the period and accrue half of the Fund investment return over the period.

Roll-forward of Liabilities

The valuation results from the last full valuation of the Fund (or results at the previous accounting date as appropriate) are adjusted to allow for the later calculation date (by adding interest to the liabilities) and make allowance for changes in liabilities due to:

- The accrual of new benefits and the discharge of liabilities from the payment of benefits.
- The financial and demographic assumptions adopted at the year-end.
- The impact of any known experience affecting the liabilities, such as the impact of actual pension increases on pensions in payment and deferred benefits.
- If applicable, the impact of events which result in a change in the liability such as past service costs, settlements and curtailments.

The full valuation was based on funded benefits and the principal assumptions used by the actuary have been:

	31/03/19	31/03/20
Long-Term Expected Rate of Return on Assets in the Scheme (in line with the discount rate)	4.5%	4.5%
Mortality Assumptions:		
Longevity at 65 for current pensioners:		
Men	22.2	21.7
Women	24.1	24.0
Longevity at 65 for future pensioners:		
Men	23.9	22.7
Women	25.9	25.9

CPI Inflation	2.2%	2.0%
Rate of Increase in Salaries	3.45%	3.25%
Rate of Increase in Pensions	2.2%	2.0%
Rate for discounting scheme liabilities	2.4%	2.3%
Take-up of Option to Convert Annual Pension into Retirement Lump Sum:		
Post-2010 Service	80%	80%
Pre-2010 Service	80%	80%

The estimation of the defined benefit obligations is sensitive to the actuarial assumptions set out in the table above. The sensitivity analyses below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period and assumes for each change that the assumption analysed changes while all the other assumptions remain constant.

	Increase in Assumption £'000	Decrease in Assumption £'000
Longevity (Increase or Decrease in 1 Year)	841	(831)
Rate of Increase in Salaries (increase or decrease by 0.1%)	52	(51)
Rate of Increase in Pensions (increase or decrease by 0.1%)	504	(493)
Rate for Discounting Scheme Liabilities (increase or decrease by 0.1%)	(545)	557

16.8 Contributions for the Accounting Period ending 31st March 2020

The Employer's regular contributions to the Fund for the accounting period ending 31st March 2021 are estimated to be £182k (£343k as at 31st March 2020).

17.0 Retirement Benefits – Defined Contribution Scheme

Staff employed on Teachers terms and conditions are members of the Teachers' Pension Scheme. The scheme provides teachers with specified benefits upon their retirement and the Joint Committee contributes towards the costs by making contributions based upon a percentage of members' pensionable salary.

The Scheme is technically a defined benefit scheme. However, the Scheme is unfunded and the Department for Education uses a notional fund as the basis for calculating the employer's contribution rate paid by local authorities. The Council is not able to identify its share of underlying financial position and

performance of the Scheme with sufficient reliability for accounting purposes. For the purposes of this Statement of Accounts, it is therefore accounted for on the same basis as a defined contribution scheme.

In 2019/20, the Joint Committee paid £79k to the Teachers' Pension Fund in respect of teachers' retirement benefits, representing 16.48% (up to 31st August 2019) and 23.68% (from 1st September 2019) of pensionable pay (£73k was paid in 2018/19 representing 16.48% of pensionable pay). There were no contributions remaining payable at the year-end.

18.0 Events after the Balance Sheet Date

The draft, unaudited Statement of Accounts will be authorised for issue by the Director of Finance and Digital Services, as Chief Finance Officer, following approval by the Joint Committee. Events taking place after this date are not reflected in the financial statements or notes. Where events taking place before this date provide information about conditions existing at 31st March 2020, the figures in the financial statements and notes have been adjusted in all materials respects to reflect the impact of this information. There are no events that took place after 31st March 2020 requiring disclosure providing information that is relevant to an understanding of the Central South Consortium's financial position.

19.0 Reconciliation of Comprehensive Income and Expenditure Account to Cash flow

2018/19 £'000		2019/20 £'000
741	(Surplus)/Deficit on the Provision of Services	405

(8,949)	Cash (Inflow)/Outflow from Revenue Items	19,802

20.0 Officers' Remuneration

During 2019/20, the Consortium paid 80 employees on average every month (89 in 2018/19). Over the year, salary payments totalled £3,606k (excluding employer's national insurance and pension contributions) (£4,250k in 2018/19).

Under the Accounts and Audit (Wales) Regulations 2014, the Joint Committee must disclose in their accounts the number of employees (excluding specific

senior employees who are shown in Note 21.1) whose remuneration in the year fell in each bracket of a scale in multiples of £5,000 commencing at £60,000 (excluding pension contributions). The disclosure includes redundancy payments.

The following salary payments were made within the categories specified:

20.1 Senior Officers

The following table sets out the remuneration for specific Senior Officers whose salary is less than £150k but greater than £60k. There are no Senior Officers whose salary is greater than £150k. Employer pension contributions and compensatory payment in relation to loss of employment are included.

* Between 1st January 2019 and 29th February 2020 temporary senior management arrangements were put in place as set out in the above table. These comprised an Acting Managing Director position (the appointment to which was made from an existing Consortium post-holder i.e. Senior Lead – Business and Operations), a Temporary Senior Lead – Teaching and Learning Experiences (post-holder left 27th June 2019) and a Temporary Assistant Managing Director position (the appointment to which was made from one of the local authorities that comprise the Consortium). A permanent appointment to the Managing Director post took up the position from 1st March 2020 (following Joint Committee approval of the appointment on 19th November 2019) and for the period 1st March 2020 to 31st March 2020 two officers undertook the role of Temporary Assistant Managing Director as part of transitional arrangements. For the period 1st April 2019 to 31st March 2020 the post-holder of Senior Lead – Standards and Improvement Planning received an honorarium reflecting additional duties assigned as part of the temporary senior management arrangements.

The salary for the Director of Finance and Digital Services, who signs the accounts on page 11, is not included in this note as the post-holder is a senior officer of the Host Authority rather than the Consortium itself.

The comparative figures for 2018/19 are shown in the following table:

* During 2018/19 two post-holders left their positions: the Managing Director on 31st December 2018 and the Senior Lead – Strategy, Leadership & Workforce on 18th November 2018. A review commenced to consider, amongst other things, the future senior management structure requirements of the Consortium. From 1st January 2019 temporary senior management arrangements were put in place which continued into 2019/20.

21.0 Severance Costs

This note provides details of the cost of severance to the Consortium in respect of employees who have left the employment of the Consortium during the financial year (costs do not reflect the value of the severance received by the individual as it includes pension strain). All costs are in line with the relevant and applicable scheme of termination and as required under relevant Pension Fund Regulations where applicable.

CENTRAL SOUTH CONSORTIUM

DRAFT ANNUAL GOVERNANCE STATEMENT 2019/20

1. SCOPE OF RESPONSIBILITY

1.1 The Central South Consortium (CSC) is a Joint Education Service commissioned by five Local Authorities namely:

- Bridgend CBC;
- Cardiff CBC;
- Merthyr Tydfil CBC;
- Rhondda Cynon Taf CBC; and
- Vale of Glamorgan CBC.

The responsibilities of the CSC combined, cover the needs of 381 schools and approximately 148,683 pupils in the region.

1.2 In January 2014, Central South Wales Challenge was launched with the aim of raising standards across all schools within the Region and to stimulate the sharing of expertise amongst schools and joint efforts to innovate to:

- Improve the performance of every school;
- Increase the numbers of good and excellent schools;
- Reduce the gap between high and low performing groups of learners; and
- Improve outcomes for vulnerable groups of pupils.

Subsequently the Central South Wales Challenge has developed and is summarised by the following strategies:

- School Improvement Groups (SIGs);
- School to school brokered support;
- Hubs and Lead Practitioner Programme;
- Leadership & Peer Review; and
- Clusters.

1.3 Rhondda Cynon Taf County Borough Council (RCTCBC) is responsible for ensuring that its business and that of the Joint Education Committee, for which it has administrative responsibility, is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

1.4 In discharging this overall responsibility, the CSC is responsible for putting in place proper arrangements for the governance of its affairs and facilitating the effective

exercise of its functions, which includes the arrangements for the management of risk.

- 1.5 The Annual Governance Statement of the CSC aims to provide an accurate representation of the governance arrangements in place for financial year ending 31st March 2020.

2. **THE PURPOSE OF THE GOVERNANCE FRAMEWORK**

- 2.1 The governance framework comprises the systems, processes and cultural values by which the CSC is directed and controlled, and the activities through which it accounts to and engages with stakeholders. It enables the CSC to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost-effective services.
- 2.2 The system of internal control is a significant part of that framework and is designed to manage the risk to a reasonable level. It cannot eliminate all risk of failure to achieve aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness.
- 2.3 The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the CSC's priorities, to evaluate the likelihood and impact of those risks materialising, and to manage them efficiently, effectively and economically.
- 2.4 The CSC has responsibility for conducting, at least annually, an assessment of its governance framework including the system of internal control. The assessment is informed by the work conducted by external agencies and internal arrangements, including performance management arrangements.
- 2.5 The following paragraphs summarise the overall governance framework and the system of internal control, which has been in place for the CSC for the year ended 31st March 2020 (and up to the date of approval of the 2019/20 Statement of Accounts).

3. **THE GOVERNANCE FRAMEWORK**

- 3.1 The CSC has used the *Delivering Good Governance in Local Government: Framework (2016)* in compiling its Annual Governance Statement. The Framework comprises two Core Principles and five Supporting Principles:

Core principles

- Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law; and
- Ensuring openness and comprehensive stakeholder engagement.

Supporting Principles

- Defining outcomes in terms of sustainable economic, social and environmental benefits;
- Determining the interventions necessary to optimise the achievement of the intended outcomes;
- Developing the entity’s capacity, including the capability of its leadership and the individuals within it;
- Managing risks and performance through robust internal control and strong public financial management; and
- Implementing good practices in transparency, reporting and audit to deliver effective accountability.

3.2 The Core Principles permeate implementation of the Supporting Principles with the need for the CSC to be committed to improving governance on a continual basis through a process of evaluation and review.

3.3 The CSC has applied these principles to structure its Annual Governance Statement for financial year ending 31st March 2020 and to assess the arrangements in place.

3.4 The CSC has a range of governance arrangements in place, in line with the Delivering Good Governance in Local Government: framework, many of which are set out in the CSC’s legal agreement and / or are part of the governance arrangements of RCTCBC that have been adopted by the CSC. Table 1 provides examples of the key systems, processes and documents in place within the CSC during 2019/20.

to deliver effective accountability	
-------------------------------------	--

3.5 Legal Agreement

On the 20th April 2015 all parties entered into and signed a revised legal agreement which superseded all previous legal agreements between the Partners. This agreement consolidated the legal arrangements relevant to the CSC into one Agreement. From this point forward within the Annual Governance Statement, reference will be made to the 'Legal Agreement'.

3.5.1 The Legal Agreement for the Central South Consortium Joint Education Service Joint Committee provides the governance framework within which the Service operates and allocates responsibility and accountability, as follows:

- The Host Authority;
- The Directors' Steering Group;
- The Advisory Board;
- Operational Management Group;
- Central South Consortium Joint Education Committee; and
- Financial Management.

3.6 The Host Authority

The Legal Agreement formally assigns RCTCBC as the Host Authority for the CSC. RCTCBC provides all support services (save for the day to day administration undertaken by staff in accordance with their duties) required, including but not limited to:

- Financial (Section 151 Officer as defined by section 151 of the Local Government Act 1972, Accounts, Payroll, Creditors, Debtors, Insurance);
- Human Resources;
- Health & Safety;
- Legal;
- ICT;
- Estates;
- Internal Audit; and
- Procurement.

The costs of which, where relevant, are charged to the Central South Consortium Joint Education Service Joint Committee through Service Level Agreements.

3.7 The Constitution of RCTCBC, which has the financial stewardship of the CSC, allocates functions and responsibility within the Authority. It also regulates the behaviour of individuals (Members & Officers) and groups through codes of

conduct, protocols and rules of procedure. All functions undertaken by the CSC should be done so in accordance with all relevant Policies and Procedure Rules of RCTCBC.

3.8 Officer Conduct

To ensure a consistent approach to working practices and processes, all officers are subject to the terms and conditions of employment (which are based on RCTCBC's operating terms and conditions).

4. **ASSESSING THE CSC'S GOVERNANCE ARRANGEMENTS**

4.1 In line with the Core and Supporting Principles of the Framework, the approach taken to assess the CSC's arrangements has been to:

- Set out a brief description of the arrangements and procedures in place together with the key outcomes the CSC is aiming to achieve;
- Examine and document the main activities that have taken place around these areas, taking account of supporting evidence from the CSC's internal processes and Wales Audit Office reports published on the CSC;
- Form a view on the extent to which the activities comply with the procedures in place; and
- Make proposals for improvement, where appropriate, together with recommended timescales for implementation and responsible officers.

4.2 The assessment of the CSC's governance arrangements is set out in Section 5.

5. **ASSESSMENT OF GOVERNANCE ARRANGEMENTS**

5.1 **PROGRESS MADE TO IMPLEMENT RECOMMENDATIONS REPORTED IN THE 2018/19 ANNUAL GOVERNANCE STATEMENT**

The 2018/19 Annual Governance Statement made 7 proposals for improvement. An update on progress was reported to the Central South Consortium Joint Education Service Joint Committee on 21st January 2020 and following consideration the Committee RESOLVED: *to note the progress that has been made to date in implementing the proposals for improvement.*

As at 31st March 2020, progress had been made against all of the 7 proposals:

- 4 proposals for improvement had been implemented;
- 2 proposals for improvement were 'in progress' and will be completed during 2020/21 – it is considered that the part implementation status for these 2 areas did not have an adverse impact on the robustness of the CSC's governance arrangements during the year; and
- 1 proposal for improvement is 'on-going', this being by the nature of the proposal to ensure there continues to be awareness raising of whistle-blowing and anti-fraud arrangements for employees.

5.1.1 Based on the above, it is considered that overall, sufficient progress has been made during 2019/20 in the delivery of the proposals for improvement with the requirement for further work to be completed in 2020/21. A detailed position statement is set out at Appendix A.

5.2 BEHAVING WITH INTEGRITY, DEMONSTRATING STRONG COMMITMENT TO ETHICAL VALUES, AND RESPECTING THE RULE OF LAW

Behaving with integrity

5.2.1 The CSC follows the Host Authority Constitution which sets down how it should operate, how decisions need to be made and the procedures to be followed to ensure they are efficient, transparent and available to local people. Within the Constitution there are a number of [Rules](#)⁴ and [Protocols](#)⁵ that aim to ensure both elected Councillors and employees behave with integrity.

5.2.2 The CSC has put in place procedures to be followed by the Joint Education Committee when conducting meetings and making decisions during the year to publicly demonstrate an accountable, open and honest approach. This has included considering the accuracy of 'meeting minutes'⁶; recording declarations of personal interest; publishing reports on RCT's website five working days prior to meetings taking place; making decisions based on evidenced based reports; and publishing the minutes of meetings. A review of a sample of Joint Education Committee meetings during the year revealed that the above mentioned procedures had been followed.

CSC employees

5.2.3 The CSC Legal Agreement outlines the role of RCTCBC as the host authority. As part of this agreement, the CSC adopts the policies of RCT including an Officer Code of Conduct that has been used to create an easy to understand

⁴ Rules – for example, Financial and Contract Procedure Rules

⁵ Protocols – for example, Gifts and Hospitality Policy

⁶ Meeting minutes – a formal and agreed record of the events that took place at each meeting.

'Basic Rules – A Guide for Employees' and includes information in relation to, amongst other things, expected behaviour, use of social media, appearance and attendance. The guide is available on-line for all employees.

- 5.2.4 All officers who started employment with the CSC were provided with a local induction. In parallel, an Individual Performance Review process was in place to support the personal development of officers, this being overseen by management within the CSC and supported by the Human Resources Service within Rhondda Cynon Taf.

Arrangements in place to tackle potential misappropriation

- 5.2.5 [In the event that an officer decides to operate outside of the intended terms and conditions of employment, arrangements were in place for officers to "blow the whistle" through the CSC's Whistleblowing Policy & Procedure.](#)

- 5.2.6 In addition to the Whistleblowing arrangements, there were arrangements in place to tackle potential [fraud, bribery and corruption.](#)

- 5.2.7 RCTCBC's Audit Committee has overall responsibility for overseeing the governance arrangements in place in respect of 'tackling potential fraud, bribery and corruption' and 'whistle-blowing'. Updates received by Audit Committee during the year in respect of these arrangements were:

- [Anti-Fraud, Bribery & Corruption](#)

An Anti-Fraud, Bribery & Corruption Progress Report for 2019/20 was reported to Audit Committee on 17th December 2019 that set out progress against the programme of work for 2019/20. The report concluded that progressing the Anti-Fraud, Bribery & Corruption work programme for 2019/20 will ensure the Council continues to operate within an effective anti-fraud culture across the organisation, with resilient preventive measures capable of identifying and addressing new threats. Audit Committee reviewed the update and acknowledge the outcomes of the anti-fraud work progress during 2019/20.

The Annual Report for 2019/20 was due to be reported to Audit Committee on 27th April 2020 in accordance with the agreed [work plan](#) for 2019/20. Due to the impact of COVID-19, this meeting was cancelled and arrangements will be made as soon as is practicable for an Audit Committee to be convened and the Annual Report presented and scrutinised. Based on the anti-fraud, bribery and corruption information reported during 2019/20 (i.e. the progress report in December 2019), it is considered that sufficiently robust arrangements were in place.

- Whistle-Blowing

As part of the Annual Governance Statement 2018/19 Progress Update reported to Audit Committee on 17th December 2019, assurance was provided that on-going staff awareness raising is taking place for this area, for example, the whistle-blowing policy being highlighted as part of the staff and manager induction processes and a pay-slip insert issued in December 2019 raising awareness of the policy and how to 'blow the whistle'. A Whistle-Blowing Annual Report for 2019/20 was scheduled to be reported to the 27th April 2020 Audit Committee and, as referenced above, arrangements will be made as soon as is practicable for an Audit Committee to be convened and the Annual Report presented and scrutinised. As part of year-end arrangements, discussions have taken place with the Director of Human Resources to establish the extent of whistle-blowing activity during the year; this has confirmed that a number of whistle-blowers have come forward during 2019/20, all have been fully investigated by the Council's Human Resources Service and appropriate action, where deemed required, has been taken. This position, prior to Audit Committee considering an Annual Report, indicates a general awareness of the policy / how to 'blow the whistle' within the Council and a culture whereby staff are prepared to do so.

5.2.8 Work in this area has also been informed by the results of the Staff Survey undertaken in 2018, the results of which were reported to Audit Committee on 4th February 2019. This information has been re-reviewed in 2019/20 and concluded that there were no pockets of service areas where awareness is low and that the data indicated a general lack of awareness, rather than being service specific. A series of actions are being taken to address this, as reported in the Annual Governance Statement 2018/19 Progress Update reported to Audit Committee on 17th December 2019 (as referred to in paragraph 5.2.7 above).

5.2.9 Gifts and Hospitality Policy - the CSC has a Gifts and Hospitality Policy and arrangements were in place, via registers, to record gifts and hospitality in line with the Policy.

Demonstrating strong commitment to ethical values

5.2.10 Ethical Values: CSC employees - the CSC has described what excellent behaviour looks like for each type of job, for example, '*always treat people with respect*', and this information is used to test candidates suitability for jobs at interview and is used to inform discussions managers have with their staff as part of their development.

The Council's supply chains

- 5.2.11 RCTCBC plays a significant and leading role in the utilisation of national framework contracts as well as local contractual arrangements. The Council is responsible for ensuring that its business is conducted in accordance with the law, applies high ethical values, that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. In order to maximise the potential wider benefits when contracting with external organisations it is essential that the delivery of community benefits, and support of local small and medium sized enterprises (SME's) are considered as part of the procurement process. In addition, as a publicly funded organisation the Council has a responsibility to ensure that ethical and fair practices are in place throughout the contracted supply chains as far as it practicably can.

The Welsh Government has issued three key initiatives in support of these wider benefits that should be taken into account as part of the procurement process:

- [Community Benefits](#) – helps drive the creation of employment and training opportunities including apprenticeships, support for small and medium sized enterprises and delivery of community, educational and environmental initiatives.
- [Code of Practice Ethical Employment in Supply Chains](#) - focuses on influencing a high standard of ethical employment practices by external suppliers, service providers and contractors.
- [Opening Doors: the Charter for SME Friendly Procurement](#) - seeks to create a fair and open environment in which we can all do business together and address issues of particular concern to Small and Medium-sized Enterprises (SMEs).

A Draft Policy has been developed by the Council and will be incorporated into the Cabinet's work programme for 2020/21 for consideration and if deemed appropriate, approval. An approved version will then be shared with the CSC to ensure contracting arrangements are in line with the agreed Policy.

Respecting the rule of law

- 5.2.12 The Managing Director position leads the CSC's officers and chairs the Senior Leadership Team.
- 5.2.13 During the 2018/19 financial year, two senior post holders left their positions and, following this, a review commenced to consider future senior management structure requirements for the CSC. The initial outcome of that review was for temporary senior management arrangements to be put in place from January 2019 and to continue into 2019/20. Based on this, for the period 1st January 2019

to 29th February 2020 appointments to an Acting Managing Director position (the appointment to which was made from an existing CSC post-holder i.e. Senior Lead – Business and Operations) and a Temporary Assistant Managing Director position (the appointment to which was made from one of the local authorities that comprise the CSC) were made. A permanent appointment to the Managing Director role was approved by Joint Committee at the meeting held on the 19th November 2019 and the post-holder took up the position from 1st March 2020. In addition, the Joint Committee meeting of the 21st January 2020 agreed the creation of a Deputy Managing Director position and provided authorisation for the Lead Chief Executive in conjunction with the representatives of the five local authorities to appoint the role of Deputy Managing Director; and appointment was made effective from 1st April 2020. The above mentioned temporary arrangements ceased further to the permanent appointments being made and / or by 31st March 2020.

5.3 ENSURING OPENNESS AND COMPREHENSIVE STAKEHOLDER ENGAGEMENT

Openness

5.3.1 Members of the Central South Consortium Joint Education Service Joint Committee are governed by the Code of Conduct of their relevant Council. The Codes of Conduct for Councillors and employees within the Constitution of the Host Authority are built on the principles of openness, transparency and honesty.

General Data Protection Regulation

The General Data Protection Regulation (GDPR) came into force on the 25th May 2018. The CSC took steps during 2018/19 to demonstrate accountability and transparency when handling and processing personal and sensitive information that it holds in respect of individuals. These arrangements were maintained during 2019/20 by:

- The CSC adopting the updated Data Protection Policy within RCT CBC;
- Formally recording the lawful basis upon which data / information is processed within suites of documents called Data Protection Registers; and
- Establishing 'Privacy Notices' that are available on the CSC's website setting out how it intends to use information and how it will deliver its services and statutory responsibilities.

An internal group has met regularly within CSC, comprising leads from varying teams within the CSC. The group has developed relevant policy papers and refined processes and procedures to ensure GDPR compliance, working closely with RCT CBC Information Management team.

It is considered that the publication of this information continues to support the CSC in complying with the GDPR and demonstrates openness and transparency when dealing with its customers.

Freedom of Information

The CSC operated a Freedom of Information (FOI) Act 2000 publication scheme in accordance with legislative requirements. FOI updates are provided to the Joint Committee on an annual basis and during 2019/20 2 FOI requests were received and were responded to within 20 working days. This information is scheduled to be reported to the Joint Committee on 15th June 2020.

Planning ahead

- 5.3.2 The CSC consulted with stakeholders on its vision and priorities for 2019/20 and set these out in a document called 'Business Plan 2019/20'; this Plan was agreed by Joint Education Committee on 28th March 2019. During 2019/20, the Joint Committee has received business plan priority updates as self-standing agenda items and a review of business plan progress is reported annually (the latest review, relating to 2018/19, was reported to Joint Committee on 15th July 2019). Based on the updates provided, it is considered that appropriate and regular information is made available to the Joint Committee to review and challenge performance and hold Management of the CSC to account.
- 5.3.3 In parallel, a detailed implementation plan was reported to Joint Committee on 19th December 2019 setting out progress made to date by the CSC to progress the recommendations made through the ISOS review⁷. The report also set out actions to progress and next steps, and these will be taken account of as part of remodelling the CSC.
- 5.3.4 Looking ahead, it is likely that there will be uncertainty on future year resource levels provided by the UK Government to Welsh Government due to, amongst other things, the impact of COVID-19 and Brexit. The CSC has been provided within an indicative budget across a 3 year time horizon (2020/21 to 2022/23), agreed by the Joint Committee on 21st January 2020, that will help to frame medium term service planning and re-modelling options.

⁷ ISOS Review – a review commissioned by the Joint Committee in October 2018 to undertake an independent review of the Consortium. The context to the review was the national changes to the education system and the financial pressures facing schools and Local Authorities.

Openness – Forward work programmes

The CSC has in place a forward work plan of Committee meetings together with the matters to be considered and the 21st May 2019 Joint Committee meeting agreed and published a calendar of meetings for 2019/20 municipal year.

Decision making and scrutiny of decisions made

- 5.3.5 During the year, the Central South Consortium Joint Education Service Joint Committee made key decisions, for example, reviewing and agreeing the CSC Business Plan, Core Revenue Budget and Annual Governance Statement.
- 5.3.6 The Central South Consortium Joint Education Service Joint Committee is one of the main decision making bodies within the CSC and throughout 2019/20 received 34 reports, 27 of which were made publicly available prior to the meetings and 7 were excluded from the press / public on the grounds that the items of business involved the likely disclosure of exempt information.
- 5.3.7 Key decisions were also taken by the Directors of Education from each of the local authorities at the Director Steering Group meetings.
- 5.3.8 Based on the above information it is considered that the decision making arrangements that operated during 2019/20 were open and transparent, and compliant with the CSC's Legal Agreement.
- 5.3.9 Finally, a review of a sample of Joint Education Committee Reports for 2019/20 has confirmed that a consistent format was used.

Engagement with stakeholders

- 5.3.10 The arrangements for engagement with stakeholders were as follows:
- **The Advisory Board** - The purpose of the Advisory Board is to support the Managing Director in ensuring that the strategies of the CSC align themselves with the needs of all Parties to raise educational standards.

The membership, decision making process, meetings and the terms of reference for the Advisory Board are documented within Schedule 2 of the Legal Agreement. For 2019/20, an Advisory Board meeting was not convened due to a review of the CSC's governance structure being undertaken. During this period, the strategic direction of the CSC was directed by the Chief Executives and Directors of Education of the 5 constituent local authorities alongside Senior Management of the CSC.

- **Directors' Steering Group** – The Directors' Steering Group comprises the Directors of Education from each of the five local authorities that make up the CSC. This group is responsible for delegated decision making on behalf of each local authority.

The membership, decision making process, meetings and the terms of reference for the Director's Steering Group are documented within Schedule 2 of the Legal Agreement.

Directors and Headteacher representatives from the Delegate Head Teacher Group and Representative Stakeholder Group identified during the ISOS Review the need to include Headteachers within the overall Governance model of the CSC as part of a school-led self-improving system. It is noted that this work will be progressed during 2020/21.

- **Senior Leadership Group** - The Group comprises the senior management team of the CSC as well as Senior Challenge Advisers for each local authority. Senior officers with strategic responsibilities are also part of the leadership group. The objective of the group is to deliver school improvement activities with the aim of raising educational standards.

The membership, decision making process, meetings and the terms of reference for all groups are documented within Schedule 3 of the Legal Agreement.

- **Central South Consortium Joint Education Service Joint Committee**

The Joint Education Committee comprises of one elected Member from each Council and one officer representative with responsibility for Education from each Council.

The Joint Education Committee has the powers of each Council with reference to the provision of a Joint Education Service and its performance as set out in the Legal Agreement and guided by the Welsh Government's 'National Model for Regional working'.

The purpose of the Joint Education Committee is to be responsible for the decision making, approval of the business plan, monitoring and accountability and financial reporting of the CSC arrangements in line with its own business plan.

The membership, decision making process, meetings and the terms of reference for the Joint Education Committee are documented within Schedule 4 of the Legal Agreement.

- 5.3.11 There were a broad range of communication methods on offer to encourage stakeholders to express their views during 2019/20; this included social media, focus group discussions with strategy groups as well as an annual survey of schools.

Proposal for improvement

- 5.3.12 Finalise the review of the overall governance structure for the CSC to ensure increased engagement in the decision making process from headteachers across the region in line with the requirements of the revised National Model for Regional Working when published and the recommendations from Joint Committee following the ISOS review

5.4 DEFINING OUTCOMES IN TERMS OF SUSTAINABLE ECONOMIC, SOCIAL, AND ENVIRONMENTAL BENEFITS

Defining outcomes

- 5.4.1 The CSC's 'Business Plan 2019-2020, as approved by Joint Education Committee on the 19th December 2018, identified six overarching improvement priorities :-
- Develop a high quality education profession;
 - Develop inspirational leaders to facilitate working collaboratively to raise standards;
 - Develop strong and inclusive schools committed to wellbeing, equity and excellence;
 - Develop robust assessment, evaluation and accountability arrangements supporting self-improving systems;
 - Provide professional learning opportunities to support the curriculum for Wales; and
 - Improve the effectiveness and efficiency of CSC.
- 5.4.2 The CSC's Revenue Budget for the 2019/20 financial year was approved at the 19th December 2018 Joint Committee meeting, aligning resources to business plan priorities.
- 5.4.3 Following approval of the Business Plan and Revenue Budget, Operational Plans were put in place for each priority, in line with resources available, that detailed what outcomes were being aimed for, the actions to be delivered with timescales for delivery and performance indicators.

- 5.4.4 A review of performance indicator targets included within the Business Plan identified that there is a clear ambition for the CSC to improve in its priority areas.
- 5.4.5 Throughout 2019/20 action plan progress updates have been made public through Joint Education Committee meetings that also contain information on financial performance, strategic risks and investment linked to Business Plan priorities. This has included preparation for Curriculum Reform.

Progress with the Business Plan has also been monitored by Welsh Government as part of Challenge and Review Sessions during the year. For 2019/20, 97% of the CSC's Business Plan was funded from Welsh Government Awards of Funding

Proposal for Improvement

- 5.4.6 Further develop the Medium Term Financial Plan during 2020/21 to ensure resources are allocated / categorised over Business Plan priorities to demonstrate or otherwise the prioritisation of resources and set out service options in line with indicative funding allocations agreed by Joint Committee.

5.5 DETERMINING THE INTERVENTIONS NECESSARY TO OPTIMISE THE ACHIEVEMENT OF THE INTENDED OUTCOMES

Determining and planning interventions

- 5.5.1 The CSC's Legal Agreement lays down the key requirements to be followed when setting its priorities, reporting the extent of progress made in priority areas and also the financial planning and management arrangements that support this. These include the requirement to:
- Agree the draft School Improvement Service annual revenue budget by the 31st December prior to the start of the financial year and submit to each of the Parties for approval with the business plan to be agreed by the 1st February; and
 - Publish financial and performance progress updates on a termly basis during the year, which will include explanations of any variances against the profiled budget.
- 5.5.2 When the above requirements were reviewed for the 2019/20 financial year:
- Performance Reports were presented to the Joint Education Committee and the Local Authority Scrutiny Committees during the year, with

performance reports also presented to the Minister as part of the Challenge and Review meetings. A review of information reported during the year identified that updates on financial performance; progress against Business Plan priorities; and strategic risks were reported to Joint Committee meetings. In addition, the information reported also highlighted and explained exceptions and noted where corrective action would be taken.

- 5.5.3 Based on the above, it is considered that the information published during the year would provide opportunity for stakeholders to understand the CSC's performance and hold it to account.

Optimising achievement of intended outcomes

- 5.5.4 The CSC's Business Plan set out how the agreed 5% reduction in core funding would be delivered and managed during 2019/20.
- 5.5.5 With this context in mind, the CSC took steps to plan the allocation of resources and put in place arrangements to maximise its impact.

Maximising impact

- 5.5.6 In 2018-2019^[1], Welsh Government ceased the publication of any information related to the performance of Foundation Phase, Key Stage 2, Key Stage 3 and Welsh National Tests below the National level. As a consequence of this change, information relating to the performance of Local Authorities and Regional Consortia is no longer in the public domain and as such is removed from inclusion in this section of the report. In addition, the performance measures for Key Stage 4 were changed for reporting in summer 2019 and new interim performance measures were introduced that look at average points scores rather than threshold measures. Therefore, no trend information is available for Key Stage 4 interim performance measures in this report.

At KS4, the region exceeds the national performance for four of the five interim performance measures and is within 0.2 points for the remaining measure.

The gap in performance at KS4 between eFSM and non eFSM pupils in the region at KS4 is narrower than the national gap for two of the five interim measures and is wider than the national gap for the remaining three interim measures.

- 5.5.7 The individual Local Authority scrutiny committees have provided review and challenge on performance results during the year, either through their own work

^[1] All performance measures are as reported in the Summer Term 2019. (Academic Year 2018/19)

programme arrangements or as a result of in-year performance exceptions being scrutinised in more detail.

- 5.5.8 A co-ordinated scrutiny group consisting of all five local authority scrutiny chairs has provided limited review and challenge on performance and other areas of interest identified by Members.

5.6 **DEVELOPING THE ENTITY'S CAPACITY, INCLUDING THE CAPABILITY OF ITS LEADERSHIP AND THE INDIVIDUALS WITHIN IT**

Developing the entity's capacity

- 5.6.1 The CSC aims to ensure that staff have the skills, knowledge and capacity they need to discharge their responsibilities and recognises the value of well-trained and competent people in effective service delivery.

The Self Evaluation processes within the CSC ensure a rigorous assessment of the current position and areas for improvement. This evaluation is incorporated into service level planning processes as well as ensuring alignment with national and local authority priorities.

Effectively managing the workforce – the CSC has consistently become more efficient on a year-on-year basis, driven by both proactive and prudent management and also on-going reductions in funding, and at the same time:

- Supported an overall direction of travel of improved performance results in priority areas (see section 5.5.6);
- Continued to operate a system of agile working arrangements that has taken advantage of digital technology to help the CSC to work in new and different ways to meet school needs, reduce costs, support staff productivity and help contribute to a healthy work / life balance for employees. During 2019/20 the CSC also maximised the use of space within the Valleys Innovation Centre by downsizing to occupy one area of the building and in parallel introduced the use of Office 365 and Hwb⁸ to further improve digital competence of the workforce.
- Aligned the on-going modernisation of its arrangements to RCTCBC's Digital Strategy.

⁸ Hwb – digital platform for learning and teaching in Wales

5.7 **Developing the capability of the entity's leadership and other individuals**

- 5.7.1 The CSC's Legal Agreement, sets out the responsibilities of the Managing Director, the Joint Education Committee and Advisory Group (Schedule 2). A review of a sample of delegated decisions made during the year confirmed that decisions were approved by the designated Joint Education Committee members and employees.

Developing the capabilities of councillors

- 5.7.2 During 2019/20 specific training was provided to Members of the Joint Committee as well as local authority Scrutiny Members around the changes to the interim KS4 performance measures, with training provided by the CSC as well as Welsh Government facilitated sessions.

Developing the capabilities of employees

- 5.7.3 The CSC is committed to staff development, in line with business needs, to help ensure it has a 'fit for purpose' workforce. During the year this has included staff induction sessions, Leadership and Middle Management Development Programmes, Staff Briefings and a range of operational training such as Curriculum for Wales, National Mission and Lead Creative Schools, Schools as Learning Organisations and Initial Teacher Education. Staff development has been supported through induction sessions, RCT Manager Briefings and a range of relevant leadership training such as SLII (situational leadership), the ALN Bill and Wellbeing.

Proposal for Improvement

- 5.7.4 Build on the programme of training and support using the information gathered from the Consortia as a Learning Organisation to drive improvement areas and support distributed leadership and ownership of professional learning (taking into account new support requirements / delivery modules as a result of COVID-19).

5.8 **MANAGING RISKS AND PERFORMANCE THROUGH ROBUST INTERNAL CONTROL AND STRONG PUBLIC FINANCIAL MANAGEMENT**

Managing risk

- 5.8.1 During 2019/20 the CSC continued with the half termly updating of its risk change template in line with its business plan monitoring and risk policies. This

information was presented to the Senior Leadership Team for approval in readiness for the new academic year.

- 5.8.2 This risk change template is updated by all risk owners and then presented for review by the Senior Leadership Team. This is included within the CSC dashboard on a half termly basis. Following on from this it is issued to both Directors and Joint Committee meetings for final review. During the spring term the risk change template was presented to Directors on the 21 January 2020. Once this process is completed the risk register is finalised.

New risks were incorporated into the register during the year. For example, the CSC recognised there were insufficient leaders coming forward for headship posts in the region which significantly impacts on the capacity to improve in the region especially in faith, Welsh medium and small schools. This has been incorporated into the Risk Register, with accompany actions to address, and will be reported and monitored by the Joint Committee.

Managing performance

- 5.8.4 The 'Determining and planning interventions' section (5.5.1) of this Annual Governance Statement provides an overview of the CSC's Performance Management arrangements. Performance at strategic level is driven and measured through the CSC's drive teams. Five drive teams have been established to ensure the effective delivery and impact of the priority plans aligned to the 2019/20 CSC business plan.

Robust internal control

- 5.8.5 The membership and meeting frequency of the CSC's Joint Education Committee during 2019/20 was in line with the CSC's Legal Agreement.

Internal Audit

The Head of Internal Audit will present the Internal Audit Annual Report 2019/20, based on the work of Internal Audit during the year, to the Council's Audit Committee in due course. Subject to consideration and approval by Audit Committee, the draft conclusion of the Head of Internal Audit is '*...the overall system of internal control within the Council operated effectively during 2019/20 with no areas identified for improvement.*'

Managing data

- 5.8.6 An Information Management Plan is in place in RCTCBC that sets out the framework, including legal requirements, for information management within

the CSC. This work has been reviewed to ensure compliance with new GDPR regulations.

5.8.7 A review of arrangements in place during 2019/20 identified that they were in line with laid down requirements because:

- Key responsibilities were formally designated within the CSC: The CSC's designated Senior Information Management Risk Officer (SIRO) was the Managing Director or equivalent, there was an Information Management & Data Protection Act Officer within the host authority who reports to the Service Director – ICT and Digital Services;
- An Information Management Board was in operation in RCTCBC, Chaired by the SIRO, with the Board being supported by an Information Management Working Group;
- Information was available on the RCTCBC website in respect of Data Protection and Freedom of Information, and had in place a [Publication Scheme](#) (which has been adopted by the CSC) in accordance with the Council's responsibilities under the Freedom of Information Act 2000; and
- The Host Authority continued to secure its annual accreditation to the Public Service Network (PSN) in September 2019 i.e. The 'PSN' is the Council's connection to the wider public sector network (Council to Council, Council to Government e.g. Department for Work and Pensions) to enable the Council to communicate and share data securely across all public bodies.

Proposal for Improvement

5.8.9 The CSC should report on a periodic basis, for example annually, its work and performance around Information Management and provide opportunity for review and scrutiny by the Joint Education Committee. This would include:

- SIRO schedule should be agreed with RCT CBC;
- Update all General Protection registers;
- Update the Information Sharing Protocols; and
- Update all related data retention policies.

Strong public financial management

5.8.10 Schedule 5 of the Legal Agreement provides the framework within which the finances of the Joint Education Service operate. The Financial Protocol provides the financial framework and relationship between the Parties (the

Councils), the Host and the CSC. The following areas of business are documented in the Legal Agreement

- General Principles
- Contributions and charging mechanisms;
- Payment arrangements;
- Budgetary control & monitoring;
- Capital Expenditure & long term contracts;
- Annual Accounts & Audit; and
- Financial insolvency.

5.8.11 The Legal Agreement requires the Joint Education Committee to hold at least termly meetings throughout the year. Standard agenda items include a report from the Treasurer.

5.8.12 RCTCBC's Financial Procedure Rules provide guidance in relation to all financial matters. The CSC has adopted Rhondda Cynon Taf's Financial & Contract Procedure Rules – as confirmed in Section 17 (Schedule 4) of the Legal Agreement:

“Rules and Procedure

For the avoidance of doubt the Central South Consortium Joint Education Committee shall, where relevant and subject to the provisions of this Agreement, operate in accordance with the Host's schemes of delegation, Rules of Procedure and policies from time to time.”

5.8.13 Audit Wales⁹ audits the CSC's annual statement of accounts and the outcome from the audit being reported to the Joint Committee.

5.8.14 The CSC's financial and operational performance is monitored and scrutinised by the Joint Education Committee

The Joint Education Committee receives reports from:

- The Treasurer;
- The Managing Director; and
- Officers, relevant to the operations and governance of the organisation.

5.8.15 During 2019/20 the role of the Chief Financial Officer at RCTCBC was compliant with the principles of the CIPFA Statement – Role of the Chief Financial Officer in Local Government 2010.

5.8.16 **Internal Audit**

During 2019/20 Internal Audit reviewed one core financial system (i.e. the General Ledger) of the Central South Consortium Joint Education Service, in

⁹ Audit Wales – previously the Wales Audit Office

line with the agreed Internal Audit Annual Plan, and concluded there to be no material weaknesses.

5.8.17 **External Audit**

The latest audited statement of accounts (i.e. for the 2018/19 financial year) received an unqualified audit report (i.e. clean bill of health) and were approved at the meeting of the Joint Education Committee on 15th July 2019, this being in advance of the statutory deadline of 15th September. It is noted that the Treasurer to the Joint Committee reported to the 21st May 2019 meeting (in presenting the draft statement of accounts), 'Looking ahead, I consider the CSC continues to be well placed to meet the earlier timescales, as set out above, for the production and publication of Statement of Accounts in future years'.

5.8.18 The CSC has continued to publicly demonstrate its commitment to strong and responsible financial planning and management, and has supported this through the delivery of sound financial performance during a period of reducing budgets. This is because:

- The CSC has adopted a suite of protocols supporting strong financial planning and management, for example, 'Financial Procedure Rules' and 'Contract Procedure Rules', that were complied with during the year;
- The CSC set a Gross Revenue Budget in December 2018 for the financial year 2019/20 of £3,710,853, representing a reduction of 5% compared to the previous year. Financial performance results were publicly reported every term during the year and scrutinised by the Joint Education Committee. The final outturn position, subject to Joint Committee approval at the June 2020 meeting, demonstrates the delivery of a balanced budget for the 2019/20 financial year after setting aside specific earmark reserves to support the completion of activities that have been delayed as a result of COVID 19.
- The CSC is financially stable with General Reserve balances increasing slightly from £137k to £138k (subject to audit); having a track record over a number of years of setting and delivering balanced revenue budgets; and having 'clean bills of health' on its year end accounts when audited by the Audit Wales (previously Wales Audit Office).

5.8.19 The latest Wales Audit Office report 'Audit of Financial Statements Report and Management Letter' reported to Joint Education Committee on 15th July 2019 concluded that the accounting statements and related notes:

- Give a true and fair view of the financial position of the Central South CSC Joint Education Service as at 31 March 2019; and
- Have been properly prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2018-19.

5.8.20 The 15th July 2019 Wales Audit Office report did not make any recommendations to be addressed by CSC and the Host Authority.

5.9 **IMPLEMENTING GOOD PRACTICES IN TRANSPARENCY, REPORTING, AND AUDIT TO DELIVER EFFECTIVE ACCOUNTABILITY**

Implementing good practice in transparency and reporting

5.9.1 The CSC has implemented an open and consistent approach to reporting its business, as set out in sections 5.4 and 5.5 of this Annual Governance Statement, with the aim of helping to ensure information is understandable to stakeholders and that they have the opportunity to challenge the CSC's performance, plans and decisions.

5.9.2 A review of a sample of information reported to the Joint Education Committee has revealed that:

- Annual Reports and Plans are reported publicly, providing an overview of performance, for example, the Council's audited Statement of Accounts 2018/19 reported and approved by Joint Education Committee on 15th July 2019 in line with the statutory timeframe; and
- Use is made of electronic links within reports to provide the reader with more detailed information should they require it; and
- The minutes of meetings confirm that designated officers attend each meeting to orally present reports and answer questions, and a number of occasions were noted where updates were delivered via presentations, for example, using slides.

6. **OVERALL ASSESSMENT OF THE CONSORTIUM'S ARRANGEMENTS**

6.1 Based on the assessment undertaken, it is considered that the CSC's governance arrangements were fit for purpose and publicly demonstrated how they contributed to the delivery of improved school performance outcomes overall as set out in the Business Plan.

6.2 The overall conclusion has been based upon:

- An open approach to engaging with stakeholders, planning and delivering services, and reporting and scrutiny of the CSC's performance;
 - Clear arrangements for decision making that were supported by robust service management and financial management arrangements;
 - The reporting of understandable priorities and ambition, as set out in the CSC's Business Plan, with progress reports demonstrating an overall direction of travel of improvement in outcomes and performance at the same time as maintaining financial stability;
 - Sound arrangements to support elected Councillors and Officers in the effective discharge of their responsibilities and also in maintaining high standards of conduct when undertaking business on behalf of the CSC; and
 - A medium term approach to financial planning that helped inform strategic decision making and prioritisation of resources.
- 6.3 Notwithstanding this overall position, the assessment has identified areas where improvements are deemed necessary to further reinforce the effectiveness of the CSC's current arrangements. These are set out in Section 7.
- 6.4 Looking ahead, the robust governance arrangements in place within the CSC, together with implementing the proposals for improvement set out in Section 7, will be critical in supporting the organisation to re-model itself and also continue to provide an effective school improvement service during the recovery period from COVID 19.

The independent auditor's report of the Auditor General for Wales to the members of Central South Consortium Joint Education Service Joint Committee

Report on the audit of the financial statements

Opinion

I have audited the financial statements of Central South Consortium Joint Education Service Joint Committee for the year ended 31st March 2020 under the Public Audit (Wales) Act 2004.

The Central South Consortium Joint Education Service Joint Committee financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement and the related notes, including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and the Code of Practice on Local Authority Accounting in the United Kingdom 2018/19 based on International Financial Reporting Standards (IFRSs).

In my opinion the financial statements:

- give a true and fair view of the financial position of Central South Consortium Joint Education Service Joint Committee as at 31st March 2020 and of its income and expenditure for the year then ended; and
- have been properly prepared in accordance with legislative requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK (ISAs (UK)). My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Central South Consortium Joint Education Service Joint Committee in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the responsible financial officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about Central South

Consortium Joint Education Service Joint Committee ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The responsible financial officer is responsible for the other information in the annual report and accounts. The other information comprises the information included in the annual report other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated later in my report, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other matters

In my opinion, based on the work undertaken in the course of my audit:

- the information contained in the Narrative Report for the financial year for which the financial statements are prepared is consistent with the financial statements and the Narrative Report has been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2020;
- The information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and the Annual Governance Statement has been prepared in accordance with guidance.

Matters on which I report by exception

In the light of the knowledge and understanding of the Central South Consortium Joint Education Service Joint Committee and its environment obtained in the course of the audit, I have not identified material misstatements in the Narrative Report or the Annual Governance Statement.

I have nothing to report in respect of the following matters, which I report to you, if, in my opinion:

- proper accounting records have not been kept;
- the financial statements are not in agreement with the accounting records and returns;
or
- I have not received all the information and explanations I require for my audit.

Certificate of completion of audit

I certify that I have completed the audit of the accounts of Central South Consortium Joint Education Service Joint Committee in accordance with the requirements of the Public Audit (Wales) Act 2004 and the Auditor General for Wales' Code of Audit Practice.

Responsibilities

Responsibilities of the responsible financial officer for the financial statements

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, set out on page 10 and 11, the responsible financial officer is responsible for the preparation of the statement of accounts, Central South Consortium Joint Education Service Joint Committee, which give a true and fair view, and for such internal control as the responsible financial officer determines is necessary to enable the preparation of statements of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the statement of accounts, the responsible financial officer is responsible for assessing the Central South Consortium Joint Education Service Joint Committee ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.
