

## Consultation on proposed amendment to Regulation 123 List

### Background

Rhondda Cynon Taf County Borough Council is a Community Infrastructure Levy (CIL) Charging Authority. Since its CIL charges took effect on 31<sup>st</sup> December 2014, it has published a Regulation 123 list on its web-site.

The Regulation 123 list is a list containing infrastructure projects that may be fully or partly funded by CIL.

### Proposed Changes

The proposed changes to the Council's Regulation 123 list are set out in the following table:

Llanharan Community Route – Construction of new active travel routes	To remain unaltered	N/A
Trefforest Industrial Estate – Construction of new active travel routes	To remain unaltered	N/A
Trefforest Industrial Estate – New railway station	Add to list	To provide a sustainable travel option for an expected increase in commuters to the new DWP building, which will accommodate up to 2000 employees and reduce the impact on the congested A470 and already over capacity junctions at Nantgarw and Upper Boat.
Aberdare – Hirwaun extension of passenger rail services	Add to list	It will encourage modal shift and lead to the removal of cars from the strategic highway corridor in the north of the County Borough, reducing traffic congestion at key pinch points where air quality is consequentially high. A passenger service to Hirwaun would also ensure a high level of current and future accessibility to employment and other services both locally and elsewhere in the region.
A473 between Tonteg Roundabout and Upper Boat Roundabout	Add to list	Underperforming due to numerous sub-standard junctions
