CHILDREN & YOUNG PEOPLE SCRUTINY COMMITTEE
27th JANUARY 2021

SCRUTINY WORK PROGRAMME: 2020- 2021 MUNICIPAL YEAR
REPORT OF THE SERVICE DIRECTOR, DEMOCRATIC SERVICES &
COMMUNICATIONS

1. PURPOSE OF THE REPORT

- 1.1 The purpose of this report is to provide Members of the Children & Young People Scrutiny Committee with the opportunity to maintain its approach to scrutiny during Covid -19 and agree its forward Work Programme up until the end of April 2021.

2. RECOMMENDATIONS

It is recommended that Members:-

- 2.1 Acknowledge the contents of the proposed forward Children & Young People Scrutiny Work Programme for the 2020/21 Municipal Year (January – April 2021), attached as Appendix 1 to the report
- 2.2 Consider progress, achievements, and the effectiveness of the scrutiny work programme and scrutiny practice; and,
- 2.3 Consider and determine other matters it may wish to consider, challenge and scrutinise over this period.

3. REASONS FOR RECOMMENDATIONS

- 3.1 It is proposed that Members of the Scrutiny Committee have the opportunity to review the next phase of its work programme for the 2020/21 municipal year from January to April 2021 allowing for an element of flexibility (taking a 3 month view) and taking into account any additional consultative documents or legislative matters requiring attention

4. BACKGROUND

4.1 Members will recall that the [Local Authorities \(Coronavirus\) \(Meetings\) \(Wales\) Regulations 2020](#), published at the end of April, provided the opportunity for committee functions to operate virtually. At that time, Members supported the proposal for the Overview & Scrutiny Committee, as the Council's overarching Scrutiny Committee, to take a council-wide approach and consider those key matters that ordinarily would have been under review by the four themed scrutiny committees.

4.2 At its meeting on the 30th July 2020, the Overview & Scrutiny Committee considered the Council's Performance Report, 31st March 2020 year end, as part of the temporary arrangements set in place to progress and establish virtual committee arrangements. All members of the council were invited to attend and contribute to this matter.

4.3 Following the Council's Annual General meeting held on the 16th September 2020 Scrutiny is now able to present its forward work programmes for the 2020/21 Municipal Year, initially on a three month basis so as to provide members of the Children & Young People Scrutiny Committee with the opportunity to undertake a review of the work programme in December 2020.

4.4. In October 2020, Members of the Children & Young People Scrutiny Committee received a forward work programme covering the initial three-month period of the new Municipal Year 2020-2021, specifically from October to December 2020.

4.5 The Committee continues to acknowledge the current pressures on the Council as it focuses on the impact of the pandemic and its associated plans for response and recovery. Committee recognises the desire to resume a 'business as usual' approach in terms of the scrutiny work programme, however, Committee will need to be mindful of these ongoing pressures. Members are asked to acknowledge the balance required for a flexible and supportive scrutiny work programme that has clear objectives, expectations and lines of questioning. Importantly, this approach allows for business critical matters to be prioritised.

4.6 With this in mind the Children & Young People Scrutiny forward work programme, attached at Appendix 1, sets out a manageable and realistic scrutiny activity for the next four months allowing for the more pressing matters to be considered whilst having the flexibility to respond to emerging issues.

4.7 Members are reminded that given the current climate the forward work programme priorities are subject to change should other specific business need to be considered by the Committee on this date.

4.8 Members are encouraged to contribute to their forward Work Programme by suggesting areas of possible scrutiny.

5. CONSULTATION / INVOLVEMENT

5.1 The Children & Young People Scrutiny Work Programme has been developed in discussions with the Chair and Vice Chair of the Children & Young Scrutiny Committee and the relevant senior officers.

6. EQUALITY AND DIVERSITY IMPLICATIONS

6.1 An Equality Impact Assessment is not required as the contents of the report are for information purposes only.

7. FINANCIAL IMPLICATIONS

7.1 There are no financial implications aligned to this report.

8. LEGAL IMPLICATIONS OR LEGISLATION CONSIDERED

8.1 The report has been prepared in accordance with paragraph 12.1 (Part 4) of the Council's Constitution.

9. LINKS TO THE COUNCILS CORPORATE PLAN / OTHER CORPORATE PRIORITIES.

9.1 This work programme takes consideration of the Council's Corporate Plan, the work programme of the Cabinet and the service response to the Covid-19 pandemic.

10. CONCLUSION

10.1 Members of the Children & Young People Scrutiny Committee are asked to identify any items they would like to review in greater detail and to agree the Children & Young People Scrutiny Committee Forward Work Programme for the 2020/21 Municipal Year.

SCRUTINY WORK PROGRAMMES

Children & Young People Scrutiny Committee

'Holding the Executive to account in respect of all three priorities within the Council's Corporate Plan....Economy (Building a strong economy), People (Promoting independence and positive lives for everyone), Place (Creating neighbourhoods where people are proud to live and work).'

Each of the Council's Scrutiny Committees is responsible for setting and agreeing its own work programme by identifying a list of themes and topics which fall under the remit of each individual Scrutiny Committee. Following discussion with the Chair, Vice Chair and Scrutiny Members a practical, realistic and timetabled programme can then be developed.

The scrutiny forward work programmes should provide a clear rationale as to why particular issues have been selected; be outcome focussed; ensure that the method of scrutiny is best suited to the topic area and the outcome desired; align scrutiny programmes with the council's performance management, self-evaluation and improvement arrangements.

Throughout the year, there are a number of ways in which additional issues can be considered for inclusion in the Scrutiny Work Programme and ideas for inclusion may come from a number of sources such as:-

- Individual Councillors;
- Performance or budget monitoring information;
- Inspection reports;
- Referrals from Council (such as Notices of Motion), Cabinet/Audit or other scrutiny committees;
- Service users;
- Monitoring the implementation of recommendations previously made by the Committee; and
- Local Residents

The Cabinet is also required to produce forward work programmes and the Overview & Scrutiny Committee keeps abreast of forthcoming items or topics which may enable scrutiny to be involved in the development of Council policy prior to its formal consideration by Cabinet. It is important to bear in mind that an element of flexibility is applied to each individual work programme that provides Committees with the capacity to scrutinise new / urgent issues that arise during the year.

(N.O.M RE: Kinship Carers) will continue to monitor as part of our work programme going forward.

To consider the under-mentioned Notice of Motion standing in the names of County Borough Councillors J James and L Hooper. It is estimated that there are 200,000 children being brought up by family members or friends in the United Kingdom in what is termed as 'Kinship Care'. These kinship carers have stepped in to care for children whose parents are unable to look after them and keep their families together, and it represents three times the number of children in the national foster care system – and is a growing figure. Kinship care is one of the main ways to provide a sense of security, continuity and belonging for children who cannot live with their parents and it provides high levels of stability and enduring support well into young adulthood. However, the support that is offered to kinship carers throughout the country lacks consistency, and carers often feel isolated, abandoned and 'hung out to dry'. This is in marked contrast to the support that foster carers and adoptive parents can receive. This Council recognises the invaluable work that kinship carers do for their loved ones, often under the most trying of situations, and is committed to providing the help, engagement and support that they need. This Council requests that a report be considered by the Children & Young People's Scrutiny Committee to look further into the role of kinship care in the County Borough and to work closely with Grandparents Plus to identify ways in which it can meet the needs of kinship carers and those in kinship care.
