4.3 As outlined in the December 2019 Disabled Children’s Service Review Report to Scrutiny Committee, work was already underway to change the delivery model for disabled children prior to the CIW inspection. Where further areas for improvement were identified they have been incorporated into the Disabled Children’s Services Remodelling Implementation Plan.

4.4 Progress against the post inspection Action plan is outlined at Appendix 1.

5. CIW FOCUSED ACTIVITY 16 + TEAMS

5.1 AT the end of March 2020, Children’s Services received CIW feedback in relation to the focused activity undertaken earlier that month with the 16+ teams. This did not lead to a written and published report owing to the status of the work but there was feedback in letter format. The letter identified the following Strengths and areas for improvement :

Strengths	Areas For Improvement
<ul style="list-style-type: none"> • Personal Assistants (PAs) were committed to promoting the well-being of young people • that young people valued their PAs; • and that there were good examples of good contact between the PAs and other professionals • CIW step in the right direction 	<ul style="list-style-type: none"> • Improving the outcome focused approach, ensuring that young people’s wishes and feelings are evident in pathway planning • Ensuring Pathway Plans are reviewed in a timelier manner and involve updates from relevant agencies. • Improving quality assurance. • Ensuring young people have an active offer of a service in Welsh.

The associated improvement plan can be found at Appendix 2

- A globally responsible Wales

11. CONCLUSION

- 11.1 Progress has been made against both action plans which also highlight the areas where progress is still required.
- 11.2 There is a strong commitment within RCT Children's Services to support the Disabled Children's Service and the 16+ Teams to implement positive change, whilst acknowledging and building upon the strengths identified. Steering groups have been established and the action plans provide a clear framework to facilitate and drive change to deliver improved outcomes for children and young people within RCT.

Appendix 1: Disabled Children's Service Post CIW Inspection Improvement Plan

Children's Services received CIW's Inspection Report on the provision of early help, care and support and seamless transition for disabled children and their families in Rhondda Cynon Taf in March 2020. The action plan below tracks progress and barriers with the improvements identified as necessary by the inspection.

Improvement area 1: Well-being	What Needs to be Done	Who / When	Update 7.9.21	RAG
1.1 There should be increased focus on strengths, the voice of the child and clear outcomes for assessment and care and support within the Disabled Children's Team (DCT).	Review documentation, Assessment, Care and Support Plan, supervision to ensure it captures the voice of the child and has regard to the needs of siblings. Ensure documentation supports a strength based, outcome focused approach.	HoS /SM/TMs & training 30.4.21	Revised templates implemented.	Completed
	Agree approach to strength based work (solution focused /restorative practice). Review available inhouse resource: trainers, mentors, training dept support etc. Develop a sustainable training programme to be piloted within the DCT and 16+ Teams.	30.4.21	Research element is complete. Steering group have endorsed an RCT approach. RCT Model of Practice will now commence in March 2022. We are in the midst of a recruitment and retention challenge and current level of vacancy would be a barrier to implementation. However, preparatory work will take place.	

	Detailed implementation plan to be developed.		Staff Engagement sessions held in June 2021, considered our vision and values, which will inform the model of practice.	
1.2 There should be increased effective management oversight and quality assurance within DCT.	Work commenced to develop bespoke quality assurance tools e.g. audit and supervision tools.	HoS / SDO 1.5.21	Revised templates etc implemented.	Completed
	Children's Services Quality Assurance Framework to be embedded within the service and WCCIS as a priority. DCT detailed performance report to be developed by the Management Information Team.	HoS /SDO / BPM 31.7.21	Service QA Plan has been developed and is being implemented. Subgroup established, performance report under development.	
1.3 There should be greater support for siblings of disabled children.	To review the commissioned services against DCT's new model of intervention and support for siblings.	SMs / SDO 31.7.21	Work with the Resilient Families Service to take forward joint working to support siblings of disabled children paused, will recommence in Autumn 2021. Undertaking a review of Action For Children's commissioned services in RCT.
