### **5.1 Regional Consortia School Improvement Grant 2022/23 – award dated 3<sup>rd</sup> May 2022**

The total of this award of funding is £48,652,545 over the period 1<sup>st</sup> April 2022 – 31<sup>st</sup> March 2023.

The purpose of this funding is to support delivery of Welsh Government (WG) aspirations and priorities for schools and education. Regional consortia and partnerships in Wales and their related local authorities have a significant role to play in improving educational outcomes for all learners in Wales and in delivering our substantial educational reform.

The funding letter outlines WG's overarching national priorities. The Funding must support delivery of Curriculum for Wales and its enabling objectives.

In delivering the Curriculum for Wales, WG continue the need to focus on the four enabling objectives around which this grant is structured:

- Developing and delivering a high quality education profession
- Inspirational leaders working collaboratively to raise standards
- Strong and inclusive schools committed to excellence, equity and well-being
- Robust assessment, evaluation and accountability arrangements supporting a self-improving system.

The consortia business plan clearly articulates the contribution towards progress of these measures, including associated outcomes and key performance indicators.
