Local Member County Borough Councillors R Bevan and J Edwards spoke on the application in turn, and each put forward their objection in respect of the proposed development.

The Head of Major Development and Investment presented the application, which was originally reported to Committee on 17th March 2022, where Members were minded to refuse the application contrary to the officer recommendation of the Director, Prosperity and Development (Minute 232 refers).

Members gave consideration to the further report, highlighting the potential strengths and weaknesses of refusing contrary to officer recommendation and following discussions, it was **RESOLVED** to refuse the application contrary to the recommendation of the Director, Prosperity and Development for the following reasons:

The proposed development is unable to demonstrate provision of adequate off-street parking facilities for residents, staff and visitors commensurate with the scale and intensity of its use. Consequently, the creation of demand for on-street parking in the vicinity of the site would be harmful to highway safety, the free flow of traffic and the amenity of neighbouring occupiers.

Furthermore, the proposed accommodation would either be in close proximity to a busy highway or suffer from poor outlook, which together with limited facilities and external space, would create a poor quality living environment to the detriment of future residents of the proposed care home.

The development would therefore be contrary to Policies AW5 and AW6 of the Rhondda Cynon Taf Local Development Plan and the Council's

SPG for both Access, Circulation and Parking Requirements, and Design and Placemaking.
