1.0 PURPOSE OF THE REPORT

- 1.1 The purpose of the report is to provide Cabinet with a proposed three year capital programme for 2023/24 to 2025/26 that if acceptable, will be presented to Council for approval.

2.0 RECOMMENDATIONS

It is recommended that the Cabinet:

- 2.1 Review, and if acceptable propose the attached three year capital programme at Appendix A to Council on 8th March 2023 which includes:
- 2.1.1 A proposed allocation of new resources as detailed in paragraph 5 of the attached report;
 - 2.1.2 Proposed investment priorities as detailed in paragraph 6.2 of the attached report;
 - 2.1.3 The Council's core capital programme; and
 - 2.1.4 The Council's total capital programme including additional non core funding.
- 2.2 Authorise the Deputy Chief Executive & Group Director – Finance, Digital & Frontline Services to amend the level of Council Resources required to fund the Core Three Year Capital Programme as shown at Appendix 2 as a consequence of any change to the Council's capital resource levels announced in the Final Local Government Settlement.

3.0 REASONS FOR RECOMMENDATIONS

- 3.1 To agree that the report at Appendix A is acceptable and is proposed by Cabinet to Council on 8th March 2023.

4.0 BACKGROUND

4.1 The Corporate Plan “Making a Difference” 2020-2024 reinforces the need to continue to live within our means, deliver an efficient and effective Council, maximise opportunities and have a shared responsibility. The draft report at Appendix A expands on this and proposes the Council’s three year capital programme commencing 1st April 2023.

5.0 THE PROVISIONAL LOCAL GOVERNMENT SETTLEMENT FOR 2023/24

5.1 The timing of the Local Government Settlement for 2023/24 has followed the UK Government Autumn Statement as announced on 17th November 2022, with the provisional settlement being announced on the 14th December 2022.

5.2 The Final Local Government Settlement for 2023/24 is expected to be received during early March 2023.

5.3 There are no indications of any significant changes between the provisional and final settlement, but such a risk clearly remains.

5.4 In order to ensure that Cabinet are able to recommend a balanced capital programme to Council on the 8th March 2023, and given the timing of the Final Settlement (early March 2023), it will be necessary to authorise the Deputy Chief Executive & Group Director – Finance, Digital & Frontline Services to amend the programme to deal with any change between Provisional and Final Settlement. It is proposed that any change is dealt with by means of amending the contribution from Council Resources across the 3 year programme, providing the opportunity to rebalance as necessary into future years.

6.0 EQUALITY & DIVERSITY IMPLICATIONS / SOCIO-ECONOMIC DUTY

6.1 An Equality Impact Assessment is not needed because the contents of this report relate solely to the proposed report to Council at Appendix A.

7.0 WELSH LANGUAGE IMPLICATIONS

7.1 There are no Welsh language implications as a result of the recommendations in this report.

8.0 CONSULTATION

8.1 Details regarding consultation relating to the Council’s budget strategy are subject to a separate report.

9.0 FINANCIAL IMPLICATION(S)

9.1 All financial implications are included in the proposed report to Council at Appendix A.

12.0 CONCLUSION

12.1 The draft report at Appendix A sets out the proposed capital programme from 1st April 2023 to 31st March 2026.

THE COUNCIL'S THREE YEAR CAPITAL PROGRAMME 2023/24 – 2025/26

REPORT OF THE CABINET

AUTHOR: BARRIE DAVIES, DEPUTY CHIEF EXECUTIVE & GROUP DIRECTOR – FINANCE, DIGITAL & FRONTLINE SERVICES (01443) 424026

1.0 PURPOSE OF REPORT

1.1 This report sets out the Council's proposed Capital Programme for 2023/24 to 2025/26, following receipt of the provisional local government settlement for 2023/24.

2.0 RECOMMENDATIONS

It is recommended that Members:

- 2.1 Note the detail of the provisional 2023/24 local government settlement for capital expenditure, reproduced at Appendix 1;
- 2.2 Agree to the proposed reallocation of existing resources, and allocation of new resources as detailed in paragraph 5;
- 2.3 Agree to allocate the funding identified in the report to the investment priorities as detailed in paragraph 6.2;
- 2.4 Agree the proposed 'core' three year programme detailed at Appendix 2;
- 2.5 Agree the proposed total three-year Capital Programme, detailed at Appendices 3 (a) to (e), which includes the following non core capital funding:
- Prudential borrowing to support Sustainable Communities for Learning Schemes (formerly 21st Century Schools) and Highways Improvements schemes;
 - Capital grants for specific schemes;
 - Third party contributions; and
 - The investment priorities detailed in paragraph 6.2.

2.6 Authorise the Deputy Chief Executive & Group Director – Finance, Digital & Frontline Services to amend the final programme consequential to the receipt of the Final Local Government Settlement as set out at para 3.8.

3.0 **BACKGROUND**

3.1 Members will be aware that each year the Council is allocated a sum of unhypothecated “Supported” borrowing and General Capital Grant from the Welsh Government (WG). Details of the draft allocation for 2023/24 are shown at Appendix 1. The funding for 2023/24 has increased by £2.287M and totals £13.886M (£180M all Wales).

3.2 WG’s draft budget includes indicative General Capital Funding maintained at £180M (all Wales) for 2024/25, with a further £20M (all Wales) in respect of decarbonisation for 2023/24 and 2024/25. It is proposed that any additional resources are considered as part of future Investment Priority reviews outside of our Core Programme.

3.3 Members have continued to receive regular updates on the projections of the Council’s revenue budget position to 2025/26. The Revenue Budget Strategy for 2023/24 includes a proposal to capitalise expenditure which is currently funded from our revenue budgets which in line with accounting rules, is actually capital in nature. The expenditure relates to following:

Nature of Expenditure	£M
ICT Software Licences	1.000
Cardiff Capital Region City Deal Contribution	1.000
Vehicle Purchases	1.200
Carbon Reduction Programme	0.350
Highways Improvements	0.350
Improvements to Schools	0.100
Total	4.000

3.4 These items are now proposed to be included in our core programme allocations. The allocations are shown at Appendix 2 which proposes a core programme totalling £14.180M.

3.5 To set the core programme at this level, and in light of latest capital receipt forecasts and use of capital reserves, would leave a remaining balance of £2.206M of WG General Capital Funding which can be used to contribute toward funding Investment Priorities over and above the core programme as set out at paragraph 6.2.

3.6 The wider overall capital programme however includes approved prudential borrowing, specific grants and agreed additional investment in our key priorities.

3.7 The Final Local Government Settlement for 2023/24 is expected to be received during early March 2023. There are no indications of any significant changes between the provisional and final settlement, but such a risk clearly remains.

3.8 It is proposed that the Deputy Chief Executive & Group Director – Finance, Digital & Frontline Services be authorised to amend the programme to deal with any change between Provisional and Final Settlement. Any change would be dealt with by means of amending the contribution from Council Resources across the 3 year programme, providing the opportunity to rebalance as necessary into future years.

4.0 THE NEW THREE YEAR PROGRAMME (2023/24 TO 2025/26)

4.1 The proposed new 3 year capital programme for 2023/24 to 2025/26 represents a total investment of **£187.320M**. This comprises:

- A Core programme of £42.540M over the next 3 years;
- Prudential borrowing of £21.454M to support the Sustainable Communities for Learning Programme and Highways Improvements schemes;
- Specific grants of £73.141M;
- Third party contributions of £0.057M;
- Earmarked reserves and revenue contributions previously allocated to schemes and investment priorities of £30.947M;
- Capital resources, in addition to the 3 year core allocation, of £12.081M; and
- If agreed, reallocated earmarked reserves of £4.894M and reallocated core funding of £2.206M, to fund the proposed investment priorities detailed in paragraph 6.2.

4.2 Having due regard to the level of available capital resources, both from WG and from our own capital receipts, the new core programme for 2023/24 to 2025/26 is set at £14.180M per year. This represents a fully funded £42.540M core programme across the 3 years.

4.3 There remains a risk that the projected capital receipts are less than anticipated and projections will continue to be closely monitored.

4.4 Whilst allocating core resources for three years, there remains the requirement for us to continue to review and challenge any commitments made into years two and three, to robustly monitor capital receipt projections and to position ourselves to respond as appropriate and necessary as we move forward.

4.5 Given the timing of external funding approval processes, it will be necessary to maintain flexibility of funding across individual schemes in order to ensure the most efficient delivery of the overall programme.

4.6 Details of the overall capital programme for the 3 year period are set out in Section 7 of this report.

5.0 FURTHER AVAILABLE FUNDING

5.1 The Council has maintained an Investment/Infrastructure reserve for a number of years to fund the cost of maintaining and enhancing infrastructure across the County Borough. The balance of this reserve at 31st March 2022 was £19.800M, against which £5.725M has already been released, leaving £14.075 available to

fund further investment priorities.

- 5.2 In addition, the increase in WG General Capital Grant funding provides further available funding as shown in the table below:

Available Funding	£M
Infrastructure Reserve 2023/24	14.075
General Capital Grant 2023/24	2.206
Total Additional Funding	16.281

6.0 INVESTMENT PRIORITIES

- 6.1 The Cabinet believe that the most appropriate use of these one off resources is to continue to invest in our infrastructure and to support the aspirations and priorities of the Corporate Plan.
- 6.2 In being able to support the above objectives, Cabinet have identified the following specific areas which it is proposed that Council agree to be invested in:

- Townscape Enhancements across our key town centres – a targeted approach to acquiring, redeveloping and upgrading town centre buildings for increased business and commercial use and continuing to improve the quality of the townscape providing business investment and employment growth. This will be supported by the development and delivery of strategies and placemaking plans for our key town centres;
- Development of a new integrated Transport Hub at Porth as part of the Porth Town Centre Regeneration Strategy;
- New sources of funding are being accessed to bring forward investment such as the UK Government Levelling Up Fund where successful bids have been made for the Muni Arts Centre Redevelopment, Porth Transport Hub and A4119 Dualling projects and also the UK Government Shared Prosperity (SPF) Fund where delivering the RCT SPF Local Investment Plan will be a priority;

14.1 The three year Capital Programme is a key component of the overall Medium Term Financial Planning and Resources Strategy for this Council. 14.3 The programme includes some element of slippage identified throughout 2022/23, which is subject to change when final spend for the capital programme is known and the 2022/23 accounts are finalised. Any changes to slippage will be reported as part of the Council's quarterly performance reports.

14.4 This report has also identified the opportunity to invest £7.100M of additional resources in our local area and infrastructure in order to improve the services and facilities which are available to our residents.

14.5 As the year progresses, changes will be made to the programme, for example where new schemes can be supported by specific grants. Approval from Members will be sought as these opportunities arise throughout 2023/24.
