1. INTRODUCTION

- 1.1 The Council's [Corporate Plan 2020 - 2024](#) 'Making a Difference' sets the overall direction for the Authority over a period of 4 years describing the vision, purpose and priorities to be delivered.
- 1.2 The Council's agreed vision, purpose and priorities are:
- Vision – ***To be the best place in Wales to live, work and play, where people and businesses are independent, healthy and prosperous.***
 - Purpose - ***To provide strong community leadership and create the environment for people and businesses to be independent, healthy and prosperous.***
 - Priorities:
 - Ensuring ***People***: are independent, healthy and successful:
 - Creating ***Places***: where people are proud to live, work and play: and
 - Enabling ***Prosperity***: creating the opportunity for people and businesses to: be innovative; be entrepreneurial; and fulfil their potential and prosper.
- 1.3 Underpinning the above priorities are the cross-cutting themes of '***Live within our means***' and '***Efficient and effective Council***' – both of which focus on robust financial planning and management arrangements to ensure the Council maintains its financial stability, is financially resilient and makes the best use of scarce resources.
- 1.4 This Annual Governance Statement sets out for the community, service users, tax-payers and other stakeholders the Council's governance arrangements together with a review of their effectiveness in managing risks of failure in delivering Corporate Plan priorities.

2. SCOPE OF RESPONSIBILITY

- 2.1 Rhondda Cynon Taf County Borough Council (RCT) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.
- 2.2 In discharging this overall responsibility, the Council is responsible for putting in place proper arrangements for the governance of its affairs and facilitating the effective exercise of its functions, which includes the arrangements for the management of risk.
- 2.3 The Council, in compiling the Annual Governance Statement, has adopted the latest *Delivering Good Governance in Local Government: Framework (2016)* developed by the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives and Senior Managers (Solace). In doing so, the Annual Governance Statement meets the Council's legal duty as set out in the Accounts and Audit (Wales) Regulations 2014, as amended by the Accounts and Audit (Wales) (Amendment) Regulations 2018.
- 2.4 The 2022/23 Annual Governance Statement also takes account of the CIPFA Financial Management Code 2019, as set out in the 'CIPFA Bulletin 06 – Application of the Good Governance Framework 2020/21' (see paragraphs 6.8.2 to 6.8.6). For information, the bulletin also covers the impact of the Covid-19 pandemic on local government bodies and the need for this to be reflected within Annual Governance Statements; in the case of Rhondda Cynon Taf, no designated section relating to the impact of Covid-19 has been incorporated into the 2022/23 Annual Governance Statement on the basis of specific arrangements introduced during the pandemic now being built into operational arrangements.
- 2.5 The Council's Annual Governance Statement aims to provide an accurate representation of the governance arrangements in place for financial year ending 31st March 2023.

3. THE PURPOSE OF THE GOVERNANCE FRAMEWORK

- 3.1 The governance framework comprises the systems, processes and cultural values by which the Council is directed and controlled, and the activities through which it accounts to, engages with and leads the community. It enables the Council to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate, cost-effective services.
- 3.2 For RCT governance is about ensuring that the Council does the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner.
- 3.3 The system of internal control is a significant part of that framework and is designed to manage the risk to a reasonable level. It cannot eliminate all risk of failure to achieve aims and objectives, and can therefore only provide reasonable and not absolute assurance of effectiveness.
- 3.4 The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's priorities, to evaluate the likelihood and impact of those risks materialising, and to manage them efficiently, effectively and economically.
- 3.5 The governance framework outlined below has been in place at RCT for the year ended 31st March 2023 (and up to the date of approval of the 2022/23 Statement of Accounts).

4. THE GOVERNANCE FRAMEWORK AND REVIEW ARRANGEMENTS

- 4.1 The Council has put in place a Local Code of Corporate Governance, in line with the seven principles set out in *The Delivering Good Governance in Local Government Framework (2016)*, to support its arrangements for ensuring sound governance.
- 4.2 The Council has responsibility for conducting, at least annually, an assessment of its governance framework including the system of internal control. Section 5 sets out an Executive Summary of the findings and proposals for improvement arising from the 2022/23 assessment and Section 6 provides more detailed information, called Review of Effectiveness, for the 2022/23 financial year against the Local Code of Corporate Governance.
- 4.3 The review process has also considered the Local Code of Corporate Governance and where required, revisions have been proposed to ensure it continues to be fit for purpose. The proposed revisions will be reported for consideration alongside the 2022/23 Annual Governance Statement.

5. **EXECUTIVE SUMMARY**

- 5.1 RCT is responsible for putting in place proper arrangements for the governance of its affairs and to review these arrangements at least annually. The Council discharges this responsibility by having in place a Local Code of Corporate Governance and undertakes an annual assessment against this Code in the form of an Annual Governance Statement. Both the Code and Annual Governance Statement have been compiled in line with Delivering Good Governance in Local Government: Framework (2016) developed by the Chartered Institute of Public Finance and Accountancy (CIPFA).
- 5.2. The Review of Effectiveness of the Council’s governance arrangements are set out in detail in Section 6 and have been summarised in Table 1 across the 7 principles set out in the 2016 Framework.

Table 1 - Summary of the Review of Effectiveness

Core Principles	Overall Assessment Conclusion	Proposals for Improvement Set Out In The Annual Governance Statement (AGS)
A - Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law	The Council has sound arrangements in operation, in line with its Constitution and other agreed arrangements, to promote and demonstrate high standards of behaviour of its elected Members and Officers, and to take action where instances of non-compliance are identified.	No
B - Ensuring openness and comprehensive stakeholder engagement	The Council has clear channels to enable engagement with and from stakeholders, with arrangements being in line with the law and demonstrate a commitment to openness in the delivery of its activities. Further work is required to develop and finalise a Participation Strategy setting out how local people are encouraged to participate in decision-making by the Council.	The Council should complete its work to finalise and agree its Participation Strategy and then take the necessary steps for this to be implemented.

Supporting Principles	Overall Assessment Conclusion	Proposals for Improvement Set Out In The AGS
<p>C - Defining outcomes in terms of sustainable economic, social and environmental benefits.</p>	<p>The Council has a robust Performance Management Framework in place that uses evidenced based assessment to determine outcomes, in line with Corporate Plan priorities and are aligned to the Cwm-Taf Well-Being Plan. In-year monitoring arrangements provide holistic overviews of the Council's performance.</p> <p>Further work is required to more clearly demonstrate impact within Self-assessment and performance reporting arrangements.</p>	<p>The Council's latest Self-Assessment identified the need for continued improvement in arrangements to demonstrate the impact of its work and delivery of intended outcomes, noting the requirement for the Council to re-set its arrangements following the unprecedented impact of the Covid-19 pandemic. There is a need for the Council to build on the work to date to more clearly demonstrate impact and outcomes within its Self-Assessment and Performance Reporting arrangements and also incorporate service user information (this being an emerging finding from the Audit Wales review work undertaken in 2022/23).</p>
<p>D - Determining the interventions necessary to optimise the achievement of the intended outcomes</p>	<p>Appropriate decision-making arrangements were in place during the year to review and determine interventions needed to deliver Corporate and Service priorities. These were integrated with budget setting and medium-term financial planning arrangements and progress was subject to public scrutiny via the Council's overview and scrutiny arrangements.</p>	<p>No</p>
<p>E - Developing the entity's capacity, including the capability of its leadership and the individuals within it</p>	<p>The Council has well-embedded self-assessment arrangements that assess the organisation's capacity and capability to deliver council services, this being informed by a workforce strategy and underpinned by an established framework of decision-making in the form of Schemes of Delegation.</p> <p>Further work is required to review and update the Council's Contract and Financial Procedure Rules.</p>	<p>The Contract and Financial Procedure Rule documents were not reviewed during 2022/23 to consider any updates required and ensure they continue to be fit for purpose. Both documents therefore require review during 2023/24 and proposed updates signed-off, incorporated into the Council's Constitution and staff made aware of updates.</p>

Supporting Principles	Overall Assessment Conclusion	Proposals for Improvement Set Out In The AGS
F - Managing risks and performance through robust internal control and strong public financial management	<p>The Council is financial stable, supported by robust financial planning and management arrangements that underpin service delivery. A focus on strong internal controls and the management of risks, independently checked by Internal Audit and overseen by the Governance and Audit Committee, are key components of the overall arrangements.</p> <p>Further work is required to:</p> <ul style="list-style-type: none"> • Further strengthen risk management arrangements, as set out in the 2022/23 Internal Audit Report ‘Corporate Risk Management’; and • Fully cost the Council’s carbon reduction action plan and ensure alignment to the Medium Term Financial Plan, as recommended by Audit Wales in its Assurance and Risk Assessment Review. 	<ul style="list-style-type: none"> • Internal Audit undertook an audit assignment on the Council’s Corporate Risk Management arrangements in 2022/23, concluding reasonable assurance overall, and set out recommendations to further strengthen arrangements: updating the Risk Management Strategy to include officer roles and responsibilities; Strategic risks descriptions within the Strategic Risk Register are reviewed to ensure the impact on the Council is clear; and the need to progress the compilation and roll-out of a Risk Management e-learning training module for Council officers. • The Audit Wales Assurance and Risk Assessment Review recommended in respect of Carbon Reduction Plans – <i>‘In order to meet its net zero ambition the Council needs to fully cost its action plan and ensure it is aligned with its Medium Term Financial Plan’.</i>
G - Implementing good practices in transparency, reporting, and audit to deliver effective accountability	The Council has open and transparent decision-making processes, with arrangements in place to hold decision-makers to account for service delivery and performance and the stewardship of public funds.	No

6. REVIEW OF EFFECTIVENESS

- 6.1 The Review of Effectiveness has entailed reviewing the activities in place around the Council’s main governance arrangements, as set out in the Local Code of Corporate Governance and associated key processes, engagement with senior officers across services in respect of these arrangements and taking account of the findings from a range of existing reports including external regulator reports.
- 6.2 Each section of the Council’s Local Code of Corporate Governance has been set out in Section 6 below, alongside other key governance arrangements, and a review of their effectiveness undertaken and proposals for improvement made, where deemed appropriate.

6.3 Core Principle A - Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law

6.3.1 The Council is accountable not only for how much it spends, but also for how it uses the resources under its stewardship. This includes accountability for performance, both positive and negative, and for the outcomes achieved. In addition, the Council has an overarching responsibility to serve the public interest in adhering to the requirements of legislation and government policies. It is essential that, as a whole, it can demonstrate the appropriateness of decisions and actions, and have arrangements in place to encourage and ensure compliance with ethical values and to respect the rule of law.

The report highlighted that, ‘<i>During 2021/22 51 complaints were received by the PSOW relating to this Authority (for periods 2020-2021– 40 and 2019/20 – 39). The 2022/23 Annual Report and 2023/24 Work Programme were endorsed by the Governance and Audit Committee.

6.4 Core Principle B - Ensuring openness and comprehensive stakeholder engagement

6.4.1 Local government is run for the public good and the Council is committed to ensuring openness in the delivery of its activities. Clear, trusted channels of communication and consultation should be used to engage effectively with stakeholders, such as individual citizens and service users, as well as institutional stakeholders.

Local Code of Corporate Governance Requirements	Sub-Principle	Review of Effectiveness During 2022/23
Stakeholder engagement	Engaging comprehensively with institutional stakeholders	<ul style="list-style-type: none"> • The Council worked with public, private and voluntary organisations during the year with the overriding objective to help improve the lives of residents within the County Borough, and a number of these are set out on the Council's website. • More specifically, the Council is a statutory partner within the Cwm Taf Public Services Board and actively engages within the Board to put in place arrangements to provide information and data that support the identification and delivery of regional priorities, outcomes and allocation of resources. The Cwm Taf Public Services Board completed a joint Well-being Assessment with the Bridgend Public Services Board for the Cwm Taf Morgannwg area as part of a wider transition to a Cwm Taf Morgannwg Public Services Board that will deliver the new <u>Cwm Taf Morgannwg Well-being Plan</u>. These arrangements now directly correlate to <u>Cwm Taf Morgannwg Regional Partnership Board</u>, with the Board managing, amongst other things, the allocation of the Welsh Government funded <u>Regional Investment Fund</u> in order to help meet the health, social care and wellbeing needs of residents and a focus on its governance and engagement arrangements. • The Council also engages with partner organisations on specific areas where there are shared goals, such as, with the Health Service on developing an integrated health and social care locality model and supporting older people to stay in their homes longer, prevent unnecessary stays in hospital and to help get people home from hospital more quickly when they are well enough; using RCT Neighbourhood Network Groups developed to support the Community Hub model that works with local community groups to meet identified needs; an integrated Substance Misuse Service and Community Safety Partnership; and with Water Safety Partnership and Public Health Wales concerning insufficient water supplies due to drought conditions which are deemed to become more prevalent as a result of climate change.

Local Code of Corporate Governance Requirements	Sub-Principle	Review of Effectiveness During 2022/23
Stakeholder engagement - continued	Engaging comprehensively with institutional stakeholders	<ul style="list-style-type: none"> • The Audit Wales report ‘Transformational Leadership Programme Board – Baseline Governance Review – Cwm Taf Morgannwg Regional Partnership Board’ was reported to the Council’s Governance and Audit Committee on 7th December 2022 and concluded overall that ‘...<i>Transformational Leadership Programme Board is well placed to develop stronger regional working building on the productive relationships over the past 18 months. However, it needs to ensure its planning is more integrated and long term, strengthen aspects of its governance arrangements and be more ambitious in using its combined core resources to have greater impact on the Cwm Taf Morgannwg region</i>’. A series of recommendations were included in the report that have been agreed by Management across partners along with implementation timescales.
Stakeholder engagement	Engaging Stakeholders Effectively, Including Individual Citizens And Service Users	<ul style="list-style-type: none"> • The Council has conducted a range of engagement activities with stakeholders via its dedicated Lets Talk RCT engagement website and also face-to-face engagement. During 2022/23 this included: <ul style="list-style-type: none"> ○ Lets Talk Budget – that helped inform the 2023/24 Revenue Budget Strategy in terms of the Strategy’s key building blocks, for example, council tax levels, the need for an on-going focus on delivering more efficient services and supporting the Council’s approach to the management of its Reserves. ○ Lets Talk Climate Change, Electric Vehicles Charging Points and Wildflowers – continuous engagement to inform the Council’s programme of work to tackle climate change. ○ A consultation that provided evidence to inform the preparation of the Council’s Local Development Plan. ○ Lets Talk Pontypridd - consultation to help develop the placemaking plan for Pontypridd, together with specific feedback on anti-social behaviour, public conveniences and cleanliness. ○ ‘My Day, My Way’ involvement and engagement to inform the on-going transformation of day services so that people with a learning disability have access to meaningful activity and opportunities in their own communities, including employment to achieve their personal goals.

Stakeholder engagement – continued	Engaging Stakeholders Effectively, Including Individual Citizens And Service Users	<ul style="list-style-type: none"> <li data-bbox="810 293 2188 475">• Audit Wales reported its Assurance and Risk Assessment Review 2021/22 to the Governance and Audit Committee on 7th December 2022 that set out, amongst other things: ‘<i>Implications of the Local Government and elections (Wales) Act 2021 – The Council is making good progress developing its arrangements to meet the requirements of the Local Government and Elections (Wales) Act 2021, but has not yet agreed its approach for engaging with the public</i>’. <p data-bbox="810 531 1178 563"><u>Proposal for Improvement</u></p> <p data-bbox="810 600 2188 667">The Council should complete its work to finalise and agree its Participation Strategy and then take the necessary steps for this to be implemented.</p>

6.5 Supporting Principle C - Defining outcomes in terms of sustainable economic, social and environmental benefits.

6.5.1 The long-term nature and impact of the Council's work requires it to define and plan outcomes and that these should be sustainable. Decisions should further the Council's purpose, contribute to intended benefits and outcomes, and remain within the limits of authority and resources. Input from stakeholders, including citizens, service users and institutional stakeholders, is vital to the success of this process and in balancing competing demands, determining priorities and finite resources.

Local Code of Corporate Governance Requirements	Sub-Principles	Review of Effectiveness During 2022/23
The Council's Performance Management Framework – defining outcomes based on need	Defining Outcomes	<ul style="list-style-type: none"> • The Council had a Performance Management Framework (PMF) in place with evidenced based assessments informing priorities and outcomes. The assessments were in the form of Public Services Board Well-being Assessment 2022 for the area and Council specific arrangements in terms of its Self-Assessment and individual Service Self-Assessments. • This has also enabled the Council to align its Corporate Plan priorities to the Cwm Taf Well-Being Plan and support compliance with its statutory reporting duties under the Well-being of Future Generations Act 2015.
Corporate Plan 2020 – 2024 'Making a difference'	Defining Outcomes	<ul style="list-style-type: none"> • The Council's Corporate Plan 2020 – 2024 'Making a Difference' sets out its Vision, Purpose and Priorities over the 4-year period together with the outcomes it aims to achieve and the key actions it will take to get there. The Council's Corporate Plan priorities are: <ul style="list-style-type: none"> ○ Ensuring People: are independent, healthy and successful: ○ Creating Places: where people are proud to live, work and play: and ○ Enabling Prosperity: creating the opportunity for people and businesses to: be innovative; be entrepreneurial; and fulfil their potential and prosper. • The Council's key documents, including the Revenue Budget Strategy, 3-year Capital Programme, Medium-Term Financial Plan and Performance Reports are aligned to its Corporate Plan, to support the delivery and monitoring of priorities and outcomes in line with available resources.

Local Code of Corporate Governance Requirements	Sub-Principles	Review of Effectiveness During 2022/23
Quarterly Performance Report (including Risk Register updates)	'Defining Outcomes' and 'Sustainable economic, social and environmental benefits'	<ul style="list-style-type: none"> • The Council's quarterly Performance Reports include progress updates on the delivery of Corporate Plan priorities and also the re-introduction of performance measures, following a pause during the period of Covid-19. The updates were publicly reported to the Cabinet and the designated Scrutiny Committee on a quarterly basis during 2022/23 (Quarters 1, 2 and 3, with the Quarter 4 (Year-end) Performance Report scheduled to be reported to the July meetings of the Council's Cabinet and Overview and Scrutiny Committee). • The quarterly Performance Reports provided an holistic overview of the Council's performance through setting out updates on: the Revenue Budget, Capital Programme and Treasury Management performance; Workforce (sickness absence and turnover) information; Corporate Plan progress updates for the 3 priorities of People, Places and Prosperity, and supported by detailed action plan updates for each priority; additional investment allocated to Corporate Plan priorities; Strategic Risk Register risks that could adversely impact the delivery of Corporate Plan priorities alongside mitigating actions; and actions being taken to enhance the Council's response to extreme weather events and delivery of its Climate Change strategy. • The arrangements were in line with the PMF, provided opportunity for stakeholders to hold the Council to account for its financial and operation performance and clearly set out progress against Corporate Plan priorities. <p><u>Proposal for Improvement</u></p> <ul style="list-style-type: none"> • The Council's latest Self-Assessment identified the need for continued improvement in arrangements to demonstrate the impact of its work and delivery of intended outcomes, noting the requirement for the Council to re-set its arrangements following the unprecedented impact of the Covid-19 pandemic. There is a need for the Council to build on the work to date to more clearly demonstrate impact and outcomes within its Self-Assessment and Performance Reporting arrangements and also incorporate service user information (this being an emerging finding from the Audit Wales review work undertaken in 2022/23).

6.6 Supporting Principle D - Determining the interventions necessary to optimise the achievement of the intended outcomes

6.6.1 The Council achieves its intended outcomes by providing a mixture of legal, regulatory and practical interventions. Robust decision making is required to enable priorities and intended outcomes to be delivered in an efficient and effective way, and decisions reviewed on an on-going basis to ensure the achievement of outcomes is optimised.

Local Code of Corporate Governance Requirements	Sub-Principle	Review of Effectiveness During 2022/23
Evidence based decision-making arrangements (New for 2022/23)	Determining interventions	<ul style="list-style-type: none"> • Decision-making arrangements were in line with the Council’s Constitution, supported by evidence based and published reports that were informed by stakeholder feedback and set out information in respect of legal, equality and diversity and financial implications, and the extent of alignment with the Well-Being of Future Generations Act. Decision making was also informed by other committees, such as the Climate Change Cabinet Sub-committee and a number of decisions subject to a pre-scrutiny process (see Section 6.6.1 – Scrutiny Committees) • Agreed decision were incorporated within the Council’s Revenue Budget Strategy / 3-Year Capital Programme and informed Medium Term Financial Planning.

Areas scrutinised in 2022/23 included: the Council’s financial and Corporate Plan performance on a quarterly basis; targeted pre-scrutiny on ‘Residential Care for Older People’, ‘the 2023/24 Budget’, ‘The RCT Tree, Woodland and Hedgerow Strategy’ and the ‘Children’s Services Residential Transformation Strategy’; contributing to consultations such as the ‘Review of Parliamentary Constituencies in Wales – Boundary Commission for Wales’ Initial Proposals’ and the ‘National Transport Delivery Plan 2022-2027’; and service specific updates such as ‘Electrical Vehicle Charging Implementation Plan and associated Action Plan’, ‘Support to refugees, Ukraine nationals and asylum seekers in RCT’, ‘Update on the implementation of the Additional Learning Needs & Education Tribunal Act 2018 in Rhondda Cynon Taf County Borough Council’ and ‘the roll-out of, Universal Primary Free School Meals’. The above areas align with the Council’ Corporate Plan priorities. • The work of scrutiny committees was underpinned by a programme of training that included Chairing skills, questioning techniques and bespoke training specific to each Committee, and a scrutiny research facility was made available within the Council Business Unit to support Members’ scrutiny responsibilities and their roles as Elected Members; such research strengthens Scrutiny Committee work programmes to ensure outcome-based topics are identified. • A Cwm Taf Public Services Board Joint Overview and Scrutiny Committee was in place, coordinated by the Council, to scrutinise the work of the Public Services Board and undertook pre-scrutiny of the new Cwm Taf Morgannwg Well-Being Plan 2023 – 2028.

6.7 Supporting Principle E - Developing the entity’s capacity, including the capability of its leadership and the individuals within it

6.7.1 The Council needs appropriate structures and leadership, as well as people with the right skills, appropriate qualifications and mind-set, to operate efficiently and effectively and support the achievement of intended outcomes. It must ensure it has both the capacity to deliver its priorities and for the organisation as a whole. Because both individuals and the environment in which the Council operates will change over time, there will be a continuous need to develop its capacity as well as the skills and experience of the leadership of staff members. Leadership in the Council is strengthened by the participation of people with many different types of backgrounds, reflecting the structure and diversity of communities.

This is supported through the assessment processes evidencing: <ul style="list-style-type: none"> ○ A consistent track record of sound service delivery, underpinned by robust financial management and workforce planning arrangements; ○ The development of new strategies and evolving existing strategies, based on lessons learned and in some cases regulation, to support current and future service delivery in line with the changing needs of communities, for example, Residential Care Homes for Older People, Looked After Children: Residential Care Transformation Strategy 2022-2027, Digital Strategy 2022-2026 and The Council's Tackling Climate Change Strategy 2022-2025.

In parallel, there was on-going investment in apprentices and graduates in line with service workforce requirements. ● Work was completed during the year to compile a new Human Resources Strategy and Council Workforce Plan 2023-28 to take forward priority workforce actions, this being approved by Cabinet on 23rd January 2023. 6.8 Supporting Principle F - Managing risks and performance through robust internal control and strong public financial management

6.8.1 It is a fundamental requirement for the Council’s governance structures to support robust financial and performance management arrangements, thereby enabling efficient and effective service planning and delivery and the achievement of intended outcomes. Risk management and robust internal control are integral parts of these arrangements. A strong system of financial management is essential for the implementation of policies and the achievement of intended outcomes, as it will drive financial discipline, strategic allocation of resources, efficient service delivery and accountability. It is also essential that a culture and structure for scrutiny is in place as a key part of accountable decision making, policy making and review. A positive working culture that accepts, promotes and encourages constructive challenge is critical to successful scrutiny and successful delivery. Importantly, this culture does not happen automatically, it requires repeated public commitment from the Council’s leaders and senior managers.

Compliance with the CIPFA Financial Management Code of Practice

- 6.8.2 The CIPFA Financial Management Code (the Code) was launched in November 2019 and is designed to support good practice in financial management and to assist local authorities in demonstrating their financial sustainability.
- 6.8.3 The Code sets the standards of financial management for local authorities and is based on a series of principles supported by specific standards and statements of practice which are considered necessary to provide the strong foundation to:
- Financially manage the short, medium- and long-term finances of a local authority;
 - Manage financial resilience to meet foreseen demands on services; and
 - Financially manage unexpected shocks in their financial circumstances.
- 6.8.4 Each local authority must demonstrate that the requirements of the Code are being satisfied, with compliance being a collective responsibility of elected members, the Chief Finance Officer and their professional colleagues in the leadership team. However, the Code is not expected to be considered in isolation and accompanying tools will form part of the collective suite of evidence to demonstrate sound decision making and a holistic view is taken. In addition, whilst the Code is designed to be flexible to the nature, needs and circumstances of individual authorities, it is up to each authority to determine the extent to which it complies with the Code and to identify what action it may wish to take to better meet the standards that the Code sets out.
- 6.8.5 Full compliance was expected for the 2021/22 financial year and in its Guidance Bulletin 06 (*Application of the Good Governance Framework 2020/21*), CIPFA has stated that Annual Governance Statements should include the conclusions of the evaluation of compliance with the Code (incorporating any actions needed to ensure compliance with the Code) and, accordingly, this is set out in paragraph 6.8.6.
- 6.8.6 The Council has undertaken an assessment of its current arrangements against the Standards set out in the Code. The assessment process has demonstrated compliance with all of the standards through a disciplined, robust and accountable approach to financial management and medium-term financial planning, with the Senior Leadership Team demonstrating collective responsibility for the delivery of these arrangements. There are no specific areas for improvement, save for those included within this Annual Governance Statement (see section 5, Executive Summary, for an overview of the proposals for improvement), and noting the importance of maintaining robust arrangements to support the continued effective and efficient use and management of resources through a very challenging financial outlook that lies ahead.

Pension Fund

- 6.10.5 RCT is the Administering Authority for the Rhondda Cynon Taf Pension Fund. Whilst the governance arrangements detailed in this statement apply equally to the Council’s responsibilities to the Pension Fund there are further specific requirements for Pension Funds which are detailed in a number of key documents:
- Governance Statement of Compliance which indicates the Fund’s position against the Government’s best practice standards;
 - Governance Policy Statement which provides an overview of the management structure, decision making and employer engagement;
 - Communication Policy Statement which details the communication and information services to participating employers and scheme members;
 - Pension Fund Administration Strategy which seeks to improve efficiency in the delivery of agreed standards of quality and to ensure compliance with statutory requirements;
 - Investment Strategy Statement which details how Fund investments are managed, including the Fund’s policy on how social, environmental and corporate governance considerations are taken into account; and
 - Funding Strategy Statement which provides a summary of how we will fund our pension liabilities.
 - Pension Fund Risk Register, which identifies, prioritises and monitors risks associated with the Fund, against suitable mitigation controls.

- 6.10.6 All of these documents can be found at the following link:
www.rctpensions.org.uk
- 6.10.7 The Public Service Pensions Act 2013 introduced a number of changes to public service pension schemes, including some significant changes for the governance of such schemes. In accordance with the Act, the Council established a Local Pension Board to assist Rhondda Cynon Taf County Borough Council in its role of Administering Authority ('Scheme Manager') in:
- Securing compliance with the Principal Regulations and any other legislation relating to the governance and administration of the LGPS;
 - Securing compliance with the requirements imposed in relation to the LGPS by the Pensions Regulator; and
 - Ensuring the effective and efficient governance and administration of the LGPS by the Scheme Manager.
- 6.10.8 The Pension Board is made up of two employer representatives and two member representatives.
- 6.10.9 In 2016/17 the Council established a formal Pension Fund Committee (subject to the provisions of Section 101 of the Local Government Act 1972) to oversee its responsibilities with regard to the administration of the RCT Pension Fund. The Pension Fund Committee consists of 5 elected members and is politically balanced.
- 6.10.10 The Committee is responsible for the strategic management of the RCT Pension Fund with all operational matters continuing to be delegated to the Council's Chief Finance Officer (as the Section 151 Officer or in his absence the Deputy Section 151 Officer) who are supported by an Investment and Administration Advisory Panel with appropriate officer, independent advisor and professional support.
- 6.10.11 The Pension Fund Committee met 4 times during the 2022/23 financial year.
- 6.10.12 In 2017, a Joint Governance Committee (JGC) was established in accordance with an inter-authority agreement, responsible for oversight of the Wales Pension Partnership (WPP) investment pooling collaboration of the eight LGPS funds in Wales. The eight Welsh Pension Fund Committee Chairs or their nominated deputy (elected member) attend the JGC and are supported by an officer working group. In January 2018, the WPP appointed an 'Operator' to establish and run a collective investment vehicle for the sole use of the Local Government Pension Scheme (LGPS) funds in Wales.

A summary of the pooling objectives of the WPP are:

- Generate consistent net of fee excess returns;
- Diversify manager risk;
- Reduce average manager fees;
- Achieve tax efficiency by reclaiming withholding tax on dividends (for non-UK equity sub-funds);

- Meet the Government deadlines by establishing one sub fund submission to the FCA; and
- Equitably share the costs of transitioning into sub-funds.

6.11 Other Key Sources of Assurance

6.11.1 The following other key sources of assurance were in place during the 2022/23 financial year.

Chief finance Officer (Section 151 Officer)

6.11.2 The Chief Finance Officer position within the Council during 2022/23 complied with the principles outlined in the CIPFA document ‘*The Role of Chief Finance Officer*’ because the Chief Finance Officer:

- *Was a key member of the Leadership Team, helping it to develop and implement strategy and to resource and deliver the organisation’s strategic objectives sustainably and in the public interest;*
- *Was actively involved in, and able to bring influence to bear on, all material business decisions to ensure immediate and longer-term implications, opportunities and risks are fully considered, and alignment with the organisation’s financial strategy; and*
- *Led the promotion and delivery by the whole organisation of good financial management so that public money is safeguarded at all times and used appropriately, economically, efficiently and effectively.*

To deliver these responsibilities the Chief Financial Officer:

- *Led and directed a finance function that was resourced to be fit for purpose; and*
- *Is professionally qualified and suitably experienced.*

Monitoring Officer

6.11.3 The Monitoring Officer is required to report to the Council in any case where it appears that any proposal, decision or omission by the authority has given rise to or is likely to or would give rise to any contravention of any enactment, rule of law or code of practice or maladministration or injustice in accordance with Sections 5 and 5A of the Local Government and Housing Act 1989. During the period of the Annual Governance Statement, the Monitoring Officer did not make any such reports.

Head of the Regional Internal Audit Service

6.11.4 The Head of Internal Audit has produced a Head of Internal Audit Report for 2022/23. Subject to the Governance and Audit Committee consideration at its meeting in July 2023, the Head of Internal Audit Report states:

- *from the work undertaken during the financial year 2022/23 and taking into account other sources of assurance, the Head of Internal Audit's annual opinion on the adequacy and effectiveness of the Council's framework of governance, risk management and control for 2022/23 is: "Reasonable Assurance".*
 - *based on the work completed by the Regional Internal Audit Shared Service for the financial year no significant cross-cutting control issues have been identified that would impact on the Council's overall control environment. The weaknesses that have been identified are service specific.*
- 6.11.5 The Head of Internal Audit's Annual Report 2022/23 confirmed overall conformance to the Public Sector Internal Audit Standards. Many Council staff continued to work remotely, and systems and processes have had to be adjusted to cater for the new ways of working. Similarly, Internal Audit has worked remotely, conducting audits and obtaining evidence digitally. Each audit has considered the potential impact of remote working to ensure adequate controls and governance arrangements remained in place.
- 6.11.6 Remote working and long term sickness did have an impact on the delivery of the Internal Audit Plan for 2022/23 and notwithstanding this, the level of Internal Audit coverage was still sufficient for the Head of Audit to be able to give an opinion. In respect of audit coverage, the Internal Audit plan continued to have regard to the continuing impact caused by the pandemic and the changes that have been made to the way the Council is operating. Some planned reviews were not undertaken during the year, some due to requests from services that were under intense pressure. These will be considered in the 2023/24 plan.
- 6.11.7 During the year the service has had the flexibility to work from home or the office and have undertaken site visits as appropriate for each audit. The Audit team will continue to work remotely to a large extent, and each audit will continue to consider the impact of remote working to ensure adequate controls and governance arrangements are in place.

6.11.9 The Review of Effectiveness and proposals for improvement have been reviewed and challenged by the Council's Senior Leadership Team and the Governance and Audit Committee.

6.12 Overall Conclusion

- 6.12.1 Based on the review of effectiveness against the Local Code of Corporate Governance, the Council's governance arrangements provided the basis to effectively plan, allocate and manage resources to support the delivery of Corporate Plan priorities and wider service delivery, and was underpinned by sound decision making arrangements. A small number of proposals for improvement have been made to further strengthen existing processes.
- 6.12.2 This position, together with a track record of implementing proposals for improvement made within previous Annual Governance Statements, provides assurance that appropriate arrangements are in place to address the proposals for improvement set out in Section 7.

B - Ensuring openness and comprehensive stakeholder engagement	Stakeholder Engagement	Further work is required to develop and finalise a Participation Strategy setting out how local people are encouraged to participate in decision-making by the Council. There is a need for the Council to build on the work to date to more clearly demonstrate impact and outcomes within its Self-Assessment and Performance Reporting arrangements and also incorporate service user information (this being an emerging finding from the Audit Wales review work undertaken in 2022/23).
