- 11.1 The Council is subject to the statutory requirements of the Well-being of Future Generations (Wales) Act 2015, which sets a common vision for the long-term well-being of people and communities through seven national well-being goals and provides a framework for public services to work differently through five sustainable development principles. The principles include thinking about the long-term impact of our actions, seeking to prevent issues from occurring in the first place or from worsening, involving people and communities in decisions made that affect them, working together with other organisations and integrating our work to understand the knock-on effects of what we do.

**12. CONCLUSION**

- 12.1 The proposed draft work programme is a fluid document, allowing the programme to be amended with changing priorities. The programme is based on factors highlighted within the meetings of the Strategic Culture & Arts Steering Group or other items officers deem appropriate to bring forward for discussion.
