#### **4.0 INVESTMENT PERFORMANCE**

- 4.2 During the quarter ended 31<sup>st</sup> March 2023, the overall value of the Fund increased from £4,103 million to £4,256 million.
- 4.3 A summary of performance relative to the Fund specific benchmark is shown below.

Mercer Performance Services are engaged by the Fund to measure the performance of the Fund as a whole and the performance of the fund managers against agreed benchmarks.

- 4.9 Baillie Gifford's global core mandate has been reduced by £180 million which has been transitioned to UK government bonds, with a further £45 million reduction transferred to UK corporate bonds.

## **5.0 ADMINISTRATION UPDATE**

- 5.1 The approved Fund's governance documents and Valuation Report have been published on the Fund's website.
- 5.2 The Pensions Regulator (TPR) was expected to publish their new General Code of Practice in mid-April 2023 that would set out proposed new governance standards for pension schemes. - 5.3 In April 2023, the Pensions Dashboards Programme (PDP) issued its seventh update looking at the programme's progress since October 2022, recognising

A Ministerial Statement from the UK Government on 8<sup>th</sup> June 2023 confirmed that legislation will be updated to set an overall connection deadline for all schemes of 31<sup>st</sup> October 2026, with the Department for Work and Pensions to collaborate with the Pensions industry this year prior to publishing guidance setting out individual connection deadlines for schemes, these being before 31<sup>st</sup> October 2026.

- 5.4 HM Revenue & Customs (HMRC) has published for consultation the draft Public Service Pension Schemes (Rectification of Unlawful Discrimination) (Tax) (No 2) Regulations 2023, which outline changes to how pensions tax rules will apply as a result of the public service pensions remedy (McCloud). The consultation closed on the 19<sup>th</sup> June 2023.

Moving forward the Life Certification process will become an annual exercise.
- 5.9 A programme of work is continuing to support on-going effective communication, for example, self-help videos being developed for inclusion on the Fund website to support Members with key activities such as 'how to access My Pension Online'; a Pensions Newsletter, 'PensionsConnection', for retired members of the Rhondda Cynon Taf Pension Fund and Fire Pension Schemes was issued in March 2023 and published electronically to those Pensioner Members signed up for My Pension Online; and a new Member Starter process is being developed that will be accompanied by communication with Fund employers.
- 5.10 A McCloud Working Group has been set up and is progressing the necessary work on data collection and sign-off, noting the acknowledgement by the DLUHC that the administrative requirements of the McCloud remedy will be significant and that Pension Funds should be putting in place resourcing plans to ensure

administrators are equipped to tackle the additional work. In the case of the Rhondda Cynon Taf Pension Fund, the programme of work is being managed, supported and delivered via the McCloud Working Group.

- 5.11 Member Self-Serve (MSS) continues to be promoted and registrations of Active, Deferred, Pensioner and Dependant members are shown below (as at June 2023).
