2. RECOMMENDATIONS

Directors to recommend the following to the Joint Committee;

- 2.1 Approve the distribution of grants as detailed in section 5 of this report.

3.0 BACKGROUND

- 3.1 As host authority Rhondda Cynon Taf will act as 'banker authority', and under the terms of the grant agreements will be responsible for accepting the terms and conditions of grant and putting in place arrangements to distribute the funding, as determined by the Joint Committee, within the Consortium.

4.0 METHOD OF APPORTIONMENT

- 4.3 This report presents details of 2023/24 grants to the Joint Committee.

5.0 2023/24 GRANTS

Grant approval letter has been received detailing the grants coming into the Consortium. The Directors have agreed to maintain the LA disaggregation of the funding and to apply a common formula for the delegation of the LA funding to schools.

5.1 Regional Consortia Grant 2023/24 – award dated 18th May 2023

The total of this award of funding is £48,083,989 over the period 1st April 2023 – 31st March 2024 (£48,652,545 in 2022/23).

The purpose of this funding is to support delivery of Welsh Government (WG) aspirations and priorities for schools and education. Regional consortia and partnerships in Wales and their related local authorities have a significant role to play in improving educational outcomes for all learners in Wales and in delivering our substantial educational reform.

The funding letter outlines WG's overarching national priorities. The Funding must support delivery of Curriculum for Wales and its enabling objectives.

In delivering the Curriculum for Wales, WG continue the need to focus on the four enabling objectives around which this grant is structured:

- Developing and delivering a high-quality education profession
- Inspirational leaders working collaboratively to raise standards
- Strong and inclusive schools committed to excellence, equity and well-being

- Robust assessment, evaluation and accountability arrangements supporting a self-improving system.

The consortia business plan clearly articulates the contribution towards progress of these measures, including associated outcomes and key performance indicators.
