1. PURPOSE OF REPORT

- 1.1 This report provides Cabinet with an overview of the operation and effectiveness of the Council's statutory Social Services complaints procedure between 1st April 2022 and 31st March 2023.
- 1.2 The report contains information on the background of the Social Services statutory complaints procedure, information on lessons learnt from complaints and performance data for Adults and Children's Social Services, together with achievements for 2022/23 and future developments.

2. RECOMMENDATIONS

It is recommended that Cabinet:

- 2.1 Note the content of this report and the Social Services Annual Representations and Complaints report for 2022/23, attached at Appendix 1.
- 2.2 Note the work undertaken by the Customer Feedback, Engagement and Complaints Team.

3. REASONS FOR RECOMMENDATIONS

- 3.1 It is a requirement of the Social Services Complaints Procedure (Wales) Regulations Procedure 2014 that the Local Authority produce an annual report and that the report is considered by the appropriate Committee.

4. BACKGROUND

4.1 Social Services has a statutory requirement to operate a complaints procedure that follows the legislative requirements of the regulations specified above. The guidance requires an annual report to be produced relating to the operation of the complaints procedure.

4.2 The Social Services complaints procedure is available to:

- All service users or their representatives
- Any child with a care and support plan
- A parent of a child with a care and support plan.
- A local authority foster parent
- A person who the Authority consider to have sufficient interest in the child's/adult's welfare

It is based upon the principle that people have a right to complain; to have the complaint examined and resolved as quickly as possible.

4.3 The complaints process was amended in August 2014 in line with the new Complaints Regulations and Guidance issued by the Welsh Government and became a two stage process:

Stage One: Local Resolution – The emphasis at this stage of the process is to resolve the complaint by means of discussion and problem solving, whilst adhering to the 15 working days response time that has been imposed under the Regulations.

Stage Two: Formal Consideration – If the complainant remains dissatisfied after completion of stage one, they may request that the complaint proceeds to stage two of the process. This involves a formal investigation of the complaint with a report being produced by the investigating officer appointed to the case. The timescale for dealing with this stage is 25 working days.

4.4 If the complainant remains dissatisfied with the outcome of the stage two investigation, they may progress their complaint to the Public Service Ombudsman for Wales.

Members queried the lessons learnt from the compliments and complaints received to the service and quality assurance process. Members requested further data in relation to any trends in the complaints received.

7.3 The report has also been considered by the Council's [Governance and Audit Committee on 12th October 2023](#).

8. FINANCIAL IMPLICATION(S)

8.1 There are no financial implications arising directly from this report.

9. LEGAL IMPLICATIONS OR LEGISLATION CONSIDERED

9.1 The work of the Complaints and Representation Unit is underpinned by the requirements of the Social Services Complaints Procedure (Wales) Regulations 2014 and the Representations Procedure (Wales) Regulations 2014. This report has been produced in line with the legislative requirements contained within those procedures.

10. LINKS TO THE CORPORATE AND NATIONAL PRIORITIES AND THE WELL-BEING OF FUTURE GENERATIONS ACT

10.1 The function of the Customer Feedback, Engagement and Complaints Team and the collation of service user feedback through both complaints and compliments provide a quality assurance mechanism by which Adults and Children's Services can measure their performance against the corporate priorities to:

- Improve the experience of those using Health and Social Care Services.
- Engage with and use Customer Feedback to redesign our services.

11. CONCLUSION

- 11.1 Social Services continue to provide a robust and effective complaints procedure in line with the statutory requirements. Complaints are seen as providing valuable customer feedback, with the information from complaints providing valuable lessons learnt when planning and improving services to meet the needs of our customers.

- 11.2 Further details and analysis about the number and nature of complaints and compliments for 2022/23 and the service areas where these have been made are provided in Appendix 1. The annual report also outlines some of the achievements and developments undertaken by the Customer Feedback, Engagement and Complaints Team during the year.
