**REPORT OF THE DIRECTOR OF SOCIAL SERVICES IN DISCUSSIONS WITH
THE RELEVANT PORTFOLIO HOLDER, COUNCILLOR CAPLE, CABINET
MEMBER FOR HEALTH AND SOCIAL CARE**

Author: Neil Elliot, Director of Social Services

1. PURPOSE OF THE REPORT

- 1.1 The purpose of this report is to present the final draft of the Director of Social Services Annual Report for 2022/23 for approval prior to its publication.

2. RECOMMENDATIONS

It is recommended that the Cabinet:

- 2.1 approves the Director of Social Services Annual Report for 2022/23 (Appendix 1).

3. REASONS FOR RECOMMENDATIONS

- 3.1 To meet the statutory requirements on the Director of Social Services in respect of the publication of the annual report.

4. BACKGROUND

- 4.1 In accordance with Part 8 of the Code of Practice of the Social Services and Wellbeing (Wales) Act 2014, the Director of Social Services must prepare and publish an annual report about the exercise of the Local Authority's Social Services functions. This annual report must be published as soon as reasonably practicable after the end of a financial year and address the following requirements:

- It must evaluate the performance of the local authority in relation to the delivery of its social services functions in respect of that year and include lessons learned.
- It should be presented in such a way as to set out how the Local Authority has achieved the six quality standards in relation to well-being outcomes as described in the code of practice in relation to

measuring social services performance, issued under section 145 of the Act.

- It must include details of the extent to which the authority has acted in accordance with relevant requirements for assessing and meeting needs (Part 3 and 4 of the Social Services and Wellbeing (Wales) Act 2014)
- It must set out how the Local Authority has exercised relevant requirements contained in the code of practice so as to provide:
 - a) Assurances in terms of structural arrangements within the Local Authority that enable good governance and strong accountability.
 - b) Assurances in relation to effective partnership working via Partnership Boards.
 - c) Assurances in relation to safeguarding arrangements.
 - d) Information in relation to the performance of the handling and investigation of complaints and representations.
 - e) A response to any inspections undertaken in relation to social services functions.

4.2 Directors of Social Services are required to provide an update on Welsh language provision and their implementation of More than just words as part of the annual report.

4.3 It is important that the views of service users in relation to the way the Local Authority has discharged its social services functions are included in the annual report. People, including children, who have experience of using care and support services, the parents of children who have care and support needs, and carers in the local authority area must be engaged in the process of producing an annual report and the annual report must set out how the Local Authority has engaged with people in its production.

4.4 Annual reports are a way for local authorities to demonstrate accountability to citizens and should, therefore, be accessible to people, including service users. The Director of Social Services should, therefore, ensure that annual reports are not overly long and are written in a clear and concise way.

4.5 To ensure effective accountability, the annual report must be presented to the Council by the Director of Social Services, a copy of the published annual report sent to Welsh Ministers and copies made available on the local authority website.

5.1 There are no Equality and Diversity implications associated with this report.
